Chairman's Report 2021

It can truly be said that this was a year without precedent for Wearside Bridge Club. Despite a full year without face to face bridge the club has continued to adapt and thrive. Without lockdown I am sure few of us would have discovered online bridge. Through our online bridge sessions we have attracted a number of new members. There is now no geographic restrictions to membership and we have players from as far apart as Airdrie and the Isle of Wight! While it has many advantages nothing can replace the social aspect of playing with friends in a real club and I hope it will not be too long before we can share that experience again. My thanks go to my predecessor, Tony Watson, for his tireless efforts representing and promoting the club.

Graham Cox deserves special mention for organising the Lockdown League which has been a godsend for many of us. And of course this would not have happened without the WhatsApp group set up by George Farnan.

Chris Patrick has not only provided us with information and entertainment through the quarterly newsletter, but has organised a number of online team matches which have attracted popular support.

I would be in trouble if I don't mention the hard work of our treasurer Rosemary Wallace. Rosemary and Chris were also the driving forces behind the successful Thursday evening virtual club night.

And of course special thanks to our secretary, Allan Davies. As well as the numerous and time consuming duties involved in the day to day running of the club he continues to provide weekly online teaching sessions.

Although the opportunities to excel in competition have been unavoidably curtailed, there have nevertheless been some outstanding successes for the club. There was a superb result for Beverley Basquil and Colin Porch who won the EBU championship pairs (Guardian Trophy) earlier this year.

In the online NEBA team matches Wearside Blue came a close second in the top division, taking the notable scalp of the eventual winners, Brunton Blue in their match. Wearside Red also performed creditably and contributed to a Wearside double by beating Brunton Red in their match.

The team of Anne Urwin, Chris Patrick, June Ainslie and Michael Wainwright came second in Session 2 of the Blue-pointed Progressive Congress Swiss Teams (Jack High) at the EBU Annual Congress played online in August.

I look forward to meeting you all again soon.

Alan Wallace

Secretary's Report 2021

- The membership stands at 139 members but there are a few subscriptions still outstanding.
- 7 to 10 trustees/committee members are needed. This includes three officers (see attached sheet).
- A massive thank you is to be extended to Alan Wallace for his efforts in directing the online Thursday bridge sessions and Graham Cox for organising the online league.
- Thanks are also due to Rosemary Wallace for her efforts in balancing the club's accounts.
- Teaching lessons continue on Tuesday and Friday mornings and I would encourage all members to advertise these as much as possible. Lessons bring in new members and are important for the continuing existence of the club.
- Thanks to Richard Spargo for his unceasing help with many repairs and in tending the garden. His continues to be an important and vital contribution.
- Christopher Patrick has helped enormously with many aspects of the club (eg. newsletter).
- I must not forget our long-serving committee member, Eleanor Foley, who still helps with various jobs around the club.
- Most competitions have been cancelled due to the closure of the club during the coronavirus pandemic. However the Bergson trophy was played online.
- The club has had a new boiler installed and hopefully will be in use once the club reopens.
- The club will be opened as soon as it is safe to do so and government guidelines must be followed. Members will be informed in advance via e-mail or letter about possible opening dates.

Allan Davies.
