

## **BETHEL GRACE PRAYER MINISTRY**

### **OUR ACTIVITIES**

We continue to support the prison fellowship at Wormwood Scrubs Prisons in the midst of the pandemic.

We make donations and collaborate with the Angel Tree Department of the Prison Fellowship to parcel and present gifts to children of the Inmates, with Rev. Anthony Osei also working assiduously with them.

We were also able to organise a children's Party and a Youth Gathering, to bring them to Christ, which were fully patronised.

### **FINANCES**

This was a very difficult Year where we had to suspend Fellowshiping indefinitely, which seriously affected every department of the Ministry.

### **HOME VISITS**

This was also suspended until further notice.

### **NO ONE BEYOND HOPE**

A suspension was imposed on this as well.

### **WAY FORWARD**

On Line Fellowshiping was established , and we were able to get some few people to worship with. Which is still on going until further notice.

The good news is that we were able to maintain all our trustees as at now.

SANDRA OSEI
