Achievements and Performance

	SORP reference	
<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>The Ladies and Gents facilities are available from 7am to 7pm, every day with a single unisex toilet available outside these hours thus providing facilities 24 hours a day. The disabled toilet is open 24 hours a day, 7 days a week and is accessible via RADAR key. These facilities are provided free of charge and have been available every day throughout the year, apart from when they are closed for modernisation work, when alternative facilities are made available. These are the only free public conveniences in Pangbourne and surrounding villages that provides 24 hour, year round facilities. Our users cross all demographics. The facilities are particularly valued by workmen/women who do not have access to other facilities.</p> <p>The facilities are checked each week by a rota of volunteers. This is a requirement of our Building and Public Liability insurance to ensure that issues are identified and dealt with in a timely manner. Minor maintenance has been carried out by Trust volunteers. This has included, fixing sticking doors, replacing failed lights, replacing faulty usage counters, replacing damaged donation boxes and maintaining shrubbery beds adjacent to the facility. Such work not only ensures that the facilities are maintained to an acceptable standard, but also reduces costs for the Trust.</p> <p>The usage counters show that the facilities have been used almost 28,000 times during the year.</p>

		<p>Our voluntary donation boxes are receiving around £21 per week (£1,100 per year). Both these show that the facilities are really valued by the local community.</p> <p>The Trust set itself a target to raise a minimum of £12,500 to ensure it had sufficient funds to cover the running costs for the following year before committing to a further 12 month cleaning contract. This was achieved.</p> <p>It was always the Trust's intention to build up a surplus of funds each year (over and above the running costs) to fund a refurbishment/modernisation of the facilities.</p> <p>A full modernisation of the Disabled toilet was completed in 2020, the modernisation of the Ladies completed in 2022 and the modernisation of the Gents in 2024.</p> <p>We have received very positive feedback from our users following the modernisation. Voluntary donations have increased by 75%, and the use by over 2,000 pa from previous years.</p>
