Website	www.jmc.org.uk

Activities

Objects: THE OBJECTS OF THE COUNCIL ARE, FOR THE PUBLIC BENEFIT, TO ADVANCE THE KNOWLEDGE, UNDERSTANDING, STUDY AND EDUCATION OF THE PUBLIC IN THE SUBJECT OF MATHEMATICS, INCLUDING BY:3.1 SHARING KNOWLEDGE, BEST PRACTICE AND TEACHING METHODS AMONGST INDIVIDUALS AND ORGANISATIONS TEACHING MATHEMATICS; AND3.2 LIAISING WITH MATHEMATICAL BODIES, NATIONAL EDUCATION POLICY MAKERS AND GOVERNMENT IN FURTHERING THE OBJECTS.

Activities: The JMC provides a forum for organisations working in mathematics education to assist them in furthering their objects. It meets three times a year and every four years holds the British Congress of Mathematics Education. It also undertakes other initiatives for the improvement of mathematics education.

Classification

- **How:** Makes Grants To Individuals, Provides Advocacy/advice/information, Sponsors Or Undertakes Research, Acts As An Umbrella Or Resource Body
- **What:** Education/training
- **Who:** Children/young People, Other Charities Or Voluntary Bodies, Other Defined Groups, The General Public/mankind

Geography

- Northern Ireland
- Scotland
- Throughout England And Wales

Finances

THE JOINT MATHEMATICAL COUNCIL OF THE UNITED KINGDOM

England & Wales - Charity number 1171223

Accounts

The Joint Mathematical Council of the United Kingdom

A Charitable Incorporated Organisation
Registered with the Charity Commission for England and Wales,
Registered Charity Number: 1171223
Registered Office: De Morgan House, 57-58 Russell Square, London, WC1B 4HS

Trustees' Annual Report for the period from 1 August 2025 to 31 July 2025

Who is the JMC?

- Governance** The Joint Mathematical Council of the United Kingdom (also known as 'The JMC') is a Charitable Incorporated Organisation registered with the Charity Commission for England and Wales, Registered Charity Number: 1171223. The JMC's governing document is its Constitution.
- Address** The JMC's principal office is in England at De Morgan House, 57-58 Russell Square, London, WC1B 4HS but all correspondence should be addressed to the Secretary (currently: Mr Chris Chipperton) at secretary@jmc.org.uk. The JMC's website can be found at www.jmc.org.uk.
- Membership** The membership of the JMC consists of its Officers, Participating Bodies, Co-opted Members and Observing Bodies; during the period from 1 August 2024 to 31 July 2025 these were:

Officers

Chair	Andy Noyes (until November 2024); Noel-Ann Bradshaw (from November 2024)
Deputy Chair	Noel-Ann Bradshaw (until November 2024); Jenni Ingram (from November 2024)
Secretary	Chris Chipperton
Treasurer	Fiona Curtis

Unattached Trustees

Beth Kelly (retired November 2024)

Participating Bodies

<i>Body</i>	<i>Authorised Representative</i>
Adults Learning Mathematics	Diane Dalby
Association of Mathematics Education Teachers	Fiona Curtis
Association of Teachers of Mathematics	Helen Madeley
British Society for Research into Learning Mathematics	Alf Coles
British Society for the History of Mathematics	June Barrow-Green (until May 2025) Tony Mann (from May 2025)
Edinburgh Mathematical Society	Andrew Wilson
Heads of Departments of Mathematical Sciences	Mary McAlinden
Institute of Mathematics and its Applications	Paul Glaister
London Mathematical Society	Mary McAlinden
The Mathematical Association	Ems Lord (until November 2024) Andy Kemp (from November 2024) Charlie Stripp
Mathematics in Education and Industry	Andrew Davies
National Association for Numeracy and Mathematics in Colleges	Ruth Trundley
National Association of Mathematics Advisers	Paul Milner
National Numeracy	Ems Lord (until November 2024)
NRICH	Liz Woodham/Charlie Gilderdale (from May 2025)
Operational Research Society	Chiara Carparelli
Royal Academy of Engineering	Juliet Upton (until June 2025)

Royal Statistical Society
Scottish Mathematical Council

STEM Learning
United Kingdom Mathematics Trust
Wales Institute of Mathematical and Computational
Sciences

Zoe Nye
Alan Walker (until November 2024)
Bill Richardson (from February 2025)
Michael Anderson (until February 2025)
Dianne Flatt

Sofya Lyakhova

Co-opted Members

Immediate Past Chair
UK Representative to the International Commission
on Mathematics Education
Social Media Lead

Andy Noyes

Paul Glaister
Richard Perring

Observing Bodies

Body

Department for Education [England]
Department of Education [Northern Ireland]
Education Scotland
Education and Training Foundation
National Centre for Excellence in the Teaching of
Mathematics
Office for Standards in Education
The Office of Qualifications and Examinations Regulation
The Royal Society
The Royal Society Advisory Committee
on Mathematics Education
Scottish Qualifications Authority
Welsh Government Education Directorate

Authorised Representative

Catherine Mackenzie
Julie Harris
John Neeson
Julie Baxter

Sue Madgwick
Hannah Stoten/Steve Wren
Sarah Old
Cath Boulton

Anthony Tomei
Georgina Holmes
Lian Crierie (until May 2025)
Amanda Hayman (from May 2025)

4. **Trustees** The trustees are the officers, Elected Trustees and Co-opted Trustees. The Elected Trustees and the Co-opted Trustees must be Authorised Representatives of Participating Bodies at the time of their appointment.

Trustees for the period from 1 August 2024 to 31 July 2025:

Micael Anderson	Co-opted Trustee (from November 2024; retired February 2025)
Noel-Ann Bradshaw	Deputy Chair (retires November 2024; eligible for re-election) Chair (from November 2024)
Chris Chipperton	Secretary (retires November 2025; not eligible for re-election)
Alf Coles	Co-opted Trustee (from January 2025)
Fiona Curtis	Treasurer (from November 2023: eligible for re-election)
Jenni Ingram	Deputy Chair (from November 2024; eligible for re-election)
Beth Kelly	Elected Trustee (retired November 2024)
Sofya Lyakhova	Elected Trustee (from November 2024; not eligible for re-election)
Andy Noyes	Chair (retired November 2024)
Ruth Trundle	Co-opted Trustee (until November 2024) Elected Trustee (from November 2024; eligible for re-election)

The JMC has no corporate trustees. No trustee holds title to property belonging to the JMC. The JMC does not act as a Custodian Trustee for any other charity.

