## TRUSTEES' REPORT

**FOR THE YEAR ENDED 5 APRIL 2025**

---

The trustees present their annual report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the trust's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

### **Objectives and activities**

The trust's original objectives, as stated in the Governing Document (trust deed), are the promotion of education for the public benefit in such ways as the trustee decides from time to time including by:

- Awarding scholarships, maintenance allowances and grants to support study at university, college or an institution of higher or further education by individuals as part of their vocational training to become a solicitor, barrister or doctor; and
- Funding education and training towards entry into the legal or medical profession on leaving any educational establishment.

### *Public benefit*

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

### **Achievements and performance**

#### *Significant activities and achievements against objectives*

It is the long-term strategy of the trustees to maintain an investment portfolio which generates income that can be distributed as grants, as well as provide capital growth. During the year, grants were made to three individuals totalling £10,050 (2024: no grants awarded).

### **Financial review**

The investment portfolio has a valuation of £3,824,211 (2024: £205,626) and cash of £267,678 (2024: £3,245) is held in the capital account. This is after having paid the professional fees for the running of the Trust and portfolio.

### *Reserves policy*

The income for the trust is generated exclusively from their invested reserves. There is no specific level of reserves required, as there are no ongoing financial obligations for the trust except for small administrative expenditure. Any income generated from the investments will be used to fund future grants together with administrative expenditure.

### **Plans for future periods**

At present, there are no immediate plans to expand the scope of the charity's activities. That being said, when the settlor originally set out her wishes in 2016, she did express that the charity could extend its objectives to also benefit those looking to pursue a career within the medical profession. In consideration of the recent growth in the size of the charity, the trustees have agreed that they will keep in consideration expanding its activities to also benefit those pursuing a career in the medical profession. In addition to this, the trustees have begun to consider extending the reach of the advertisement of the scholarship to a wider group of educational providers in the North-West of England.

# THE RICE-JONES CHARITABLE TRUST

## TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

---

### Structure, governance and management

The trust is a registered charity and is constituted under a Trust Deed dated 06 May 2016.

The trust was created in 2016 by an individual who wished to set up a charity to benefit aspiring and promising law students who may not have sufficient financial means to undertake their studies. The Settlor's husband and father were both lawyers and this is where her motivation came from to establish the charity. When creating the trust, the Settlor set out her wishes that the charity should specifically benefit post-graduate law students studying in the North-West of England who show both academic promise and a commitment to the legal profession. She also expressed a wish that the charity could also benefit those pursuing a career within the medical profession if it has the means to do so.

The trust does not actively fundraise and seeks to continue the charitable work through the careful stewardship of its existing resources.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr S Barnett

Mr P Haigh-Lumby

Mr A Fontes

### *Recruitment and appointment of trustees*

In accordance with the original Trust Deed dated 6 May 2016 and by a Deed of Amendment dated 7 December 2023 (which was submitted to the Charity Commission and approved by them on 21 February 2024) there must always be at least 3 trustees acting at any time except where there is a trust corporation acting as a trustee. In selecting individuals for appointment as trustees, the trustees must have regard for the skills, knowledge, and experience needed for the effective administration of the trust.

### *Other matters*

#### *Policies*

In September 2024 the trustees reviewed and implemented various policies which included conflicts of interest, code of conduct, risk management, safeguarding, serious incident reporting, internal financial controls and trustee expenses. All of these policies are to be reviewed bi-annually by the trustees, with the exception of the conflicts of interest policy which will be reviewed annually. In addition to this, the trustees annually review the investment risk management with the investment portfolio manager.

The trustees' report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE RICE-JONES CHARITABLE TRUST

---

I report to the trustees on my examination of the financial statements of The Rice-Jones Charitable Trust (the trust) for the year ended 5 April 2025.

#### **Responsibilities and basis of report**

As the trustees of the trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the trust's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the trust as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2025

---

### 1 Accounting policies

#### Charity information

The Rice-Jones Charitable Trust is a registered charity and is constituted under a Trust Deed dated 6 May 2016 in England & Wales and is unincorporated. The address of the principal office is Woodwater House, Pynes Hill, Exeter, EX2 5WR.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the trust's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The trust is a Public Benefit Entity as defined by FRS 102.

The trust has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Endowment funds represent assets which will be held by the trust. The trustees do have discretion to use capital should they wish.

#### 1.4 Income

Income is recognised when the trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# THE RICE-JONES CHARITABLE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

---

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.7 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the trust's contractual obligations expire or are discharged or cancelled.

