The objects of MAM UK, for the public benefit of people in Myanmar (and any other regions the trustees may see fit from time to time), are:
(1) the relief of sickness and the preservation of health; and
(2) the relief of need, hardship and distress.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the period under review, having regard to guidance issued by the Charity Commission on Public Benefit, the Trustees made donations to Medical Action Myanmar (MAM), which is registered as a charitable organisation with the Chamber of Commerce in Amsterdam under number 34345953.

MAM is a medical aid organisation established in 2009, whose mission is to improve access to health care for the poorest people living in Myanmar. MAM supports a network of Community Health Workers to provide health care in some of the most remote villages in Myanmar, and operates static clinics both in rural areas and in the poorest parts of the capital, Yangon.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The money raised by MAM UK in the year has gone towards supporting three MAM initiatives.

Covid Clinics were set up and maintained by MAM treating hundreds of patients both in Yangon and in more remote areas of the Country.

We continued to support three MAM clinics in Kachin State with their HIV work.

Since the coup MAM has run an extensive aid programme for internally displaced people providing cash for food, medical aid and where necessary hygiene products, tarpaulins and corrugated iron sheets to help with the construction of basic shelters.
