Annual Report 2023

Message from the Board of Trustees  
London, December 2023

Dear all,

Please find below an update on our activities in 2023.

This year was stable and consistent with our expectations. We continued to support underprivileged female students at Khyber Girls Medical College through our scholarship programme. While there were no major operational developments, we remained in close contact with our scholarship recipients and with the College to ensure ongoing support.

Our organisation continues to operate with no paid staff, and all trustees work entirely on a pro-bono basis. As in previous years, we remain funded by our trustees, their families, and friends.

Below is a summary of our financial results for the year ended 31 December 2023.

Best regards,  
Ana Castro Henckel