# THE RICE-JONES CHARITABLE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

### 2 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Key sources of estimation uncertainty

##### Recognising income from legacies

Receipt of a legacy is recognised when it is probable that it will be received.

The amounts recognised include an estimate for the final distribution due from the estate of £70,000. Any variations of this amount will be reflected in the accounts for the year ended 5 April 2026.

# THE RICE-JONES CHARITABLE TRUST

## TRUSTEES' REPORT

**FOR THE YEAR ENDED 5 APRIL 2024**

---

The trustees present their annual report and financial statements for the year ended 5 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the trust's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

### **Objectives and activities**

The trust's original objectives, as stated in the Governing Document (trust deed), are the promotion of education for the public benefit in such ways as the trustee decides from time to time including by:

- Awarding scholarships, maintenance allowances and grants to support study at university, college or an institution of higher or further education by individuals as part of their vocational training to become a solicitor, barrister or doctor; and
- Funding education and training towards entry into the legal or medical profession on leaving any educational establishment.

### *Public benefit*

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

### **Achievements and performance**

#### *Significant activities and achievements against objectives*

It is the long-term strategy of the trustees to maintain an investment portfolio which generates income that can be distributed as grants, as well as provide capital growth. During the year, no grants were made to individuals (2023: 3 grants totalling £3,000).

The settlor of the trust died in 2021. By her will, she left the residue of her estate to the trust for its general charitable purposes. The settlor's estate is still in administration, so the full value of the legacy to the trust is yet to be realised. However, the trustees have been given an indication that the total sum may likely be in the region of £4.1 million. This legacy will have a significant impact on the charity. The substantial injection of funds will allow the trustees to support more beneficiaries and make more meaningful grants, therefore, fulfilling the vision of the settlor.

### **Financial review**

The investment portfolio has a valuation of £205,626 (2023: £197,478) and cash of £3,245 (2023: £6,290) is held in the capital account. This is after having paid the professional fees for the running of the Trust and portfolio.

### *Reserves policy*

The income for the trust is generated exclusively from their invested reserves. There is no specific level of reserves required, as there are no ongoing financial obligations for the trust except for small administrative expenditure. Any income generated from the investments will be used to fund future grants together with administrative expenditure.

### **Plans for future periods**

At present, there are no immediate plans to expand the scope of the charity's activities. That being said, when the settlor originally set out her wishes in 2016, she did express that the charity could extend its objectives to also benefit those looking to pursue a career within the medical profession. In consideration of the recent growth in the size of the charity, the trustees have agreed that they will keep in consideration expanding its activities to also benefit those pursuing a career in the medical profession. In addition to this, the trustees have begun to consider extending the reach of the advertisement of the scholarship to a wider group of educational providers in the North-West of England.

# THE RICE-JONES CHARITABLE TRUST

## TRUSTEES' REPORT (CONTINUED)

**FOR THE YEAR ENDED 5 APRIL 2024**

---

### **Structure, governance and management**

The trust is a registered charity and is constituted under a Trust Deed dated 06 May 2016.

The trust was created in 2016 by an individual who wished to set up a charity to benefit aspiring and promising law students who may not have sufficient financial means to undertake their studies. The Settlor's husband and father were both lawyers and this is where her motivation came from to establish the charity. When creating the trust, the Settlor set out her wishes that the charity should specifically benefit post-graduate law students studying in the North-West of England who show both academic promise and a commitment to the legal profession. She also expressed a wish that the charity could also benefit those pursuing a career within the medical profession if it has the means to do so.

The trust does not actively fundraise and seeks to continue the charitable work through the careful stewardship of its existing resources.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr S Barnett	(Appointed 6 March 2024)
Mr P Haigh-Lumby	(Appointed 6 March 2024)
Mr A Fontes	(Appointed 6 March 2024)
Michelmores Trust Corporation Limited	(Resigned 6 March 2024)

### *Recruitment and appointment of trustees*

In accordance with the original Trust Deed dated 6 May 2016 and by a Deed of Amendment dated 7 December 2023 (which was submitted to the Charity Commission and approved by them on 21 February 2024) there must always be at least 3 trustees acting at any time except where there is a trust corporation acting as a trustee. In selecting individuals for appointment as trustees, the trustees must have regard for the skills, knowledge, and experience needed for the effective administration of the trust.

### *Other matters*

#### *Policies*

In September 2024 the trustees reviewed and implemented various policies which included conflicts of interest, code of conduct, risk management, safeguarding, serious incident reporting, internal financial controls and trustee expenses. All of these policies are to be reviewed bi-annually by the trustees, with the exception of the conflicts of interest policy which will be reviewed annually. In addition to this, the trustees annually review the investment risk management with the investment portfolio manager.

The trustees' report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE RICE-JONES CHARITABLE TRUST

---

I report to the trustees on my examination of the financial statements of The Rice-Jones Charitable Trust (the trust) for the year ended 5 April 2024.

#### **Responsibilities and basis of report**

As the trustees of the trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the trust's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

The independent examination has taken place in place of an audit (Regulation 31(f)). Dispensation was granted by the Charity Commission on 5 December 2024.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the trust as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 5 APRIL 2024**

---

### **1 Accounting policies**

#### **Charity information**

The Rice-Jones Charitable Trust is a registered charity and is constituted under a Trust Deed dated 6 May 2016 in England & Wales and is unincorporated. The address of the principal office is Woodwater House, Pynes Hill, Exeter, EX2 5WR.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the trust's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The trust is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Endowment funds represent assets which will be held by the trust. The trustees do have discretion to use capital should they wish.

#### **1.4 Income**

Income is recognised when the trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# THE RICE-JONES CHARITABLE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

---

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.8 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

# THE RICE-JONES CHARITABLE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

### 1 Accounting policies

(Continued)

#### *Derecognition of financial liabilities*

Financial liabilities are derecognised when the trust's contractual obligations expire or are discharged or cancelled.

### 2 Change in accounting policy

Change in Accounting Basis

The Charity financial statements have been prepared on the accruals basis for the year ended 5 April 2024. The amounts for the previous financial year have been restated from the receipts and payments basis to accruals basis.

### 3 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### **Key sources of estimation uncertainty**

##### **Recognising income from legacies**

Receipt of a legacy is recognised when it is probable that it will be received.

The amounts recognised include an estimate of estate liabilities totalling £30,000. Any variations to this amount will be reflected in the accounts for the year ended 5 April 2025.

### 4 Income from donations and legacies

FOR THE PERIOD ENDED 5 APRIL 2023**

The Trustee is pleased to present the annual report of The Rice-Jones Charitable Trust (the Trust) together with the financial statements which are prepared on a receipts and payments basis.

**STRUCTURE GOVERNANCE AND MANAGEMENT**

**Governing Document and Charity Constitution**

The Trust is a registered charity, number 1171890, and is constituted under a trust deed dated 6 May 2016. The Trust was established by an initial gift which has been invested to provide future income for the Trust and this is the initial reporting period. The Trust does not actively fundraise and seeks to continue the charitable work through the careful stewardship of its existing resources.

**Appointment of New Trustees**

Apart from the first trustee, every trustee shall be appointed for a maximum of 3 years by a resolution of the trustees passed at a special meeting. In selecting individuals for appointment as trustees, the trustee must have regard for the skills, knowledge and experience needed for the effective administration of the Trust.

**Related Parties**

The directors of the corporate trustee are also partners in Michelmores LLP, who are the solicitors for the Trust. All transactions with Michelmores LLP are disclosed in a note in the accounts.

**OBJECTIVES AND ACTIVITIES**

The Trust's original objectives, as stated in the Governing Document (trust deed), are the promotion of education for the public benefit in such ways as the trustee decides from time to time including by:

- Awarding scholarships, maintenance allowances and grants to support study at university, college or an institution of higher or further education by individuals as part of their vocational training to become a solicitor, barrister or doctor; and
- Funding education and training towards entry into the legal or medical profession on leaving any educational establishment.

The trustee has given due regard to the Charity Commission guidance on public benefit. The trustee is satisfied that the work of the Trust, as described above, accords with its stated objects and provides tangible public benefit. The criteria used to assess those who may benefit are not unreasonably restrictive.

**ACHIEVEMENTS AND PERFORMANCE**

It is the long-term strategy of the trustee to maintain an investment portfolio which generates income that can be distributed as grants, as well as provide capital growth. During the year, 3 grants were made to individuals totalling £3,000 (2022: £5,750).

**FINANCIAL REVIEW**

The investment portfolio now has a valuation of £197,478 (2022: £207,115) and cash of £6,290 (2022: £7,419) is held in the capital account. This is after having paid the professional fees for running the trust and portfolio, and making grants of £3,000 (2022: £5,750).

**Reserves Policy**

The income for the Trust is generated exclusively from their invested reserves. There is no specific level of reserves required, as there are no ongoing financial obligations for the Trust except for small administrative expenditure. Any income generated from the investments will be used to fund future grants together with administrative expenditure.

As at the year end the charity had free reserves of £203,198 (2022: £213,988).

On behalf of the Corporate Trustee:
