Summary of the main achievements of the charity during the year

After receiving requests from various community members from West Midlands for their interest to join with Leicester community, we passed our resolution to invite in our community get-to-gather functions. We did & received great response & very encouraging feed-backs from everyone.

We established and registered this charity to provide the services for the benefit of the communities. .

Although we do not have our own place to run the office, we helped many individuals and families by providing consultation services, form filling, housing and employment advice.

We feel pride to arrange get-to-gather events, where hard working families do not have much opportunities to get integration within different communities and various cultural people.

Families enjoyed having great time and gave huge positive feedback to do more for the communities by having our own place to get help for various social and welfare problems.

Great news is that the people encouraged The Committee to find a suitable place for the Community Centre and willing to contribute more donations if and when required.

The feed back suggesting greater need for office place and demand of the services such as Business Start up advice, Form filling, housing, sports, healthy living and better social life.
