<p>Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.</p>	<p>The Archibald Corbett Community Library, Arts and Heritage Centre trading as The Corbett Community Centre was set up as a community business and started trading at the end of October 2016 to manage the previous Torridon Road Library and Children's Centre buildings previously managed by Lewisham Council. In the financial year ending September 2020 it continued to deliver activities and services to meet the needs of the local community as identified by the charity's four objectives. It has developed over 20 activities a week, all delivered by volunteers, for parents and children aged 0 to 5, primary school aged children, secondary school children, families and for older people as well as delivering a library service. Activities include:</p> <ul style="list-style-type: none"> • Baby Bounce, Story Time and Stories and Rhymes, a French speaking musical playgroup, a music making group, Stay and Play and a colouring club, all for parents and children under 5 • A homework club and arts and crafts activities for primary and secondary school children • A health visitor baby clinic for parents and babies • Hatha Yoga and gentle seated yoga for all ages • Writers, reading, reminiscence, meditation and board games groups for adults, knit 'n' natter and dementia friendly activities for older people • Developing and delivering activities specifically in response to local residents' needs such as Clean Air campaigning sessions and Mindful Mondays mindfulness sessions • Continuing to work in partnership with Lewisham Libraries Division to deliver national reading promotions to include the Summer Reading Challenge and working with two local Primary Schools delivering reading sessions to year groups • Acting as a centre for local groups to hold meetings and activities, including Slimming World and the Women's Institute, and as a venue for community police information sessions and local Councillors' meetings

	<p>The centre also continues to offer ESOL classes, digital inclusion support through the Learn My Way programme and a Digital Learning Zone to help residents fill in council and government forms online plus general drop in advice sessions.</p> <p>All activities are run by volunteers and are free to ensure inclusivity for those unable to afford making payments to attend. In return it asks for donations from those able to donate. In addition to donations for activities, the charity derives income from sales of donated second hand books, photocopying and printing services, the hire of a meeting room and playroom, donations from events and from individual donors which are eligible for the Gift Aid scheme.</p> <p>Covid-19</p> <p>As a result of the onset of Covid-19 the Library was closed to the public during lockdown from the end of March through to the beginning of July and new services were developed to ensure the Centre and Library maintained contact with local residents to include setting up a dedicated You Tube channel delivering Storytime sessions and gentle seated yoga classes. On re-opening in July a social distancing service began to provide Online support services, click and collect book lending, book bundles, essential PC use and ESOL classes plus a number of selected activities to include a new doorstep befriending service.</p> <p>We have followed Government guidelines at all times, investing in protective equipment and developing ways of operating to reduce risk to our managers, volunteers and members of the public whilst on our premises.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	<p>The Trustees of the Archibald Corbett Community Library, Arts and Heritage Centre hereby confirm that they have taken full regard of the guidance on public benefit issued by the Charity Commission when exercising any powers or duties to which the guidance is relevant. In particular, the Trustees believe that the list of activities detailed above show complete accordance and compliance with such guidance and are all examples of furthering the charity's purpose (as defined in the objects described above) for the public benefit.</p>
Contribution made by volunteers	<p>The Library, the Children's Centre and all activities are run by over 50 volunteers a week and the average number of volunteer hours per month is around 880 during normal circumstances. However, under Government restrictions due to the Covid-19 pandemic, we have reduced the hours worked by volunteers considerably and have ensured that those wishing to continue to help us during times of government restriction do so safely.</p> <p>The charity provides comprehensive training on all aspects of Library systems and management and continues with an active recruitment programme to enlist additional volunteers</p>
Policy on grant making	<p>The Charity has no policy on grant making as this does not form part of its current or planned future activity.</p>

