2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under historical cost convention, with the exception of investments which are included at the market value and in accordance with Financial Reporting Standard for Smaller Entities (Effective 2015). The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in 2015 and applicable accounting standards.

2.2 FUNDING ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

2.3 INCOMING RESOURCES

All incoming resources are included in the Statement of Financial Activities when the church is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income tax recoverable in relation to investment income is recognized at the time the investment income is receivable.

2.4 RESOURCES EXPENDED

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at headquarters. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made perfect except in those cases where the offer is conditional, such grants being recognized as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the yearend are noted as a commitment, but not accrued as expenditure.

2.5 TANGIBLE FIXED ASSETS AND DEPRECIATION

All assets costing more than £500 are capitalized.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases;