What does the JMC do?

5. **Objects** The JMC's Constitution states that 'The objects of the Council are, for the public benefit, to advance the knowledge, understanding, study and education of the public in the subject of mathematics, including by:

- sharing knowledge, best practice and teaching methods amongst individuals and organisations teaching mathematics; and
- liaising with mathematical bodies, national education policy makers and government in furthering the objects.'

6. **Incorporation** The JMC was incorporated on 20 January 2017 as a Charitable Incorporated Organisation. It is the successor to the unincorporated Joint Mathematical Council of the United Kingdom which was founded in 1962 and first met in 1963. The old body was dissolved on 17 August 2017 and the minutes of its final meetings, its final report and its final accounts were approved at the meeting of the new body on 14 November 2017.

7. **Meetings** For the furtherance of its objects, the JMC normally holds General Meetings three times a year to promote communication between mathematical bodies in the United Kingdom. General Meetings were held on 7 November 2024 (which was also the Annual General Meeting), 13 February 2025 and 12 June 2025. Meetings of the Trustees preceded these meetings. The General Meetings received reports from Participating Bodies and Observing Bodies as well as from JMC representatives on external bodies, and discussed issues of concern raised. The afternoon sessions were given over to the discussion of topics: A vision for meaningful data education across the four nations of the UK, and the RS Mathematical Futures Report (7 November); TIMMS 2023 (13 February); Issues around studying mathematics degrees in the UK (12 June).

8. **Commissioned Reports** A call for expressions of interest to undertake a piece of work on *Mathematics teacher recruitment: An overview* was put out in December 2024. The report is due to be completed in time for the November General Meeting.

A collection of thought pieces on *AI in mathematics education* has been commissioned. It is hoped that the work will be completed by November 2025.

A working group was formed early in 2025 to consider *Early Secondary and transition to secondary school*. It is expected that the report will be completed for June 2026.

9. **British Congress of Mathematics Education Committee** BCME10 will take place 23 and 24 October 2026. An organising committee was formed in June 2023 with Ed Southall and Ruth Trundley as co-chairs.

10. **International Congress of Mathematics Education Bursaries Committee** (Chair: Paul Glaister) International Congresses of Mathematics Education are scheduled to be held every four years. ICME15 was held in Sydney, Australia, 7-14 July 2024.

11. **Meeting of Mathematics Subject Associations Special Interest Group** (Honorary Secretary: Diane Lloyd) This group was established as a SIG of the JMC on 9 June 2017. MMSA consists of five associations, AMET, ATM, MA, NANAMIC and NAMA. NCETM and The Royal Society also attend meetings. Each subject association covers its own costs for the attendance of up to two representatives.

12. The MMSA organisations have continued to develop arrangements for their possible merger. The decision to merge into the Association for Mathematics in Education (AMiE) was announced on 4 July following votes by members of each of the five associations. AMiE is likely to be up and running by the end of the year.

13. **Relationships with other bodies** The JMC has the following relationships with other bodies.

The JMC is a member of the Council for Subject Associations.

The JMC is a member of the National Council for Voluntary Organisations.

The JMC also has the following relationships with other bodies as part of which the JMC neither makes payment nor receives payment:

The London Mathematical Society generously allows the JMC to use its address as the address of JMC's principal office.

The Royal Society includes the Chair of the JMC among the members of its Advisory Committee on Mathematics Education.

The JMC is also represented at other meetings from time to time.

The JMC has no employed staff or paid consultants.

14. **Public Benefit** The Trustees have had due regard to the public benefit guidance of the Charity Commission of England and Wales when exercising any powers or duties to which the guidance is relevant.

The JMC's finances and governance

14. **Context** A considerable amount from the subscription income is used to meet the cost of up to three face-to-face meetings each year. Decreased meeting costs due to the pandemic and rail strikes allowed for an increased amount to be spent on commissioned project work as the JMC continues to further its objects. The funds relating to the British Congress of Mathematics Education are held in a restricted fund devoted to the holding of such conferences.

15. **Financial Position** The report on the JMC's financial position is included with the Annual Accounts that accompany this report.

16. **Reserves** The Trustees have adopted a policy on general reserves; the 'JMC will maintain reserves of approximately twice the annual ordinary turnover at the financial low-point of the year (typically after payment of November meeting costs, before new year's subscription invoices are paid). The majority of this reserve will be kept in a deposit account and/or other investment account approved by the trustees.'

The Trustees have also adopted a policy on reserves relating to the BCME Restricted Fund; the 'JMC will aim to maintain reserves of 15–20% of BCME turnover, derived from BCME operating surpluses, as a restricted fund which will be (at least largely) kept in the above-mentioned or other deposit/investment account(s) over periods of low BCME-related activity. The manner of such investment will be approved by trustees, who will endeavour to steward such monies prudently.'

17. **Grant Making** Apart from the bursaries to BCME and its involvement in organising bursaries for those attending the International Congresses of Mathematics Education that are also held every four years, the JMC does not make grants.

18. **Social Investment** JMC does not make social investments.

19. **Constitution** The Trustees have reviewed the JMC Constitution during the year.

20. **Bye Laws** The Trustees have reviewed the JMC's Bye Laws during the year.

21. **Policies** The Trustees have reviewed the JMC's policies during the year.

The Bye Laws and policies, as well the Constitution, can be found at <http://www.jmc.org.uk/documents.htm>.

During the year the Trustees have reviewed the risk register.

