# L21 Community Judo Club Annual Trustee Report

During this financial year we have made a loss to the charities finances due to rising costs and additional items having to be added to the centres security measures.

Although we have tried hard to reduce our outgoings we have still struggled to make our bill demands, it has by far been the hardest year we have had.

We have continued our work with the CIC trading from the centre in the form of community gatherings, bingos, Christmas table sales and other activities.

We have sadly lost some centre users due to rising costs beyond our control.

We have also tried to keep supporting as many children into sport that we can offering many free lessons to local school children, hoping to increase fitness and self worth.

This year seen us look to replace windows, have a repaint of the main hall and the main reception was remodelled to have a larger area for local residents have a chat and a relaxing hot drink, we introduced a new unisex toilet option that allowed us to remove one set of toilets and make the larger area possible.

**TRUSTEES REPORT 2020-2021**  
**L21 COMMUNITY JUDO CLUB 1171428**  
**c/o 33 SANDHURST CLOSE, SEAFORTH, LIVERPOOL. L21 0GW**  
**TONY McKEON, PAUL BENSON, TONY O'NEIL**

**Charity Structure**

Our structure is one of three trustees with Tony Mckeon also being our Chairman.

Paul Benson also our treasurer,

And Tony O'Neil.

Together we decide how to best run the charity in the interest of our local residents with children being our primary target. With there being an odd number of trustees this helps with the decision making process as there is always a majority decision, together we discuss any options presented to the charity and discuss the options before voting.

We decided to have only three trustees at the moment with our recruitment process being that we were best suited to people who have been around the judo club for some time so therefore know how we are within the community and how we work as a judo club within it.

**The Years Activities and Objectives**

This year was our worst to date as Covid 19 closed us for the whole of the year, all our groups were unable to practise or even be in the centre in the numbers required.

Our only aim was to able to open up again once restrictions eased.

**Achievement's**

Unfortunately, due to Covid 19 restrictions we were unable to achieve anything this year.

**Finances**

This year we made £0 in profit.

We currently have a reserves policy of £3000

Debts this year are at £5000 est.
