

TRUSTEES REPORT 2020-2021
L21 COMMUNITY JUDO CLUB 1171428
c/o 33 SANDHURST CLOSE, SEAFORTH, LIVERPOOL. L21 0GW
TONY McKEON, PAUL BENSON, TONY O'NEIL

Charity Structure

Our structure is one of three trustees with Tony Mckeon also being our Chairman.

Paul Benson also our treasurer,

And Tony O'Neil.

Together we decide how to best run the charity in the interest of our local residents with children being our primary target. With there being an odd number of trustees this helps with the decision making process as there is always a majority decision, together we discuss any options presented to the charity and discuss the options before voting.

We decided to have only three trustees at the moment with our recruitment process being that we were best suited to people who have been around the judo club for some time so therefore know how we are within the community and how we work as a judo club within it.