Declaration

21. **Approval** The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Chris Chipperton, Secretary, 10 September 2025

JMC Annual Accounts

	<i>Budget</i>	<i>Actual</i>	
Opening balance			91845.55
Expenditure			
meeting room/catering	5000	4328.88	
officer expenses	2000	876.40	
speaker expenses	1200	36.30	
rep & CfSA subs	850	250.00	
insurance	400	320.31	
internet	400	479.08	
projects	16000	12615.84	
AMiE contra		486.00	19392.81
Income			
subscriptions 2024-25	12290	11210.00	
bank interest	1200	891.53	12101.53
Closing balance			<u>84554.27</u>
Balance in			
*current account		14025.66	
instant access account		17358.88	
**35-day deposit account		52623.92	
BCME current account		545.81	<u>84554.27</u>
* of which 1219.76 = ICME bursaries restricted			
** of which 46334.32 = BCME restricted			

Expenditure was greater than income again this year, which was due to the two projects commissioned: full payment for the data education project (£8000), half payment for the teacher recruitment project (£4000) and expenses for the working group on transition to secondary school (£616). Running costs were lower than budgeted, with online attendance contributing to smaller expense claims.

Sofya Lyakhova	Co-opted Trustee (till November 2023)
	Elected Trustee (from November 2023 till November 2024)
Andy Noyes	Chair (retires November 2024; not eligible for re-election)
Tom Roper	Elected Trustee (retired November 2023)
Ruth Trundley	Co-opted Trustee (from November 2023; first co-opted November 2023)

The JMC has no corporate trustees. No trustee holds title to property belonging to the JMC. The JMC does not act as a Custodian Trustee for any other charity.

What does the JMC do?

5. **Objects** The JMC's Constitution states that 'The objects of the Council are, for the public benefit, to advance the knowledge, understanding, study and education of the public in the subject of mathematics, including by:
- sharing knowledge, best practice and teaching methods amongst individuals and organisations teaching mathematics; and
 - liaising with mathematical bodies, national education policy makers and government in furthering the objects.'
6. **Incorporation** The JMC was incorporated on 20 January 2017 as a Charitable Incorporated Organisation. It is the successor to the unincorporated Joint Mathematical Council of the United Kingdom which was founded in 1962 and first met in 1963. The old body was dissolved on 17 August 2017 and the minutes of its final meetings, its final report and its final accounts were approved at the meeting of the new body on 14 November 2017.
7. **Meetings** For the furtherance of its objects, the JMC normally holds General Meetings three times a year to promote communication between mathematical bodies in the United Kingdom. General Meetings were held on 9 November 2023 (which was also the Annual General Meeting), 22 February 2024 and 13 June 2024. Meetings of the Trustees preceded these meetings. The General Meetings received reports from Participating Bodies and Observing Bodies as well as from JMC representatives on external bodies, and discussed issues of concern raised. The afternoon sessions were given over to the discussion of topics: Adult Numeracy (9 November); International Comparisons/PISA (22 February); AI in mathematics education.

An additional meeting was held on 5 October 2023. This gave the opportunity to consider RS ACME's Maths Futures discussion paper: *A new approach to mathematics and data education*.

8. **Commissioned Reports** A call for expressions of interest to undertake a piece of work on *Developing data skills across the mathematics curriculum* was put out early in 2024. The report is due to be completed in time for the November General Meeting.
9. **British Congress of Mathematics Education Committee** It is hoped to hold BCME10 around Easter 2026. An organising committee was formed in June 2023 with Ed Southall and Ruth Trundle as co-chairs.
10. **International Congress of Mathematics Education Bursaries Committee** (Chair: Paul Glaister) International Congresses of Mathematics Education are scheduled to be held every four years. ICME-15 was held in Sydney, Australia in July 2024.
11. **Meeting of Mathematics Subject Associations Special Interest Group** (Honorary Secretary: Diane Lloyd) This group was established as a SIG of the JMC on 9th June 2017. MMSA consists of five associations, AMET, ATM, MA, NANAMIC and NAMA. NCETM and The Royal Society also attend meetings. Each subject association covers its own costs for the attendance of two representatives. The MMSA organisations have continued to develop arrangements for their possible merger.
12. **Relationships with other bodies** The JMC has the following relationships with other bodies.
The JMC is a member of the Council for Subject Associations.
The JMC is a member of the National Council for Voluntary Organisations.

The JMC also has the following relationships with other bodies as part of which the JMC neither makes payment nor receives payment:

The London Mathematical Society generously allows the JMC to use its address as the address of the JMC's principal office.
The Royal Society includes the Chair of the JMC among the members of its Advisory Committee on Mathematics Education.
The JMC is also represented at other meetings from time to time.

The JMC has no employed staff or paid consultants.
13. **Public Benefit** The Trustees have had due regard to the public benefit guidance of the Charity Commission of England and Wales when exercising any powers or duties to which the guidance is relevant.

The JMC's finances and governance

14. **Context** A considerable amount from the subscription income is used to meet the cost of up to three face-to-face meetings each year. Decreased meeting costs due to the pandemic and rail strikes allowed for an increased amount to be spent on commissioned project work as the JMC continues to further its objects. The funds relating to the British Congress of Mathematics Education are held in a restricted fund devoted to the holding of such conferences.
15. **Financial Position** The report on the JMC's financial position is included with the Annual Accounts which accompany this report.
16. **Reserves** The Trustees have adopted a policy on general reserves; the 'JMC will maintain reserves of approximately twice the annual ordinary turnover at the financial low-point of the year (typically after payment of November meeting costs, before new year's subscription invoices are paid). The majority of this reserve will be kept in a deposit account and/or other investment account approved by the trustees.'

The Trustees have also adopted a policy on reserves relating to the BCME Restricted Fund; the 'JMC will aim to maintain reserves of 15–20% of BCME turnover, derived from BCME operating surpluses, as a restricted fund which will be (at least largely) kept in the above-mentioned or other deposit/investment account(s) over periods of low BCME-related activity. The manner of such investment will be approved by trustees, who will endeavour to steward such monies prudently.'
17. **Grant Making** Apart from the bursaries to BCME and its involvement in organising bursaries for those attending the International Congresses of Mathematics Education which are also held every four years, the JMC does not make grants.
18. **Social Investment** JMC does not make social investments.

19. **Constitution** At the General Meeting on 13 June 2024, Council unanimously resolved to amend the Constitution with a new clause 12.5.7 *Where a Deputy Chair is elected Chair, Council may resolve for the maximum number of consecutive terms to be served to be extended to three*. Existing clauses 12.5.7 to 12.5.12 to be renumbered accordingly.

20. **Bye Laws** The Trustees have reviewed the JMC's Bye Laws during the year.

21. **Policies** The Trustees have reviewed the JMC's policies during the year.

The Bye Laws and policies, as well the Constitution, can be found at <http://www.jmc.org.uk/documents.htm>.

During the year the Trustees have reviewed the risk register.

Declaration

22. **Approval** The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Chris Chipperton

Secretary

26 September 2024

Annual accounts 1 August 2023 – 31 July 2024

	<i>Budget</i>	Actual		
Opening balance			89041.50	
Expenditure				
meeting room/catering	5000	4167.32		
officer expenses	2000	1950.42		
speaker expenses	1200	83.30

projects	8000			
AMiE contra		3600.00	15619.89	
Income				
subscriptions 2023-24	12290	12290.00		
o/s subs from 2022-23	1070	1070.00		
subs in advance 2024-25		720.00		
bank interest		257.94		
*AMiE contra		4086.00	18423.94	
Closing balance			<u>91845.55</u>	
Balance in				
**current account		74208.47		
instant access account		17091.27		
BCME current account		545.81	<u>91845.55</u>	
* of which 486 to be returned to AMET				
** of which 1219.76 = ICME bursaries restricted, 46334.32 = BCME restricted				

We continue to have more income than expenditure in terms of cash movements, but our annual subscription income of £12290 is sufficient to meet our running costs (approx. £10,000), enabling us to fund projects.

Brought forward from previous years are the ring-fenced funds associated with BCME (£545.81 + £46,334.32) and ICME bursaries (£1,219.76).

The AMiE contra account refers to monies paid in to JMC by the five associations, so that JMC could pay the initial legal bills. The funding for this has now been fully drawn upon, and no more AMiE expenditure will go through JMC.

Co-opted Members

UK Representative to the International Commission on Mathematics Instruction	Paul Glaister
Social Media Lead	Richard Perring

Observing Bodies

<i>Body</i>	<i>Authorised Representative</i>
Department for Education [England]	Alex Smith/Catherine Mackenzie
Department of Education [Northern Ireland]	Julie Harris
Education Scotland	John Neeson
National Centre for Excellence in the Teaching of Mathematics	Sue Madgwick
Office for Standards in Education	Hannah Stoten/Steve Wren
The Office of Qualifications and Examinations Regulation	Sarah Old
The Royal Society	Cath Boulton
The Royal Society Advisory Committee on Mathematics Education	Anthony Tomei
Scottish Qualifications Authority	Sue Pope
Welsh Government Education Directorate	Pete Kennedy (till June 2023) Lian Crierie (from June 2023)

4. **Trustees** The trustees are the officers, Elected Trustees and Co-opted Trustees. The Elected Trustees and the Co-opted Trustees must be Authorised Representatives of Participating Bodies at the time of their appointment.

Trustees for the period from 1 August 2022 to 31 July 2023:

Noel-Ann Bradshaw	Deputy Chair (retires November 2023; eligible for re-election)
Chris Chipperton	Secretary (retires November 2025; not eligible for re-election)
Jennie Golding	Treasurer (retires November 2023; not eligible for re-election)
Graham Griffiths	Elected Trustee (retired November 2022)
Kevin Houston	Co-opted Trustee (from November 2022; first co-opted November 2019)
Beth Kelly	Elected Trustee (from November 2022; eligible for re-election)
Sofya Lyakhova	Co-opted Trustee (from November 2022; first co-opted November 2019)
Andy Noyes	Chair (retires November 2024; not eligible for re-election)
Tom Roper	Elected Trustee (from November 2022; to retire November 2023)

The JMC has no corporate trustees. No trustee holds title to property belonging to the JMC. The JMC does not act as a Custodian Trustee for any other charity.

What does the JMC do?

5. **Objects** The JMC's Constitution states that 'The objects of the Council are, for the public benefit, to advance the knowledge, understanding, study and education of the public in the subject of mathematics, including by:
- sharing knowledge, best practice and teaching methods amongst individuals and organisations teaching mathematics; and
 - liaising with mathematical bodies, national education policy makers and government in furthering the objects.'
6. **Incorporation** The JMC was incorporated on 20 January 2017 as a Charitable Incorporated Organisation. It is the successor to the unincorporated Joint Mathematical Council of the United Kingdom which was founded in 1962 and first met in 1963. The old body was dissolved on 17 August 2017 and the minutes of its final meetings, its final report and its final accounts were approved at the meeting of the new body on 14 November 2017.
7. **Meetings** For the furtherance of its objects, the JMC normally holds General Meetings three times a year to promote communication between mathematical bodies in the United Kingdom. General Meetings were held on 10 November 2022 (which was also the Annual General Meeting), 23 February 2023 and 9 June 2022. Meetings of the Trustees preceded these meetings. The General Meetings received reports from Participating Bodies and Observing Bodies as well as from JMC representatives on external bodies, and discussed issues of concern raised. The afternoon sessions were given over to the discussion of topics: Mathematics Education and Digital Technology (10 November); the Maths to 18 (23 February); Data Literacy and Data Science (8 June). The minutes of meetings are published on the JMC website, www.jmc.org.uk.
8. **Commissioned Reports** The Working Group formed in January 2022 continued to consider the use of digital technology in mathematics education. Five further meetings of the group took place leading to the

report being published in July 2023. The report on *Mathematics education and digital technology* is available on the JMC website <https://www.jmc.org.uk/wordpress-cms/wp-content/uploads/2023/07/JMC-Digitech-Report-July-2023-1.pdf>

A background report *On the use of technology in university mathematics teaching and assessment in STEM degree schemes* (Sofya Lyakhova) was also published on the JMC website <https://www.jmc.org.uk/wordpress-cms/wp-content/uploads/2023/07/Technology-in-HEI-mathematics-teaching-and-assessment17621.pdf>

9. **British Congresses of Mathematics Education Committee** Following a prolonged absence due to Covid, it is hoped to hold BCME10 around Easter 2025. An organising committee was formed in June 2023 with Ed Southall and Ruth Trundle as co-chairs.
10. **International Congresses of Mathematics Education Bursaries Committee** (Chair: Paul Glaister) International Congresses of Mathematics Education are scheduled to be held every four years. ICME-15 is due to be held in Sydney, Australia in July 2024. Bursaries will be available for travel and accommodation.
11. **Meeting of Mathematics Subject Associations Special Interest Group** (Honorary Secretary: John Barton) This group was established as a SIG of the JMC on 9th June 2017. MMSA consists of five associations, AMET, ATM, MA, NANAMIC and NAMA. NCETM and The Royal Society also attend meetings. Each subject association covers its own costs for the attendance of two representatives. The MMSA organisations have continued to develop arrangements for their possible merger.
12. **Relationships with other bodies** The JMC has the following relationships with other bodies.

The JMC is a member of the Council for Subject Associations.

The JMC is a member of the National Council for Voluntary Organisations.

The JMC also has the following relationships with other bodies as part of which the JMC neither makes payment nor receives payment:

The London Mathematical Society generously allows the JMC to use its address as the address of the JMC's principal office.

The National Centre for Excellence in the Teaching of Mathematics invites the JMC to nominate a representative to the National Maths Hubs Forum.

The Royal Society includes the Chair of the JMC among the members of its Advisory Committee on Mathematics Education.

The JMC is also represented at other meetings from time to time.

The JMC has no employed staff or paid consultants.
13. **Public Benefit** The Trustees have had due regard to the public benefit guidance of the Charity Commission of England and Wales when exercising any powers or duties to which the guidance is relevant.

The JMC's finances and governance

14. **Context** A considerable amount from the subscription income is used to meet the cost of up to three face-to-face meetings each year. Decreased meeting costs due to the pandemic and rail strikes allowed for an increased amount to be spent on commissioned project work as the JMC continues to further its objects. The funds relating to the British Congress of Mathematics Education are held in a restricted fund devoted to the holding of such conferences.
 15. **Financial Position** The report on the JMC's financial position is included with the Annual Accounts which accompany this report.
 16. **Reserves** The Trustees have adopted a policy on general reserves; the 'JMC will maintain reserves of approximately twice the annual ordinary turnover at the financial low-point of the year (typically after payment of November meeting costs, before new year's subscription invoices are paid). The majority of this reserve will be kept in a deposit account and/or other investment account approved by the trustees.'
- The Trustees have also adopted a policy on reserves relating to the BCME Restricted Fund; the 'JMC will aim to maintain reserves of 15–20% of BCME turnover, derived from BCME operating surpluses, as a restricted fund which will be (at least largely) kept in the above-mentioned or other deposit/investment account(s) over periods of low BCME-related activity. The manner of such investment will be approved by trustees, who will endeavour to steward such monies prudently.'

17. **Grant Making** Apart from the bursaries to BCME and its involvement in organising bursaries for those attending the International Congresses of Mathematics Education which are also held every four years, the JMC does not make grants.
18. **Social Investment** The JMC does not make social investments.
19. **Constitution** The Trustees have reviewed the Constitution during the year.
20. **Bye Laws** The Trustees have reviewed the JMC's Bye Laws during the year.
21. **Policies** The Trustees have reviewed the JMC's policies during the year.
The Bye Laws and policies, as well the Constitution, can be found at <http://www.jmc.org.uk/documents.htm>.

During the year the Trustees have reviewed the risk register.

Declaration

21. **Approval** The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Chris Chipperton

Secretary

29 September 2023

JMC Accounts for 01 August 2022 – 31 July 2023

Opening total balance at 01 August 2022 £19,523.89					
Balance at 01 August 2023: £25,328.04 , including restricted monies of £1219.76 for ICME bursaries, and £4808.40 for '5 into 1'(MMSA) work					
Income	Budget in £	To date	Expenditure	Budget in £	To date
Subscriptions	12,290.00	11,120	JMC rep expenses	600.00	0.00
Restricted Income 5 into 1		12,000	Officer and other trustee expenses	2000.00	928.94
			JMC Meetings (2 in person + trustees' Autumn review day)	5000.00	3402.16
			Insurance	400.00	376.00
			Internet (+web hosting)	400.00	284.52
			CfSA	250.00	250.00
			Projects	8000.00	4982.63
			Speaker expenses	1200.00	0.00
			Expenditure 5 into 1		7191.60
			Total	12,290.00	23,120

Reconciliation: £19,523.89 + £23,120 - £17415.85 = £25,328.04 in current account at 01.08.2023

Balance in JMC deposit account, 01.08.23: £16,738.84

Monies restricted to activity associated with BCME:

Balance in Teachers BS account, 01.08.23: £45,521.27 (restricted fund for BCME related activity)

Balance in BCME current account, 01.08.23: £545.81 (restricted fund)

Notes

Our financial position remains healthy, in large part due to unexpectedly further reduced face to face activity, and under-spend on planned projects.

Committed expenditure within the current account balance includes £1219.76 for ICME bursaries, and £4808.40 for 5 into 1 work; the digital technology project underspent. The ICME bursary balance arises from repayment of bursaries allocated for ICME 2020, which in the event was held in 2021 but which not all bursary-holders attended. The next ICME takes place in Sydney in July 2024 and it is anticipated that JMC will be asked to hold, and disburse, further bursary monies for that, resulting in a clearance of ICME-designated funds. The unrestricted balance in the current account therefore stands at £19,299.88, i.e. rather more than at the start of the year (the opening balance also included £1219.76 re ICME bursaries), which was not the intention.

MMSA-related restricted funds for costs associated with the legal processes associated with the proposed professional association merger ('5 into 1'), are included above. It is anticipated that the 5 into 1 balance will be fully spent, although JMC might hold further monies pending the setting up of a bank account by the new single association AMiE, should the merger go ahead; those would then transfer to the new CIO.

We arranged for the closure of the Teachers' BS account at the end of September when we anticipated that plans for a BCME 2025 would go ahead, and so a considerable balance would be needed in September to cover venue deposit. That now looks unlikely.

THE JOINT MATHEMATICAL COUNCIL OF THE UNITED KINGDOM

England & Wales - Charity number 1171223

Accounts

The Joint Mathematical Council of the United Kingdom

Trustees' Annual Report for the period from 1 August 2021 to 31 July 2022

Who is the JMC?

