Trustees' Annual Report - Year Ended 31 March 2021

Structure, governance and management

Charity Status and Structure: Selsey Pavilion Trust ("the Charity") is a charitable incorporated organisation governed by its constitution registered with the Charity Commission in England and Wales on 7 February 2017. The trustees are the members of the Charity.

Recruitment, Appointment and Training of Trustees: Trustees are recruited from those who share the Charity's aims and aspirations and who bring a breadth and depth of experience and skills to the trustee body. Prior to appointment trustees are briefed on the Charity's activities and complete Fit and Proper Person forms and Declarations of Interests. Trustees are given appropriate training both to understand their responsibilities as trustees and to maintain their knowledge.

Risk Management: The trustees identify the major risks to which they believe the Charity is exposed and put in place systems to minimise those risks.

Governance: The overall responsibility for the Charity rests with the trustees who endeavour in all they do to apply the Charity Governance Code and the Nolan principles (selflessness, integrity, objectivity, accountability, openness, honesty and leadership). Furthermore believing that corruption, bribery and unfair actions hamper development and impede progress they insist on integrity in all aspects of the Charity's activities.

Objectives and activities The Charity's objects are:

- The provision and maintenance of Selsey Pavilion for the use of the inhabitants of Selsey without distinction of political, religious or other opinions including use for (a) meetings, lectures and classes and (b) other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the inhabitants.
- The promotion of art for the benefit of the public by assisting in and supporting the provision of arts activities.

Public benefit The trustees have paid due regard to the Charity Commission's guidance on public benefit.

Achievements and performance During the year the Charity continued discussions and plans for Selsey Pavilion but did not enter into any commitments.

Financial review During the year to 31 March 2021 the Charity received £48 income and incurred no expenditure (2020 no income and no expenditure).

Reserves policy The Charity has not yet set a reserves policy.

Pay policy and procedures The Charity has no employees and therefore has not set a pay policy. Trustees do not receive any payment or benefits for their work either as trustees or as volunteers.

Investment policy Funds not required for current needs may be invested in investments of any kind at the absolute discretion of the trustees.

Fundraising The Charity has begun limited fundraising activities via Amazon Smile and the sale of illustrated prints of the Selsey Pavilion.

Plans for future periods The Charity will continue planning for the future of Selsey Pavilion.

Trustees' responsibilities statement The trustees are responsible for preparing the trustees' report and the financial statements. They are also responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity. Further they are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 10/01/2022 and signed on behalf of the trustees by:
