OBJECTIVES AND ACTIVITIES

The purpose of the charity as set out in its governing document is to relieve the suffering and distress of unwanted, stray or ill dogs primarily, but not exclusively, German Shepherds.

South West GSD Rescue is a non-profit organisation based in the South West of England. Our aim is to rescue, rehabilitate and re-home German Shepherds and related cross-breeds across the UK.

As Trustees of the charity we have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

The charity rescues stray dogs abroad, where they receive care and medical treatment so that they are healthy enough to be taken back to the UK and rehomed. The charity also rehomes dogs surrendered by their owners in the UK.

People who meet the charity's criteria are invited to apply to adopt a dog. When a suitable dog becomes available, it will be introduced to its new family.

If all goes well the family completes our adoption agreement stating the legal conditions of adopting a dog from South West GSD Rescue. Our adoption/donation fees vary according to the dog's age, pedigree and health; and are used to provide transport, basic care, feeding and veterinary treatment for the many dogs who need our help

ACHIEVEMENTS AND PERFORMANCE

The charity has successfully rehomed a large number of German Shepherds and related cross-breeds. This benefits the dogs, who find a loving home, and also the adoptive families who gain a new loving family member.

The dogs rescued by the charity are often in a poor condition due to cruelty and neglect. The charity incurs substantial costs on vets, medicines and kennels when it restores these animals to health so they can be transported to the UK and successfully rehomed.

The charity has also supported a number of dogs who are long stayers in kennels or foster care. The charity is pleased to have helped keep them in safety.

During the year under review, the charity successfully rehomed 47 dogs in the UK, a decrease on the previous year. This was despite the challenging financial environment, with many people unable to commit to the costs of dog ownership.

The dogs rescued by the charity were increasingly from the UK, rather than abroad, this year. These dogs are kept in kennels until they can be fostered. This has resulted in an increased spend on UK kennels and dog welfare.

FINANCIAL REVIEW

At the reporting date, the charity's financial position was considered to be satisfactory. The charity made a deficit of £6,553 in a challenging fundraising environment.

The charity is grateful to its supporters who kept up a regular flow of donations despite the ongoing financial effects of the cost of living crisis. Without their support, we would not have been able to rescue so many dogs and return them to health.

The charity has no fixed costs, but the variable costs relating to the number of dogs that are being held for adoption or ongoing medical treatment can vary dramatically. The charity would like to hold enough in reserves to fund three months of expenditure on animal welfare, vets and kennels. The Trustees estimate the required amount to be £5,000. The charity's reserves were above that level at the reporting date, but circumstances can quickly change depending on the number and condition of the dogs rescued.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is constituted under a constitution adopted on 21 February 2017.

Trustees are either elected by the members at the Annual General Meeting or are co-opted between AGMs. All new Trustees are provided with a copy of the Charity Commission publication CC3, "The Essential Trustee", which outlines what is expected of a charity Trustee and their responsibilities to the charity.

The charity is actively seeking additional Trustees. Interested parties are encouraged to get in contact.

Statement of trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

That the trustees are responsible for the maintenance and integrity of information included on the company's website.

Trustee
12 February 2026

I report to the trustees on my examination of the financial statements of South West GSD Rescue for the year ended 31 August 2025.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Income with related expenditure Where income has related expenditure the income and related expenditure is reported gross in the SoFA.

Donations and legacies Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Tax reclaims on donations and gifts Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.

Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