- Governance** The Joint Mathematical Council of the United Kingdom (also known as 'The JMC') is a Charitable Incorporated Organisation registered with the Charity Commission for England and Wales, Registered Charity Number: 1171223. The JMC's governing document is its Constitution.
- Address** The JMC's principal office is in England at De Morgan House, 57-58 Russell Square, London, WC1B 4HS but all correspondence should be addressed to the Secretary (currently: Mr Chris Chipperton) at secretary@jmc.org.uk. The JMC's website can be found at www.jmc.org.uk.
- Membership** The membership of the JMC consists of its Officers, Participating Bodies, Co-opted Members and Observing Bodies; during the period from 1 August 2020 to 31 July 2021 these were:

Officers

Chair	Andy Noyes
Deputy Chair	Noel-Ann Bradshaw
Secretary	Chris Chipperton
Treasurer	Jennie Golding

Participating Bodies

<i>Body</i>	<i>Authorised Representative</i>
Adults Learning Mathematics	Beth Kelly
Association of Mathematics Education Teachers	Fiona Curtis
Association of Teachers of Mathematics	Hayden Rissbrook
British Society for Research into Learning Mathematics	Jeremy Hodgen
British Society for the History of Mathematics	June Barrow-Green
Edinburgh Mathematical Society	Andrew Wilson
Heads of Departments of Mathematical Sciences	Jan van den Heuvel
Institute of Mathematics and its Applications	Paul Glaister
London Mathematical Society	Kevin Houston
The Mathematical Association	Tom Roper
Mathematics in Education and Industry	Charlie Stripp
National Association for Numeracy and Mathematics in Colleges	Graham Griffiths
National Association of Mathematics Advisers	Matt Lewis (to May 2022)
	Ruth Trundle (from May 2022)
National Numeracy	Sam Sims (to May 2022)
	Paul Milner (from May 2022)
NRICH representing the Millennium Mathematics Project	Ems Lord
Operational Research Society	Evelyn Hardy (to May 2022)
	Fay Moore (from May 2022)
Royal Academy of Engineering	Rhys Morgan
Royal Statistical Society	Jonathan Everett
Scottish Mathematical Council	Carol Lyon
STEM Learning	Stephen Lyon
United Kingdom Mathematics Trust	Hannah Telfer
Wales Institute of Mathematical and Computational Sciences	Sofya Lyakhova

Co-opted Members

UK Representative to the International Commission on Mathematics Instruction	Chris Budd
--	------------

Observing Bodies

<i>Body</i>	<i>Authorised Representative</i>
Department for Education [England]	Alex Smith/Catherine Mackenzie
Department of Education [Northern Ireland]	Julie Harris
Education Scotland	Pamela Di Nardo
National Centre for Excellence in the Teaching of Mathematics	Sue Madgwick
Office for Standards in Education	Hannah Stoten/Steve Wren
The Office of Qualifications and Examinations Regulation	Sarah Old
The Royal Society	Helen Harth (to November 2021) Cath Boulton (from November 2021)
The Royal Society Advisory Committee on Mathematics Education	Anthony Tomei
Scottish Qualifications Authority	Sue Pope
Welsh Government Education Directorate	Alison Thom (to November 2021) Pete Kennedy (from November 2021)

4. **Trustees** The trustees are the officers, Elected Trustees and Co-opted Trustees. The Elected Trustees and the Co-opted Trustees must be Authorised Representatives of Participating Bodies at the time of their appointment.

Trustees for the period from 1 August 2021 to 31 July 2022:

Noel-Ann Bradshaw	Deputy Chair (retires November 2023; eligible for re-election)
Chris Chipperton	Secretary (retires November 2025; not eligible for re-election)
Jennie Golding	Treasurer (retires November 2023; not eligible for re-election)
Graham Griffiths	Elected Trustee (retires November 2022; eligible for re-election)
Kevin Houston	Co-opted Trustee (from November 2021; first co-opted November 2019)
Sofya Lyakhova	Co-opted Trustee (from November 2021; first co-opted November 2019)
Andy Noyes	Chair (retires November 2024; not eligible for re-election)
Tom Roper	Elected Trustee (from November 2021; eligible for re-election)

The JMC has no corporate trustees. No trustee holds title to property belonging to the JMC. The JMC does not act as a Custodian Trustee for any other charity.

What does the JMC do?

5. **Objects** The JMC's Constitution states that 'The objects of the Council are, for the public benefit, to advance the knowledge, understanding, study and education of the public in the subject of mathematics, including by:
- sharing knowledge, best practice and teaching methods amongst individuals and organisations teaching mathematics; and
 - liaising with mathematical bodies, national education policy makers and government in furthering the objects.'
6. **Incorporation** The JMC was incorporated on 20 January 2017 as a Charitable Incorporated Organisation. It is the successor to the unincorporated Joint Mathematical Council of the United Kingdom which was founded in 1962 and first met in 1963. The old body was dissolved on 17 August 2017 and the minutes of its final meetings, its final report and its final accounts were approved at the meeting of the new body on 14 November 2017.
7. **Meetings** For the furtherance of its objects, the JMC normally holds General Meetings three times a year to promote communication between mathematical bodies in the United Kingdom. General Meetings were held on 11 November 2021 (which was also the Annual General Meeting), 24 February 2022 and 9 June 2022. Meetings of the Trustees preceded these meetings. The General Meetings received reports from Participating Bodies and Observing Bodies as well as from JMC representatives on external bodies, and discussed issues of concern raised. The afternoon sessions were given over to the discussion of topics: Where next for JMC? (11 November); the Mathematics Education Pipeline (24 February); RS ACME Mathematical Futures Programme (8 June). An additional General Meeting was held on 14 January 2022 solely to discuss the green paper for a National Academy for Mathematical Sciences. The minutes of meetings are published on the JMC website, www.jmc.org.uk.

8. **Commissioned Reports** The final report on *UK Mathematics 14-19: the Gender Jigsaw* (Jennie Golding, UCL Institute of Education) was received in January 2022. The report is available on the JMC website, <https://www.jmc.org.uk/2022/03/22/uk-mathematics-14-19-the-gender-jigsaw/>
- In April 2022, the report on *Mathematics education 5-14 and gender* (Maria Pampaka et al, University of Manchester) was received. The summary report is available on the JMC website, <https://www.jmc.org.uk/2022/09/26/mathematics-education-5-14-and-gender-summary-report/>
- A Working Group was formed in January 2022 to consider *Mathematics Education and Digital Technology*. Six meetings of the group have taken place to date and it is intended that the report will be published towards the end of 2022.
9. **British Congresses of Mathematics Education Committee** A small working party met in July 2022 to develop a proposal for the re-establishment of a British Congress of Mathematics Education. This will be considered further during the next year.
10. **International Congresses of Mathematics Education Bursaries Committee** (Chair: Chris Budd) International Congresses of Mathematics Education are scheduled to be held every four years. ICME-14 was due to be held in Shanghai in 2020, but due to the pandemic was postponed and a hybrid event was held in July 2021. Bursaries that were awarded for travel and accommodation were recovered and the funds are being held for awarding bursaries for ICME-15.
11. **Meeting of Mathematics Subject Associations Special Interest Group** (Honorary Secretary: John Barton) This group was established as a SIG of the JMC on 9th June 2017. MMSA consists of five associations, AMET, ATM, MA, NANAMIC and NAMA. NCETM and The Royal Society also attend meetings. Each subject association covers its own costs for the attendance of two representatives. The MMSA organisations have continued to develop ideas for their possible merger.
12. **Relationships with other bodies** The JMC has the following relationships with other bodies.
- The JMC is a member of the Council for Subject Associations.
- The JMC is a member of the National Council for Voluntary Organisations.
- The JMC also has the following relationships with other bodies as part of which the JMC neither makes payment nor receives payment:
- The London Mathematical Society generously allows the JMC to use its address as the address of the JMC's principal office.
- The National Centre for Excellence in the Teaching of Mathematics invites the JMC to nominate a representative to the National Maths Hubs Forum.
- The Royal Society includes the Chair of the JMC among the members of its Advisory Committee on Mathematics Education.
- The JMC is also represented at other meetings from time to time.
- The JMC has no employed staff or paid consultants.
13. **Public Benefit** The Trustees have had due regard to the public benefit guidance of the Charity Commission of England and Wales when exercising any powers or duties to which the guidance is relevant.

The JMC's finances and governance

14. **Context** Normally, a considerable amount from the subscription income is used to meet the cost of the three meetings each year. With decreased meeting costs due to the pandemic, an increased amount has been spent on JMC infrastructure and commissioned projects as the JMC continues to look for ways to further its objects. The funds relating to the British Congress of Mathematics Education are held in a restricted fund devoted to the holding of such conferences.
15. **Financial Position** The report on the JMC's financial position is included with the Annual Accounts which accompany this report.
16. **Reserves** The Trustees have adopted a policy on general reserves; the 'JMC will maintain reserves of approximately twice the annual ordinary turnover at the financial low-point of the year (typically after payment of November meeting costs, before new year's subscription invoices are paid). The majority of this reserve will be kept in a deposit account and/or other investment account approved by the trustees.'

The Trustees have also adopted a policy on reserves relating to the BCME Restricted Fund; the 'JMC will aim to maintain reserves of 15–20% of BCME turnover, derived from BCME operating surpluses, as a restricted fund which will be (at least largely) kept in the above-mentioned or other deposit/investment account(s) over periods of low BCME-related activity. The manner of such investment will be approved by trustees, who will endeavour to steward such monies prudently.'

17. **Grant Making** Apart from the bursaries to BCME and its involvement in organising bursaries for those attending the International Congresses of Mathematics Education which are also held every four years, the JMC does not make grants.
18. **Social Investment** The JMC does not make social investments.
19. **Constitution** The Constitution was amended to allow General Meetings to be held electronically (online).
20. **Bye Laws** The Trustees have reviewed the JMC's Bye Laws during the year.
21. **Policies** The Trustees have reviewed the JMC's policies during the year. With much of the money that might be invested being in the BCME Restricted Fund, a detailed policy on investments needs to be drawn up now the BCME review is complete.

The Bye Laws and policies, as well the Constitution, can be found at <http://www.jmc.org.uk/documents.htm>.

During the year the Trustees have reviewed the risk register.

Declaration

21. **Approval** The trustees declare that they have approved the trustees' report above.

The JMC has no corporate trustees. No trustee holds title to property belonging to the JMC. The JMC does not act as a Custodian Trustee for any other charity.

What does the JMC do?

5. **Objects** The JMC's Constitution states that 'The objects of the Council are, for the public benefit, to advance the knowledge, understanding, study and education of the public in the subject of mathematics, including by:
- sharing knowledge, best practice and teaching methods amongst individuals and organisations teaching mathematics; and
 - liaising with mathematical bodies, national education policy makers and government in furthering the objects.'
6. **Incorporation** The JMC was incorporated on 20 January 2017 as a Charitable Incorporated Organisation. It is the successor to the unincorporated Joint Mathematical Council of the United Kingdom which was founded in 1962 and first met in 1963. The old body was dissolved on 17 August 2017 and the minutes of its final meetings, its final report and its final accounts were approved at the meeting of the new body on 14 November 2017.
7. **Meetings** For the furtherance of its objects, the JMC normally holds General Meetings three times a year to promote communication between mathematical bodies in the United Kingdom. General Meetings were held on 12 November 2020 (which was also the Annual General Meeting), 16 February 2021 and 8 June 2021. Meetings of the Trustees preceded these meetings. The General Meetings received reports from Participating Bodies and Observing Bodies as well as from JMC representatives on external bodies, and discussed issues of concern raised. The afternoon sessions were given over to the discussion of topics: Mathematics Education and Gender (12 November); the Impact of COVID-19 (on mathematics education) (16 February); The Use of Digital Technology in Mathematics Education) (8

June). An additional General Meeting was held on 17 March 2021 solely to discuss the planned Institute of Teaching in England. Due to the COVID-19 pandemic, all meetings were held online. The minutes of meetings are published on the JMC website, www.jmc.org.uk.

8. **Commissioned Reports** The final report on *Additional mathematics papers for entry to English universities: Their role, purpose and impact* (Jennie Golding, UCL Institute of Education) was received in September 2020. The report is available on the JMC website, <https://www.jmc.org.uk/2020/08/06/news-article-number-2/>.

Two projects have been commissioned for reporting in the latter part of 2021. These are *Mathematics education 5-14 and gender: Affect, attitudes and aspiration* and *Mathematics education 14-18 and gender: Participation and attainment*.

9. **British Congresses of Mathematics Education Committee** The JMC recognises that there is a changing landscape for professional development and consideration needs to be given to a more radical shift in how such events might be organised.
10. **International Congresses of Mathematics Education Bursaries Committee** (Chair: Chris Budd) International Congresses of Mathematics Education are scheduled to be held every four years. ICME-14 was due to be held in Shanghai in 2020. Due to the COVID-19 pandemic this was postponed and a hybrid event was held in July 2021. Bursaries awarded for travel and accommodation are to be recovered and the funds returned to the Institute of Mathematics and its Applications and the London Mathematical Society.
11. **Meeting of Mathematics Subject Associations Special Interest Group** (Honorary Secretary: John Barton) This group was established as a SIG of the JMC on 9th June 2017. MMSA consists of five associations, AMET, ATM, MA, NANAMIC and NAMA. NCETM and The Royal Society also attend meetings. Each subject association covers its own costs for the attendance of two representatives. The MMSA organisations have continued to explore their possible merger.
12. **Relationships with other bodies** The JMC has the following relationships with other bodies.
The JMC is a member of the Council for Subject Associations.
The JMC is a member of the National Council for Voluntary Organisations.

The JMC also has the following relationships with other bodies as part of which the JMC neither makes payment nor receives payment:

The London Mathematical Society generously allows the JMC to use its address as the address of the JMC's principal office.

The National Centre for Excellence in the Teaching of Mathematics invites the JMC to nominate a representative to the National Maths Hubs Forum.

The Royal Society includes the Chair of the JMC among the members of its Advisory Committee on Mathematics Education.

The JMC is also represented at other meetings from time to time.

The JMC has no employed staff or paid consultants.
13. **Public Benefit** The Trustees have had due regard to the public benefit guidance of the Charity Commission of England and Wales when exercising any powers or duties to which the guidance is relevant.

The JMC's finances and governance

14. **Context** Normally, a considerable amount from the subscription income is used to meet the cost of the three meetings each year. With decreased meeting costs due to the pandemic, an increased amount has been spent on JMC infrastructure and commissioned projects as the JMC continues to look for ways to further its objects. The funds relating to the British Congress of Mathematics Education are held in a restricted fund devoted to the holding of such conferences.
15. **Financial Position** The report on the JMC's financial position is included with the Annual Accounts which accompany this report.
16. **Reserves** The Trustees have adopted a policy on general reserves; the 'JMC will maintain reserves of approximately twice the annual ordinary turnover at the financial low-point of the year (typically after payment of November meeting costs, before new year's subscription invoices are paid). The majority of this reserve will be kept in a deposit account and/or other investment account approved by the trustees.'

The Trustees have also adopted a policy on reserves relating to the BCME Restricted Fund; the 'JMC will aim to maintain reserves of 15–20% of BCME turnover, derived from BCME operating surpluses, as a restricted fund which will be (at least largely) kept in the above-mentioned or other deposit/investment account(s) over periods of low BCME-related activity. The manner of such investment will be approved by trustees, who will endeavour to steward such monies prudently.'

17. **Grant Making** Apart from the bursaries to BCME and its involvement in organising bursaries for those attending the International Congresses of Mathematics Education which are also held every four years, the JMC does not make grants.
18. **Social Investment** The JMC does not make social investments.
19. **Constitution** The Constitution was amended to allow General Meetings to be held electronically (online).
20. **Bye Laws** The Trustees have reviewed the JMC's Bye Laws during the year.
21. **Policies** The Trustees have reviewed the JMC's policies during the year. With much of the money that might be invested being in the BCME Restricted Fund, a detailed policy on investments needs to be drawn up now the BCME review is complete.

The Bye Laws and policies, as well the Constitution, can be found at <http://www.jmc.org.uk/documents.htm>.

During the year the Trustees have reviewed the risk register.

Declaration

21. **Approval** The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Chris Chipperton

Secretary

2 October 2021

JMC Accounts for 01 August 2020 – 31 July 2021

Opening current account balance, 01.08.2020: £10354.32				
Income		Expenditure		Budget
Subscriptions (all requests received)	12110.00	JMC rep expenses	0.00	600.00
		Officer and co-opted expenses	0.00	3000.00
		JMC Meetings	0.00	5000.00
		Insurance	366.00	400.00
		Logo design	500.00	
		Internet	259.20	
		(and) website	2895.00	2300.00
		CfSA	200.00	200.00
		Projects	0.00	8000.00
		Speaker expenses	0.00	1600.00
		Payment ICME	235.00	500.00
Total	12110.00	Total	4455.20	21600.00
Balance as at 31.07.21: £18009.12				
Committed expenditure within current account balance: £215 for ICME bursaries, £8000 for projects.				
Uncommitted current account balance 31.07.2021: £9794.12				

The accounts have been independently examined, and verified, by the Treasurer of AMET.

Note that remote meetings of JMC and associated bodies have had a significant effect on our operational budget, with no expenditure on trustee or speaker travel, meeting room and refreshment costs, or JMC attendance at other meetings. Planned development of the website and associated expenditure was more expensive than anticipated, but the new website is now operational and no further expenditure is anticipated in the near future. Low meeting expenditure means we can undertake small projects without dipping into reserves; nevertheless, the intention is to reduce the deposit account balance over time, rather than raise subscription levels.

Balance in JMC deposit account, 31.07.21: £16,733.34

Monies restricted to activity associated with BCME:

Balance in Teachers BS account, 31.07.21: £45,385.11 (restricted fund for BCME related activity)

Balance in BCME current account, 31.07.21: £573.96 (restricted fund)

One item for ongoing trustee consideration should be the range of purposes for which BCME money might be used.
