

BETHEL GRACE PRAYER MINISTRY--TRUSTEES

ANNUAL REPORT --2023

OUR ACTIVITIES

We continue to work towards the provision of parcels to the children of the inmates at Wormwood Scrubs prisons. As usual, we participated in the Angels Tree Presents Scheme, coordinated by The Saint Paul's Church (Ealing), headed by Mr. Alan Brown.

We were able to send 15 nicely packed parcels.

FINANCES

Contributions from members were not good online, therefore unable to meet our target this financial year, but were able to donate to the Prison Fellowship and the Great Ormond Street Hospital.

There was the need to support a couple of members who were financially handicapped in pursuance of their education.

BEREAVEMENT

We joined our brother Nathan to bury his mother at the Enfield Cemetery.

EVANGELISM

We were able to go out on three occasions to evangelize. We were short of volunteers.

NO ONE BEYOND HOPE

We have still not been able to effectively carry out this programme, even though Sister Josephine tried her best but couldn't meet expectations due her carrier work load. We hope to find other solutions to improve upon.

MISCELLANEOUS

We purchased a fairly used DeskTop computer with a New monitor to replace the old one.
