REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

OBJECTIVES AND ACTIVITIES

Objectives and Activities

The company's Memorandum and Articles of Association state:

The object of the charity is the provision and maintenance of a community hub for the use of the inhabitants of Aberfan and its neighbouring community which includes those that are deemed 'vulnerable' or disadvantaged without distinction of political, religious or other opinions to provide;

- Childcare services for the development of health, wellbeing and education of children
- Other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for inhabitants, and
- Such other charitable means as the trustees see fit in furtherance of the said objects.

Vision:

A vibrant and stimulating environment for the development of children and families in the lower Merthyr Valley and beyond.

Mission:

To provide high quality, affordable and inclusive education, childcare, family support and health services that enhance the welfare and life opportunities of children in our communities.

Context:

Trinity Childcare and Family Centre Ltd is situated in the village of Aberfan, approximately 4 miles from the centre of Merthyr Tydfil in the Aberfan & Merthyr Vale ward.

Trinity Childcare & Family Centre moved from a smaller venue into an empty local authority, purpose-built nursery school in October 2011 under a 25-year lease. The move enabled the team to: enhance existing services, develop additional services and ensure the delivery of a quality service within the Aberfan and Merthyr Vale Ward and surrounding areas - making Trinity Childcare and Family Centre the hub of the community.

Although the Centre was originally registered as a Community Interest Company in February 2011, it did not start trading as Trinity Childcare and Family Centre until April 1st, 2013, and it wasn't until December 21st 2016, that the Centre formally changed its name to Trinity Childcare & Family Centre Ltd; it became a registered charity as of January 13th 2017.

Operating a fully-funded childcare provision is demanding in any economic climate but with on-going scrutiny of public spending both locally and nationally, the team at Trinity are faced with the constant challenge of providing comprehensive childcare services for children ranging from 7 weeks to 12 years old, plus offering additional services to support the families of those children, while also having to ensure that sufficient funding is sourced and applied for to make sure the operation runs within existing service level agreements and within the bounds of current regulatory controls.

The management team is supported by a small but active Board of four trustees. It is hoped that in the future the Board will be extended to five or more people to further extend the current skill set and spread the considerable workload..

Trinity is registered and comes under the regulatory control of Care Inspectorate Wales (CIW). As such, it adheres to the CIW regulated staff to child ratio; it also delivers learning programmes in line with Welsh Government initiatives. The staff at Trinity take a collaborative approach to childcare that creates a safe and secure environment that parents trust.

Public benefit

The Trustees are aware that the Charity has a responsibility under the Charities Act to demonstrate that it has charitable aims that meet the public benefit requirement and are therefore charitable. The Trustees confirm that they have had regard to the Charity Commission's guidance on public benefit and comply with s17 Charities Act 2011 in respect of having due regard to public benefit when considering, planning and implementing the activities of the charity.

FINANCIAL REVIEW

Financial position

Historical financial performance is detailed as follows:

Financial Year end	Income	Spending
31 Mar 2024	493,854	512,764
31 Mar 2023	461,266	477,262
31 Mar 2022	466,678	425,644
31 Mar 2021	379,552	365,900
31 Mar 2020	402,099	369,261
31 Mar 2019	386,644	385,210
31 Mar 2018	363,088	382,493
31 Mar 2017	359,029	352,585
31 Mar 2016	324,424	310,525

The financial performance for year ending 31st March 2025 as shown in this set of accounts demonstrates the continuing challenges that Trinity, like most day care nurseries, faces today. Financial pressures are increased by staff to child ratios and by restrictions in the number of children the centre can hold at any one time together with rapidly changing legislation.

COMMUNITY ENGAGEMENT

Trinity is recognised as the 'hub' of the Community and engages not only with those registered to attend the Centre but community members and groups - we are often the first contact families make when moving into the area.

We engage through: -

- Social media - Trinity Childcare and Family Centre business page - sharing information and signposting.
- Aberfan, Merthyr Vale and Mount Pleasant community page - sharing information, signposting, updates and engaging with new families moving into area.
- Community carnival - in partnership with other community groups we provide activities such as arts and crafts, mascots (staff / volunteers dress up).
- Christmas - Our 'annual Santa Dash' continues to be a hit with the older and younger generations of our community.
- Santa Grotto - joining in with the Christmas spirit we provided staff and volunteers for the 'Santa Grotto' at the community Christmas fair.

Principal funding sources

Aside from the income generated through service delivery and grants, the main funding sources for the charity are currently MTCBC and fees for childcare services. Other funding sources are Flying Start, as well as a range of additional charitable fundraising activities. The charity has been successful in obtaining support funding/project funding from Invest Local Ynysowen and the Big Lottery. It runs a programme of regular fundraising events through its members and stakeholder networks.

FINANCIAL REVIEW

Investment policy and objectives

Aside from retaining a prudent amount in reserves each year, most of the charity's funds are to be spent in the short term so there are few unallocated funds for long term investment. The trustees will operate a policy of keeping reserve funds in an interest-bearing deposit account and seek to achieve a rate of deposit interest which matches or exceeds inflation as measured by the Retail Price Index. This may be added to by private donations and project/fundraising events.

Reserves policy

The trustees have examined the company's requirements for reserves in light of the main risks to the organisation. The Board has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the company should be between 3 and 6 months of the expenditure.

6 months expenditure for the year ended 31st March 2025 was £293,806 (2024: £256,382). Free reserves at the 31st March 2025 was £42,373 (2024: £64,009). It is the aim of the charity to increase free reserves in forthcoming years. (See Financial Review and Future Developments for additional narrative).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Trinity Childcare and Family Centre is a private company limited by guarantee with no share capital, and incorporated in England and Wales. The organisation is governed by our Memorandum and Articles of Association (as incorporated on 2nd June 2016).

Prior to gaining charitable status by HMRC, the organisation was subject to Corporation Tax.

Recruitment and appointment of new trustees

The trustees of the charity under the requirements of the Memorandum and Articles of Association are elected to serve a period of 1 year after which they must be re-elected at the next Annual General Meeting. The number of trustees should be no less than 4 but is not subject to any maximum. When co-opting trustees, the Board has regard to the requirement of any specialist skills needed. Existing trustees can recommend new members to become trustees. An application pack from the candidate should be submitted to the Board for their approval. If the Board are not all in agreement, a vote will take place under majority rules.

Organisational structure

Trinity Childcare and Family Centre is governed by a volunteer Board of Trustees with operational activities undertaken by a paid Management Team and employees. At present the charity has 3 trustees who meet with the Management Team approximately monthly and are responsible for ensuring that the aims and objectives of Trinity Childcare and Family Centre as a charity are achieved, and that the organisation is sustainable in the long term. Financial oversight is provided by the Board of Trustees, coordinated and supported by a dedicated Finance Officer employed by Trinity Childcare and Family Centre. Monthly financial reports (management accounts) are presented to and reviewed by the Board.

The trustees have given consideration to the major risks which the charity is exposed and have satisfied themselves that systems or procedures are established in order to manage those risks.

A Risk Register has been established and is updated regularly, with Board 'deep dive' into specific risks rated high every 3 months. The risk management strategy comprises of the following:

- Regular review of the risks the charity may face with risk owners in place for every risk identified.
- The establishment of systems and procedures to mitigate those risks identified in the Risk Register.

Transfers between funds

Restricted funds

Restricted funds represent balances held to fund future projects where the resources have been received and are required by the donors to fund a specific project.

Transfers between funds

Transfers between funds arise where unrestricted funds have been used to fund shortfalls in restricted projects. The free reserves are available to provide funds to cashflow projects funded on a retrospective basis and are available with the approval of the trustees to fund any expenditure on projects or expenses which fall within the organisations general aims and objectives. They are accumulated in accordance with the reserve policy as stated in the Trustee Report.

