Annual Return for 06/04/2024-05/04/2025

Charity No- 1171713

Charity name – Promotion of Adult and Children education

A. Background

The charity was set up on 21st Feb 2017 with the following aims

- (a) to advance the education of children (in particular poor and underprivileged children) within India and Africa and such other places as the charity trustees may determine in basic literacy, numeracy and information technology; and
- (b) to advance the education of adults (in particular poor and underprivileged women) within India and Africa and such other places as the charity trustees may determine (i) key transferable skills to help them to gain access to employment and generally to become more self-sufficient and (ii) also in advancement of healthcare issues.

Management issues:

1. During this period, there was no serious incident or risk management issue.
2. During the period covered by this annual return, none of the trustees resigned or took up employment with the charity.
3. During the financial period for this annual return, the charity did not employ any staff or paid any employee benefits.
4. The charity does not have any UK volunteers.
5. The charity has obtained a Disclosure and Barring Service (DBS) check on all trustees.
6. The office and classroom are fully functional. The trustee meetings are held in the office.
7. Leaflets and educational materials –The trustees are working on this. This endeavor has been slow because of current pandemic issues.
8. Meetings - The trustees had three meetings in the last 12 months on strategic plan and activities.

B. Activity:

It was decided in the board meeting to enhance collaboration and engagement with partners who have similar interest in literacy and numeracy. These include the following

1. Strategies did not work out to raise donation with local council, London Mayor. We have tried to raise funding from small grant giving bodies nationally and internationally with no success. So we are currently looking at other options to raise funding.

2. Volunteers and recruitment of students were sparse and was a very difficult task. We contacted various organisations to help us in recruitment of volunteers and students. It was a real challenge. Students who came from different social backgrounds (immigrants and asylum seekers) were not keen to learn and left classrooms in the middle of teaching sessions. They did not attend the classes regularly and came at their own time and left in the middle of the class upsetting volunteers and other students as well. They were disruptive and volunteers found it impossible to handle them. So volunteers were not keen to work with student groups in classroom settings after several attempts were made to maintain time management with this challenging group. Unfortunately student groups were undisciplined and unwilling to learn. They are asylum seekers primarily. So we have now decided to enroll the volunteers for on line teacher training programme to obviate this problem. These courses include TEFL certificate courses for on line English language teacher training certificate course. We hope to generate pilot data with on line courses before advocating this programme in a large scale.
3. Building relationship with adult skill transfer provider to create referral pathway for learning
4. Collaboration with similar charities such as Read Easy, local language schools are on going

ADDITIONAL INFORMATION

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Metro Bank Plc also trades under RateSetter. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

Financial Services Compensation Scheme (continued)

ADDITIONAL INFORMATION (continued)

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank shall also confirm this on the statement of account.
