Achievements and Performance

| | SORP reference | |
|---|----------------|---|
| Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole. | Para 1.20 | <p>After the effects of covid we found that many families and children had become more anxious and withdrawn with more children being behind with speaking and communicating . We arranged some support for individual families that were struggling more than others. We offered some parenting session for some vulnerable families that had been stuck in small flats. These children that had been identified with language delay were given extra support and they progressed and reached their full potential when transition to primary schools. Our staff had speech and language training and refreshed Makaton training. Makaton is used continually to help all children .it is also very good for children with English as a second language. Our children that where diagnosed with additions needs 2 of them were awarded EHCP plans that we supported . We also support many other children that had other needs. All staff did first aid training ,we then decided it we be great for the nursery to provide a defibrillator in the local area which would be accessible to the church as well . We raised enough money to do this by holding different events in the community . All children that attended littlepips over the accounting period had achieved and reached their full potentials. All staff were well monitored for their personal development and their well beings . we have become well known in the local area through our work with children with SEN especially .</p> |
