Statement of Trustee's responsibilities

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
make judgements and estimates that are reasonable and prudent;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to operate.

The Trustees confirm that the accounts comply with the above requirements. The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
