Activities:

During this year the organisation appointed one additional trustee, Mr Chris Leslie.

We have continued to develop partnerships with Irwell Valley Homes, Trafford MBC and St Marys Magdelene Church.

Work was completed to scope possibilities of a community led housing project utilising funding from Groundwork UK

Public benefit – We have continued public consultation with residents of the area in relation to a new build community facility. This has resulted in a Community Benefit Society being established in the area that will drive the project forward.

In the coming year we plan to update the objectives and identity of the CIO to ensure that there is no duplication with the newly formed community benefit society that has been established in the area.