Achievements and performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Achievements and Performance in FY 2019/2020</p> <p>The centre has now been fully developed as an essential community hub for the 20,000 residents on the Corbett Estate, Catford South ward and Hither Green. A five year business plan has been produced to ensure long term sustainability of the project. The following funding was secured in FY 2019/20:</p> <ul style="list-style-type: none"> • £70,475 from the Lottery Community Fund, as part of the £210,000 three year grant which commenced in May 2019. • £500 from Tesco Groundwork to provide door-step chats for isolated local residents. • £25,000 from Lewisham Council under the government COVID-19 support grant. <p>The performing arts space was used to put on a sell-out concert performance of "Tell me on a Sunday" and provided a venue for the Catford Film LGBTQ night.</p> <ul style="list-style-type: none"> • Other events included a Wasteless market, promoting recycling and ecologically friendly goods, Harry Potter themed night, quiz night and a Spring craft fair • This financial year saw the creation of the 'Management of Public Spaces', a training programme for up to 60 volunteers and long term unemployed people as part the National Lottery Community Fund grant programme running from September 2020 through to June 2022. • Financial trading sustainability was maintained in the year through continued hiring out of the playroom to Saplings, a Breakfast and After School Club, and the first floor office space to a schools and family support service both on rolling yearly contracts generating regular income. Additional income has been derived from hiring an office out to a local artist.
<p>Achievements against objectives set</p>	<p>In its fourth year of operation the charity has succeeded in achieving all the objectives set in its governing document and creating a platform for the future development and expansion of those objectives.</p> <p>The Corbett Community Library was awarded £210,000 by the National Lottery Community Fund for the development of the Library into a sustainable community hub. The grant is for a period of three years from June 2019 to May 2022 payable in 6 half yearly instalments beginning May 30th 2019. Monitoring reports are required at the end of the first year followed by 6 monthly progress reports. To date the Library has issued a first year report followed by a six monthly report to cover the first 18 months of the grant up to 30th November 2020. These have been formally approved by the Lottery confirming the Library is achieving the outputs and outcomes stated in the grant agreement.</p>
<p>Performance of fundraising activities against objectives set</p>	<p>The targets set in the forecast income and expenditure for activity and event donations have not been met, due to the impact of COVID-19 restrictions. However, we have obtained substantial funding through the Covid-19 government grant support scheme which has replaced lost income.</p>
<p>Investment performance against objectives</p>	<p>The Charity does not currently have an investment policy</p>

- make judgements and estimates that are reasonable and prudent;

Independent Examiner's Report

I report on the accounts of the Charity for the year ended 30 September 2020, which are set out on pages 8 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Julia Burgoyne (Mrs)

Notes on the accounts

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The accounts present a true and fair view. No changes have been made to accounting policies or estimates in the year.

b) Preparation of the accounts on a going concern basis

The Charity reported a cash inflow of £22,682 for the year (FY19 inflow £8,246).

The trustees are of the view that the charity is a going concern.

c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. Income received in advance of provision of a specified service is deferred until the criteria for income recognition are met (see note 17).

d) Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the services provided by volunteers is not recognised – the trustees' annual report includes more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity, which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

e) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

Notes on the accounts

1 Accounting Policies (continued)

f) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings: raising funds, charitable activities and other support costs.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake fund raising or charitable activities. Support costs include back office costs, such as insurance, power and stationery. These costs have been allocated between cost of raising funds, charitable activities and other funds on a proportional basis as set out in note 6.

h) Operating leases

The charity classifies the lease of printing and photocopying equipment and the coffee machine as operating leases; the title to the equipment remains with the lessor and will be returned to the lessor at conclusion of the lease. The photocopier and the coffee machine are held under a five year and two year lease respectively. Rental charges are charged on a straight line basis over the term of the lease.

i) Tangible fixed assets

Individual fixed assets costing £100 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Fixtures and fittings – over 4 years

Computers and film equipment – over 3 years

Under the terms of the premises management and library services agreements, the main building and all library fixtures, books and equipment remain the property of Lewisham Council. Therefore these items are not reflected in these accounts.

j) Stock

Stock is included at the lower of cost or net realisable value. Stock consists of donated items of books and other secondhand goods. It is not possible to estimate the net realisable value of these items, so stock is carried at cost, which is £nil. Upon sale of donated items, the cash received is shown within income from other trading activities.

k) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

l) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

m) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Notes on the accounts

n) Financial instruments

The charity has no financial assets and financial liabilities except for those stated above.

2 Legal status of the Trust

The charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

3 Income from donations and legacies

The income from donations and legacies of £30,175 (FY19 £27,807) is all unrestricted. This includes £25,000 from Lewisham Council under the government COVID-19 support scheme for general expenses. The other donations are provided by individuals, including those collected at our activities and events, which are all free of charge to participants. Gift aid receipts of £1,767 (FY19 £4,546) are included within donations.

The Trust benefits greatly from the involvement and enthusiastic support of its many volunteers, details of which are given in our annual report. In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the accounts.

4 Income from charitable activities

The income from charitable activities of £92,512 (FY19 £78,167) included £21,537 (FY19 £31,186) of unrestricted funds and £70,975 (FY19 £46,981) of restricted funds. Included within restricted funds are the following grants:

- £70,475 from The National Lottery Community Fund. This represents two six-monthly instalments of a three year grant of £210,000, which provides funding for the recruitment of a manager and volunteer coordinator to further develop the Charity and establish new income streams to ensure its continued sustainability after the funding period has elapsed. This grant is being recognised on a cash basis as payments are subject to approval of update reports
- £500 from Groundwork (Tesco Bags of Help COVID-19 Community Fund) to support the establishment of a door step chat scheme for vulnerable or isolated members of the community.

(FY19 included: £34,325 from The National Lottery Community Fund; £5,000 from the Foyle Foundation to pay for an arts coordinator to set up the performing arts space; and £7,970 from L&Q to purchase additional mobile shelving and black out blinds which were used to create the performing arts space.)

5 Income from other trading activities

Income from other trading activities is all unrestricted and includes funds raised from the sale of second hand books and other donated items.

6 Expenses and support costs

Expenses allocated to fund raising include £nil (FY19 £nil) direct costs for marketing and other fund-raising costs and allocated support costs of £13,606 (FY19 £19,144).

Expenses allocated to charitable activities include £10,081 (FY19 £10,998) direct costs for computers, photocopier and printer within the library and allocated support costs of £9,711 (FY19 £21,470). Restricted expenses of £64,819 (FY19 £46,104) relate to costs incurred in relation to the restricted income in note 4, including staff costs set out in note 8, and depreciation on assets purchased with this income.

Other expenses are allocated support costs only.

Total support costs included in the expense categories above were £25,597 (FY19 £44,118). These relate to general office costs, building cleaning and maintenance and insurance. These have been allocated to the three main expense categories based upon the proportional analysis of related income streams.

9 Trustee and volunteer costs and expenses

No trustees or volunteers were paid for their normal on-going services during the year.

In FY20 one volunteer was paid £775 for providing coverage for the managers on a number of weekends. This was outside the volunteer's normal on-going services and the board agreed that they should be paid accordingly. Another volunteer was paid £1,500 for the completion of specific project work which had started in the previous year.

(In FY19 two projects were performed during the year which were led by two volunteers, who were each paid for the specific project work, as these went beyond the normal on-going services. The total amount paid out was £30,894 (£17,394 out of unrestricted funds and £13,500 out of restricted funds). One of the volunteers then donated £10,000 back to the library so that they did not personally benefit from the transaction.)

10 Donated goods and services

The library services and all activities provided by the charity are run by volunteers, under the supervision of the managers. Details of their contribution can be found in the trustees' report. No contribution is booked within the accounts. 19 Post balance sheet events

Due to the ongoing situation regarding COVID-19, the library has had to modify opening hours and restrict the level of activities that it can provide. We continue to work to safeguard our staff and volunteers whilst finding alternative ways to support the local community during this difficult time.

There have been no other events between the balance sheet date and the signing of these accounts which relate to conditions that arose after the end of the reporting period that would impact on the understanding of these accounts.