Designated funds

Designated fixed asset fund represent the amounts set aside to write down the remaining net book value of fixed assets held against unrestricted funds.

Designated Redundancy provision represents the amounts set aside for future unforeseen redundancy costs held against unrestricted funds.

Activities undertaken within each major restricted fund

The restricted funds of the charity have been applied during the year or are held for future expenditure in the following area:

Flying Start

Flying Start is part of an early years programme for families with children under 4 years of age living in disadvantaged areas of Wales. Offering free preschool, enhanced health visiting, parenting support and Speech, language and communication. Within the Flying Start programme there are two possible funding routes to deliver the initiative - Approved supplier and Core supplier and we have both. The Core groups we access 40% of the finance upfront with additional fees being invoiced for at the end of each month. With the approved we invoice according to the children attending but do not receive any money upfront.

17. MOVEMENT IN FUNDS - continued

Bungalow - MTCBC

A building adjacent to Trinity Childcare and Family Centre that is managed by Trinity for the Flying Start initiative. Funded 100% by Flying Start in line with an agreed SLA. This building has been offered to Trinity as a Community Asset Transfer. Due to delays in agreeing the SLA and Lease the transfer agreement has not proceeded as yet. Further discussions are taking place and we are receiving support from Coalfields Regeneration Trust to conduct the transfer, fund any legal costs and offer guidance in developing a business plan. It is expected that the funding could gradually reduce from Flying Start over the next two years - this has yet to be agreed. This would require Trinity to identify an income stream to sustain the building.

Meithrin

Preschool provision delivered through the medium of Welsh. Run independently at the Trinity Bungalow up until January 2018, where it was agreed by the Trustees, Mudiad, staff and parents that Trinity take over the setting and deliver in line with Trinity's policies and procedures. It became a registered Flying Start provision, we secured additional funding for the leader position and a development grant to develop the provision.

Invest Local Family Engagement

This was funding to enable the centre to carry out specific community engagement activities throughout the Merthyr Vale Ward, such as Parent and Toddler groups, Carnivals and Christmas Fayres.

MTCBC Small Grant Scheme

This was to fund new gates to the Centre together with tarmacing the play area and pathways.

The National Lottery (People & Places)

This is funding to cover a key post to enable the organisation to continue to deliver childcare and family support.

18. RELATED PARTY DISCLOSURES

The Managers husband, daughter and sister are employed by the charity. They are paid at rates commensurate with their positions and in line with other members of staff. The appointment process was open and at arms length and the Trustees were fully informed of the relationship before the appointments.

The Manager and Brendan D'Cruz (Trustee) are members of the Invest Local Trust BCT Steering Group. During the year £110,233 was held in the Trinity bank account on behalf of the Invest Local Trust. This money has also been shown separately within creditors as clearly repayable to the Trust. The Charity also received grant income of £45,407 (2024: £21,265) from the Trust during the year.

The Manager and Belinda Davies (Trustee) are also Trustees of The Aberfan Education Charity. During the year Trinity received grant income of £Nil (2024: £2,800) from the charity.

19. ULTIMATE CONTROLLING PARTY

The ultimate controlling party is the board of trustees.

20. GIFTS IN KIND

Volunteer time

The value of volunteer time is not quantified in terms of money but the time contributed by volunteers is an invaluable resource in terms of the outstanding contribution made by them. The number of hours contributed by volunteers in the year was 420 (2024: 305).

21. GOING CONCERN

At the year end, unrestricted reserves encouragingly remained in a healthy surplus position. The Trustees remain aware of the precarious position and are continuing to take steps to increase future income and reduce all unnecessary costs. The Trustees are confident that the organisation will continue into the foreseeable future.

On this basis these accounts have been prepared on a going concern basis.
