Summary of the main achievements of the charity during the year

The Charity is dormant since Covid. We are unwilling to restart operations until we have secured an outdoor venue from which to conduct operations. The Trustees have been conducting an extensive search for such a venue.

The Trustees have now abandoned this search as we have exhausted every avenue open to us within the Charities operating area.

We have written to every landowner with a body of water on their land in Teesdale and Weirdale – none are willing to let the club use their water to conduct the club's charitable activities.

Local business Wittton Castle worked with us for almost two years but dropped us just before we were due to sign an agreement with them in favour of a commercial operator.

As a result we agreed on the 22nd Oct 2024 to wind up the club from January 2025. We agreed to sell club assets or donate them to relevant local charitable bodies who could use them.

The final financial proceeds plus the club cash reserves were agreed to be split in two and donated to our two local Search and rescue organisations – Swaledale Search and Rescue and Teesdale and Weerdale Search and Rescue.

Achievements and performance

Summary of the main achievements of the charity during the year

The club has not operated for the last two years because our only venue is a swimming pool and with covid this has not been compatible with the volunteer coaches aspirations. We have sourced a safe, accessible outdoor location for summer use to provide a complementary coaching location to the pool. However negotiations with the landowner are proving protracted and slow.
