Emmaus Staffordshire

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 June 2023.

Objectives and activities

Objects and aims

The principal objective of the charity is the advancement of alleviation and relief of poverty, hardship and distress to those in need.

Emmaus exists to provide homeless people (known in Emmaus as "Companions") with work, accommodation and the chance to regain their self-respect and to pursue their lives in the community or in the outside world. Emmaus Staffordshire is currently working towards this objective through offering training and employment opportunities for which it has obtained additional funding this year.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Public benefit

Emmaus Staffordshire has continued our work to address furniture poverty and support local people to move towards a more sustainable future.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

Over the year we have worked hard to develop our new warehouse and retail premises to enable us to continue our work to address furniture poverty and support local people to move towards a more sustainable future. In May 2023 our shop won the "sustainability award" at the annual Potteries Centre tenants awards for our work in promoting recycling within the centre.

- Over the year we provided essential furniture to over 600 families, over 1,500 individuals, who were referred to us through local partners.
- We saved over 400 tonnes of waste from landfill through the collection of nearly 9500 household items for donation and resale.
- We continued to provide employment and training opportunities within the organisation with the creation of two new Warehouse Operative apprentice roles and Retail apprentice role. Our eBay sales post, held by a previous long-term volunteer, was made a permanent post.
- We obtained Lottery funding to continue to run woodworking workshops to build skills and employability. We worked with a local alternative education provider to extend access to these to 14-18 year old students outside of mainstream education.
- From October to December 2022 we undertook a project with Keele University in which physiotherapy students ran sessions in the workplace for staff and volunteers to improve workforce health and reduce sickness absence.

Financial review

The financial results are shown on pages 7 to 28 of this report.

Emmaus Staffordshire

Trustees' Report (continued)

Policy on reserves

The reserves policy was reviewed during the year, and the board agreed a target of £75,000 in free reserves to achieve the aims of enabling financial stability, meeting the requirements of working capital, and providing a cushion against fluctuations in income. The board will review the level of free reserves annually in line with our activities and commitments.

At the period end the charity had total funds of £176,396 (2022:£161,858)

Restricted funds were £29,414(2022:£60,942)

Free reserves of £145,678 (2022:£99,202)

Principal funding sources

Whilst the majority of our income comes from sales of donated goods plus the "bulky waste" service income and furniture referrals income, we have had some external grants during the year. These were mainly associated with supporting local families:

£44,467 (2022:£40,070) from Stoke on Trent City Council
£11,275 (2022:£6,125) from Staffordshire Community Foundation
£21,940(2022: £14,630) from Emmaus UK
nil (2022:£22,896) from Staffordshire Chambers of Commerce
nil(2022:£1,250) from St Jules Thorn Charitable Trust
nil(2022:£ 500) from Groundwork UK
nil(2022:£ 400) from Neighbourly
£3,000(2022: nil) from Dept of Education
£30,000(2022: nil) from Big Issue Invest

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the trustees wish. The trustees having regard to liquidity requirements of the charity and to the reserves policy, have operated a policy of keeping available funds in an interest-bearing deposit account with the aim to achieve a rate of deposit interest which at least matches or exceeds inflation.

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for future periods

Aims and key objectives for future periods

A key aim for Emmaus North Staffordshire continues to be the establishment of an Emmaus community providing accommodation and meaningful work for people who have experienced or are at risk of homelessness. In the early part of 2023 we were in conversation with a local housing association regarding two of their properties but unfortunately decided we could not pursue these due to financial considerations. We are actively exploring other options to enable us to achieve this.

Alongside this, we are keen to increase awareness of the issue of furniture poverty which is poorly recognised but seriously affects thousands of local people. A particular focus is on children who have no bed to sleep in, and we are exploring links with other charities engaged with this issue around the country.

In order to continue our work to support local people we also need to continue to develop the income-generating aspects of the organisation to provide resources and employment and training opportunities.

Emmaus Staffordshire

Trustees' Report (continued)

Use of volunteers

As a charity, we are very reliant on volunteers to help our enterprise operation each day. We have a regular pool of around 40 volunteers from a whole variety of backgrounds and needs who support every part of our charity. In return, we not only cover bus travel, provide free lunches, and deliver an extensive range of free training for all volunteers, we encourage all volunteers to support each other, to create an inclusive working environment for each volunteer to get the most out of their time with us.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Dr C L Ashworth, Chair
	Mr J B Farrar, Treasurer
	Mr C W Harris
	Mr G H Almond
	Mr R L Speare
	Mr T M Stephenson
	Mr P J M McShane
	Mr A J Gilbertson
	Mr P M Francis (resigned 11 September 2023)
Senior Management / Leadership Team:	John Webbe, Executive Lead and General Manager
	Alan Cox, Warehouse Manager
	Paul Moffat, Sales Supervisor (resigned 10 November 2022)
	Natisha Cooke, Retail Manager (appointed 4 September 2023)

Structure, governance and management

Nature of governing document

Emmaus Staffordshire is a registered charity and a company limited by guarantee and is governed by its Memorandum and Articles of Association.

As a registered charity the company is non-profit making and its directors and trustees are volunteers.

The company was incorporated on 2 February 2017, without share capital and it is limited by guarantee, to a maximum £1 each, payable by its members. The Memorandum and Articles of Association prohibit distribution of any surpluses other than to Emmaus UK.

Recruitment and appointment of trustees

The trustees are appointed by the members of the organisation at the Annual General meeting. Directors/trustees have the power under the governing documents to co-opt individuals who support the objects of the organisation to fill vacancies on the Board of Trustees.

Emmaus Staffordshire

Trustees' Report (continued)

Induction and training of trustees

As part of their induction, new trustees are provided with information about the charity, the management structure, its history and working practices. In addition, they are also provided with copies of the Memorandum and Articles of Association plus information from the Charity Commission and Companies House regarding the duties and responsibilities of directors and trustees,

Arrangements for setting key management personnel remuneration

All salaries are reviewed by the Board of Trustees on an annual basis in April.

Organisational structure

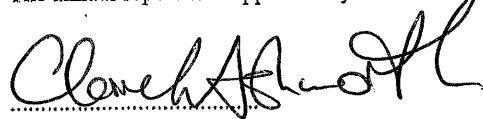

This is a local charity which is a member of Emmaus International, a worldwide organisation with over 425 communities, 30 of which are in the UK.

Day to day management responsibility rests with the management team, which reports to the Board of Trustees. The Board of Trustees meets on a regular basis.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on and signed on its behalf by:

Dr C L Ashworth
Trustee

Emmaus Staffordshire

Independent Examiner's Report to the trustees of Emmaus Staffordshire ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ACMA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Emmaus Staffordshire as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023

1 Charity status

The charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Senate House
Josiah Wedgwood Street
Stoke on Trent
Staffs
ST1 5NT

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Emmaus Staffordshire meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023 (continued)

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023 (continued)

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Computers	20% straight line
Vehicles	25% reducing balance

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Stock

Stock is stated at the lower of cost or 'net realisable value' (NRV). Items held for distribution at no or normal consideration are measured at the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023 (continued)

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023 (continued)

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Emmaus Staffordshire

Notes to the Financial Statements for the Year Ended 30 June 2023 (continued)

The specific purposes for which the funds are to be applied are as follows:

The David and Ruth Lewis Charitable Trust funding is a grant issued towards the purchase of three vans. The vehicles in question are depreciated annually and the fund balance is reduced by an amount equivalent to the year's charge.

The Property Fund is set up to raise money towards the purchase of a property suitable for a new Emmaus Community. It includes donations from Emmaus organisations in St Albans, Preston and Mossley, along with funding from The National Lottery Community Fund.

Stoke on Trent City Council gave us a grant for £4,500 to provide emergency cases with new white goods in 2022.

Chambers of Commerce £22,896 to fund a kickstart salary(2022).

Staffs Community Foundation £6,125 ESF funding to cover the salary of woodwork studio lead (2022) and a further £11,275 in 2022/23.

Stoke on Trent City Council £5,000 to cover the salary of the Volunteer Co-ordinator from Jan to March 2022.

Emmaus UK £14,629.92 funding to cover the salary & associated costs of a new role of eBay online sales lead and a further £21,940 in 2022/23.

Stoke on Trent City Council £35,070 grants towards white goods and packages and a further £7,687 in April 2023.

The National Lottery Community Fund gave us a grant of £10,000 towards our volunteer costs.

Stoke on Trent City Council gave £24,280 for a changing futures grant.

Stoke on Trent City Council gave £1,000 for traineeships.

Keele University gave £2,100 for 4 medical student placements.
