

Charity Number 1171509

Trustees Annual Report 2024-2025.

The trustees of JazzPsalms for Peace have voted to make further efforts to develop the charity and create a platform for further performances of David Gordon's seminal pieces. We will endeavour to find choirs who would be interested in performing with us to a multi-faith audience.

We remain committed to providing a welcoming space for the different faiths to come together to enjoy music together and to celebrate what we share rather than what divides us.
