

Chairs Report

The year Of 2021- 2022 allowed the beginning of events returning, with quickly arranged event in September at Gresley Old Hall. This was well attended, by both exhibitors and visitors, enjoying a entertaining day with good weather.

We also had Santa out in two venues at The Woodville Library (Circularity Hub) and Emmanuel Church Hall. These pop up Santa allowed the opportunity for local families to visit with Santa at an economical cost, and it was great to see the young children faces when meeting Santa

2021-2022 overview

We covered the costs of restarting our event, and planing for the return of the 2022 event to Swadlincote town centre for our 10 year anniversary.

Conclusion

We thank all our supporters, sponsors and volunteers because without them we would not be able to hold the Festival of Transport events. We are always looking for extra volunteers so if you want to get involved let us know, we have a social media group.

We look forward to seeing all the great vehicles, and visitors at our events in the near future.
