Trustees' annual report

The trustees present their report together with the financial statements of the charity for the year ended 31st March 2021. The financial statements of the charity have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019), referred to as the Charities SORP (FRS 102) (second edition – October 2019).

The reference and administrative information on page 2 form part of the Trustees' Report.

1. Structure, governance and management

The Big Yellow Foundation ('the Foundation') is a charitable incorporated organisation ('CIO'), with a Constitution dated 28th October 2016 and is a registered charity, number 1171232.

Big Yellow Group Plc has continued to provide in-kind donations to help with the general running of its day to day activities. The Foundation has settled Audit fees and bank charges directly.

The power of appointing new or additional trustees is vested in the trustees. Trustees appointed by the Big Yellow Foundation shall always be in the majority. There must be at least three Foundation Trustees - there is no maximum number of Foundation Trustees. Trustees shall serve in office for three-year terms. A Trustee who has served for three consecutive terms of three years may not be reappointed for a fourth consecutive term. This has been the first full year in post for the Foundations external trustee, Jess Pallot-Cook, who was welcomed to the Board of Trustees in July 2019.

Trustees are empowered to apply the income of the Foundation in accordance with the Foundation's objectives and the recommendations of the advisory council (The Steering Committee). Both the board of trustees and the Steering Committee meet quarterly (separately) to deal with matters arising and formally approve grants.

The Foundation has no employees but uses the services of a number of Big Yellow employees to manage day-to-day arrangements, such as managing meetings and financial reporting. The Foundation's accounts show these services as 'in kind' donations. The Foundation is not required to pay Big Yellow Group Plc for these services.

Trustees, members of the advisory council and the Administrator will strive to avoid any conflict of interest between the interests of the Foundation on the one hand, and personal, professional, and business interests on the other. This includes avoiding actual conflicts of interest as well as the perception of conflicts of interest. These conflicts of interests must be declared and documented.

Trustees' annual report (continued)

2. Objectives and activities for the public benefit

When reviewing the Foundation's aims and objectives and setting the grant making policy for the year and in planning future activities, the trustees have had regard to the Charity Commission's guidance concerning the Charities Act 2011 requirement relating to the public benefit requirement. The objectives of the Foundation are set out below and are geographically restricted to England, Scotland and Northern Ireland. The overall intention of the Foundation is to formalise and extend charitable activities associated with Big Yellow Group, through providing a charitable structure and a clear basis of support from Big Yellow Group, including through matched funding.

The Foundation seeks to make grants and offer placements within Big Yellow Stores in order to support charity partners who rehabilitate and relieve unemployment for the public benefit.

By the 31 March 2021 the Foundation has partnered with and supported the six charity partners selected during FY2017/18, namely:

- The Down's Syndrome Association Registered Charity number 1061474
- Hire a Hero Registered Charity number 1143606
- The Back Up Trust Registered Charity numbers 1072216 & SC0405577
- Bounce Back Registered Charity number 1144297
- Breaking Barriers Registered Charity number 1161901
- St Giles Trust Registered charity number 801355

It has also added a seventh charity partner during the financial year and has made three quarterly grants.

- Street League Registered Charity number 1101313 & SC038884

The Foundation does not accept applications for grants from charities other than its seven charity partners.

The Foundation's primary means to carry out its objectives is to award grants across a small group of established charity partners.

During the year the Foundation has made grants available to the seven charity partners above and details are shown in note 5 of the accounts.

Unrestricted grants are paid to the Foundation's charity partners and can be used for any purpose the charity partner determines to ensure the running of the organisation.

The Foundation has also chosen to invite its charity partners to apply for targeted funds, which The Back Up Trust, Breaking Barriers and The Down's Syndrome Association have taken up. A targeted fund may only be used for the purpose the charity partner declared when applying for it. The charity partner is asked to evidence how the funds provided achieved the expected outcome.

Trustees' annual report (continued)

2. Objectives and activities for the public benefit (continued)

- The Back Up Trust: The Foundation funded building of a Mentoring Scheduling Software. The software would automate the administrative tasks that are currently manually completed by the mentoring team. Automating these processes will improve the team's capacity by at least 50%. The Back Up Trust successfully implemented the software and reported in January 2021: 'This funding couldn't have come at a better time. We are in the final stages of negotiating a data sharing agreement with the NHS England. This will allow individuals data with a new injury to be passed over to us. We know this will increase the number of people we support and this new software which you have funded gives us far greater capacity, whilst keeping our staff team the same.'
- Breaking Barriers: The Foundation paid a further £7,000 to launch a project to provide grants for refugees to enrol on training courses and attain accreditation. Half of the £7,000 was paid as part of the 2nd instalment of the pilot established during 2019/2020. The second amount was a further request made by Breaking Barriers, which the Foundation granted on condition that Breaking Barriers found further donors to match our amount, which they did.
- The Trustees approved a £5,000 grant to be made to the Down's Syndrome Association to help the DSA celebrate their 50th birthday by co-sponsoring their annual football tournament. As the event could not be held due to the Pandemic, the Trustees intend to pay that grant once the event can be held.

By partnering with the seven charities our grants help towards:

1. Supporting offenders and ex-offenders to rehabilitate.
2. Supporting refugees to rebuild their lives.
3. Supporting service leavers and veterans make transition into civilian life.
4. Supporting those with a long-term disability.
5. Supporting individuals from disadvantaged backgrounds into work.

**The Big Yellow Foundation
Annual Report and Financial Statements

Trustees' annual report (continued)

3. Achievements and performance

The Financial Year ending 31 March 2021 was the Foundation's third full year. Against a challenging backdrop with the Pandemic affecting the UK during the year, the Foundation continued to grow raising £238,078 and awarded grants totalling £145,750 to our seven charity partners.

The Foundation was able to cover its own expenses with regards to auditing fees, bank charges etc. The Big Yellow Group continued to provide donations in kind.

The Foundation is particularly grateful to the Big Yellow Directors and the Non-Executive Directors who made personal donations during the year of £60,900.

Big Yellow Foundation income split – by income stream 2020/2021

Trustees' annual report (continued)

4. Financial review

The Foundation's income – and therefore the grants it is able to pay – is reliant on the Big Yellow Group. The Big Yellow Group consists of all companies within the Group which includes its associated companies Armadillo 1 and Armadillo 2 of which Big Yellow Group Plc owns a 20% shareholding. The Big Yellow Group Plc accounts are publicly available from Companies House, Crown Way, Maindy, Cardiff CF14 3UZ. The two main sources of income are Customer Donations and Move In Donations. Customer donations are received from customers during move in and move out from all companies within the Group. Move In Donations of £1 are received each time a customer moves into any company within the Group. If Move In donations are lower than customer donations at the yearend Big Yellow will match this to ensure the Move In Donation is equal to the Customer Donations.

To a lesser extent, the Foundation is also reliant on employee fundraising donations (from all employees within the Group) and the matched amount from Big Yellow Group (up to £5,000 per event), and other fundraising within the Foundation.

During the year, the Trustees received quarterly updates on donation performance from Big Yellow Group Plc and noted that as the stores were increasingly confident including a donation request into their customer conversations, the overall conversion rate increased. At the end of March 2021, the customer donation average conversion rate had reached an all-time high of 37.3%.

This year has been a challenging one for us due to the Covid-19 pandemic – and the necessary lockdown restrictions imposed on us all. Some of our friends, colleagues and partners have experienced personal family losses as a result of the pandemic, and we would like to take a moment to remember all of those who have been affected.

We would like to thank Big Yellow for the continued funding and in particular we would like to thank Big Yellow's Directors and Non-Executive Directors for their generous personal donations totalling £60,900.

A big thank you also goes to our charity partners for their dedication and hard work in supporting their clients in the face of the pandemic and lockdown controls. With the NHS vaccination programme well underway, we sincerely hope we will soon be able to live with fewer restrictions in our daily lives.

Our charity partners faced a two-fold challenge:

- Finding alternative solutions to supporting their clients as services could no longer be delivered face to face; and
- Finding alternative income to replace fundraising from large fundraising events, such as the London Marathon.

We are pleased that we have been able to remain a reliable source of income to all of our partners and are pleased to report that all remain active.

At the beginning of the Pandemic in early 2020, Big Yellow experienced a drop off in customer move-ins. To make up for that loss in funding, in April and May 2020, Big Yellow Group Plc made additional contributions to top up to £6,000.

The Big Yellow Foundation Trustees would like to thank Big Yellow and the Directors very much for their most generous support.

Trustees' annual report (continued)

5. Reserves policy

General Principle: The Big Yellow Foundation intends to pass on as much of the funds raised as possible and intends to hold up to 3 months projected yearly income as reserves.

The intention is for new charity partners to be funded from income growth, however, holding reserves provides the Big Yellow Foundation with a certain amount of flexibility in that respect.

The aim of the reserves is to:

- Smooth out grant giving spikes for its charity partners – particularly given the economic uncertainty and / or;
- Provide grants to new charity partners where the board agrees to set aside the principle of funding new charities from growth and/ or;
- Provide targeted grants to existing charity partners to support individual, specific projects or pieces of work and/ or;
- Provide a contingency in the case of unplanned events, e.g. an unexpected dip in income to the Foundation

Due to the ongoing Pandemic and the expected, longer-term resulting negative economic impact, the Trustees feel maintaining higher reserves is prudent and reflects the long-term interest we have in our charity partners. The Trustees have confirmed that a reserve of ca £45,000 is appropriate and will look to distribute available cash funds it holds above that amount.

6. Plans for the future

The Foundation continued its very successful customer fundraising activities at all Big Yellow and Armadillo stores during the year. A number of stores have been particularly successful, achieving a conversion rate of over 63%.

We will continue to work with the business to encourage store teams to improve on their conversion performance, showcasing and celebrating success through the Company Awards, Yellow blogs and features and mentions in The Bigger Space Newsletter.

With restrictions due to the Pandemic easing, we hope Big Yellow and Armadillo employees will be able to reprise their fundraising activities for the Foundation.

Tom Wilcockson has been asked to manage the partnerships between the Foundation's charities and Big Yellow to enhance the benefits our charities get when working with us. We look forward to developing some of these early initiatives further during the year.

Trustees' annual report (continued)

7. Risk management

The trustees annually review the risks the Foundation faces, which mainly relate to the continued strong performance of Big Yellow Group Plc and its customers' willingness to donate. Regular meetings are held with the Trustees and management accounts produced monthly to review performance against the budgets.

It is worth noting that the Big Yellow Foundation has very low fixed costs; it does not employ staff and the grants it makes to its charity partners are not 'guaranteed'.

The crisis caused by the Covid Pandemic has shown that the Trustees are risk averse and are keen to ensure reserves are in place to smooth out spikes and troughs in our income to allow the Foundation to keep paying regular grants to its charity partners.

8. Independent examination

The trustees consider that an audit is not required for this year (under section 144(2) of the Charities Act 2011) as the gross income did not exceed £500,000 and is unlikely to do so in the foreseeable future. The trustees have elected to have an independent examination of the accounts rather than an audit and this is carried out by Chittenden Horley Limited.

The trustees who held office at the date of approval of this trustees' report confirm that, so far as they are each aware, there is no relevant information of which the independent examiner is unaware; and each trustee has taken all the steps that he or she ought to have taken as a trustee to make him/herself aware of any relevant information and to establish that the Charity's independent examiner is aware of that information.

The report was approved by the trustees on 13th December 2021 and signed on their behalf by:

James Gibson
Trustee

The Big Yellow Foundation
Annual Report and Financial Statements
31 March 2021

Statement of trustees' responsibilities in respect of the Trustees' Report and the financial statements

Under the deed of trust and rules of the charity and charity law, the trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the net movement of funds for that year.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and Statements of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the deed of trust and rules, subject to any material departures disclosed as explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are required to act in accordance with the trust deed and the rules of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and enable the trustees to ensure that, where any statements of accounts are prepared by them under section 132 of the Charities Act 2011, those statements of accounts comply with the requirements of regulations under that provision. They have general responsibility for taking steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

Independent Examiner's Report to the Trustees of The Big Yellow Foundation

I report to the charity trustees on my examination of the accounts of the charity for the year ended March 31 2021 which are set out on pages 11 to 19.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

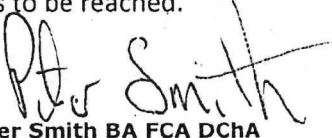

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

1) Accounting policies

The following accounting policies have been applied consistently in dealing with items which are material in relation to the charity's financial statements.

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective January 1 2019 (second edition – October 2019); FRS102, and the Charities Act 2011 and applicable regulations. The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note to these accounts.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on July 16 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely granted to a specific charity.

**The Big Yellow Foundation
Annual Report and Financial Statements
31 March 2021**

Notes to the accounts

1) Accounting policies (continued)

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accrual basis. Expenditure is classified under the following activity headings:

Costs of raising funds:	including those associated with fundraising activities.
Charitable activities:	costs of undertaking the work of the charity.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Foundation. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Estimates and judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors

Trade and other debtors are recognised at the settlement amount due and prepayments are valued at the amount prepaid.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

Annual Report and Financial Statements
31 March 2021

Notes to the accounts

10) Grant commitments

There were no other grant commitments at the year end, other than provided for in creditors (note 8).

11) Corporation Taxation

The charity is exempt from tax on income and gains under Income Tax Act 2007 and Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

12) Related party transactions and trustees' expenses and remuneration

The trustees and members of the advisory council all give freely of their time and expertise without any form of remuneration or other benefit in cash or kind. No expenses were paid to the trustees in the year.

J Gibson chair of the Trustees is a shareholder of Big Yellow Plc and director of its trading subsidiaries. He has not benefited either in the charity or in Big Yellow Group Plc from any transactions or arrangements between the Charity and Big Yellow Group Plc and its trading subsidiaries.
