- African descents people and African communities based in greater London and in England.
- Black ethnic minorities.
- Refugees and Asylum seekers
- Socially disadvantaged people
- Children, Youths and Women, Parents and the General Public.

4) OBJECTS:

To promote any charitable purposes for the benefit of the public, in particularly but not exclusively, for the benefit of people of African descent and African ethnic minorities living in Great London and England, in particular but without prejudice, to the generality of the following:

- 1. The relief of poverty and sickness;**
- 2. The relief of unemployment;**
- 3. The advancement of education in the art of music, dance, drums, drama, theatre, comedy, creative writing, painting, sculptures, ceramic and cinema;**
- 4. The preservation and protection of good health: and**
- 5. The provision and protection of facilities for recreation or leisure time occupation for persons who have need of such facilities by reason of their age, infirmity, disablement, poverty or social or economic circumstances with the object of improving their conditions of life.**

5) REVIEW OF THE YEAR: 2020 - 2021

A) CHAIR'S REPORT:

The year 2021 has not been a very busy year for the BA MAMANS BOLINGO NUMBER 1 organization, given that we did not receive any funding and grants as expected, so we still in the process of applying for grants, then we still waiting for more funding to come through that would enable the organization to fulfill its aims and goals as planned.

B) FINANCES:

It has been very difficult for our organization to get funds from different funding bodies and grants making organizations, as many applications for grants and funding were made to various funding sources, but none of them was successful.

However we worked very hardly throughout the year in order to try and get some kind of funding that would have helped our organization to secure and then establish a proper and strong income for a better future of the financial situation of the organization.

C) ORGANISATIONAL DEVELOPMENT:

So given the actual state of the financial situation of our organization, we were not able to provide as much as possible different kinds of projects and activities on the behalf of the community as we have planned to do. We took advantage of taking part in different kinds of trainings ran by the Brent Council for Voluntary Service organization, in order to enable the members of our committee management to become more effective and capable to run and implement well the work of our organization.

D) Planning for a better future: We will make various contacts with different larges organizations and voluntary groups based in the community, in order to liaise and then work together in a bid to try and create a strong partnership that would enable our organization to grow up, to be well established and then secure a better and strong future.

6) ACHIEVEMENT OF THE YEAR:

During the year 2021, we have been working hardly about different issues that will allow our organization to exist and function for a better future.

The following works and Activities have been carried out:

- **Various Contacts and meeting** have been made with: -Different Voluntary organizations and Community groups such as: Waltham forest Voluntary action, Brent Council for voluntary Service, BEMA, Central African Association for Development. – College Art organization. – Different Schools and Training organization that will help us to have information on different training courses needed by the committee members of our organization.
- Contact with different Funders in order to try and raise the money that will help the organization to implement its objectives. – General public in a bid to inform the people about the activities and works we do. Different artists from different African Countries. – The community, in order to try and communicate with the people, to creating a good relationship and to get support and information about the kind of help and needs they will want from our organization.
- Criminal records for the trustees were checked by the D.B.S.
- Some members of the management committee took part in different training courses, and also have qualified for certificates of achievement in different subjects such as: Child protection; First Aid; Responsibility of Chair and management committee; Minutes; Immigration matters; Employment laws; Health and safety issues; Business and strategy; Fund-raising strategies; Project management; PQASSO, Charity accounts (SOFA), etc...
- **ACCOUNTS:**

INCOMES: This year, we did receive grants from the Awards for all, Big lottery funds.

Expenses: We did mainly spend money on the administration and running cost of the organisation as we did not run much charitable activities due the lack of funding.

Audited Accounts: Given the actual state of our financial situation, we are not able to provide an account prepared by a professional accountant as requested by the charity law, so following on the lower income for this year, we have been able to prepare a breakdown of income and expenditure made by the treasurer of the organization.

- **ACTIVITIES:**

Workshop activities: We organized and held some workshops to talk about COVID-19 PANDEMIC.

We organised and ran training courses about: Creative Writing and reading lessons for children and Young persons of the BME living in the Waltham forest borough, we also run a project about social scrable for young adults living in Waltham forest.

Recreational and Social cultural activities: we organized and presented an event called: Taste of African arts and cultures, these activities involved the presentation and performance of music, dance, drums, comedy and spectacle by different young artists from the community at the end of the creative writing and reading project.

CARNIVAL: We took part in Waltham forest carnival: We presented the African music, dance, and theatre, Foods, and Drinks.
