Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Charity Commission Foundation Model CIO Constitution
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation
Trustee selection methods (eg. appointed by, elected by)	Five initial Trustees on creation of CIO. Not less than 2 nor more than 4 Trustees to be appointed by Boston Borough Council. 2 Trustees ex-officio – the Mayor of Boston and the Priest in Charge of St Botolph's Church Boston 2- 6 Trustees nominated by other Trustees Maximum number of Trustees therefore 12

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

This is the seventh full year of this relatively newly formed Charity, which replaced a number of ancient local charities in a single CIO.

Day to day administration of the Charity is done by Mrs Katherine Bunting of Chattertons Legal Services Limited who is the Clerk to the Charity (and a Solicitor).

The Trustees meet in person three times a year at roughly four monthly intervals.

Summary of the objects of the charity set out in its governing document

The Charity is divided into three sections as result of the history of the charities it has replaced/merged with on formation.

The Objects of the three sections are as follows:

1. The prevention or relief of poverty in the Borough of Boston Lincolnshire by providing: grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.
2. To advance Christian religion for the benefit of the public in the Borough of Boston Lincolnshire by supporting with grants the activities and Mission of all Christian Churches in that area.
3. To preserve and protect the health of patients and the public in the Borough of Boston Lincolnshire by providing and assisting in the provision of facilities, support services and equipment not normally provided by the statutory authorities.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In administering the Charity the Trustees declare that they have had regard to the guidance issued by the Charity Commission on public benefit.

During its seventh year of operation the Charity made a number of grant payments as follows:

A grant of £10,000 to the RoadHoG Bus Youth Project which operates a mobile youth centre/church in a former bus in the town of Boston and surrounding villages for ongoing running costs.

A grant of £2,115 to Holy Trinity Church Boston to its youth group to fund and subsidise trips and activities.

A grant of £8,000 to Zion Methodist Church Boston for installation of a live streaming system along with associated ancillary electronic equipment to allow anyone to access our acts of worship and special services, especially baptisms, weddings and funerals, from anywhere in the world.

A grant of £10,000 to Kirton Methodist Church towards its programme to transform the church into a facility at the heart of the community including 4 hours by a family worker, electrical and sound system work, adaptations to building and signage to make it dementia friendly and weekly running costs of an accessible advice and support coffee morning.

A grant of £3,000 to Wrangle Church for replacement central heating boilers.

A grant of £7,186.80 to Gipse Bridge Methodist Church for repairs and works to the car park following sink holes opening up and causing damage not covered by insurance.

Payments totalling £800 to four local relief in need organisations and £200 to two medical charities.

Apart from this, income has continued to be accumulated to be used in making grants in future years.

Additional details of objectives and activities (Optional information)

Policy on Grant Making

The organisation will look to make grants to churches in order to enable them to deliver their programme of promoting Christianity throughout the Borough whether this is by way of making grants towards capital projects or towards income projects. Grants will be made towards projects that can be demonstrated to promote all aspects of the Christian religion.

It is intended that the minimum grant would be £500 and the maximum grant will depend on the income of the organisation.

The organisation would intend to monitor the impact of the grants it makes by asking for follow up reports from those to whom grants were made. The precise requirements of the follow-up reports and the timetable would depend on the type and amount of grant made, the nature of the project involved etc.

Contribution made by volunteers

There are no volunteers involved with the Charity, other than the Trustees themselves.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The total income for the year was £52,736.34. The bulk of the income of the Charity (£51,484.79) is reserved for the advancement of religion section of the Charity.

After payment of professional fees for the ongoing management of the CIO, totalling approximately £12,220 paid in the year, and the grants of £41,301.80 referred to above, a further £24,850 approximately of accumulated income has been retained and carried forward to be paid out in grants in subsequent years, of which almost £1,200 is for the Relief in Need section, £270 for the medical section and the balance (£23,395) for the Religion section.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Charity does not intend to maintain anything more than a nominal level of reserves going forward, provided sufficient suitable grant applications are received to allow the full amount of income generated to be paid out in future years. Based on the number of applications received in recent years it appears there will be plenty of demand for the Charity's funds.

If this turns out not to be the case the Charity may consider widening its objectives to allow it to assist other worthwhile Christian Charities in Boston which do not currently fall within the Charity's precise Objects.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principal sources of funds

All funds have been transferred from the previous unincorporated charities which the Charity has replaced, which in turn derive from ancient charities established in the 16th and 17th centuries. The bulk arise from the sale of land and the benefit of overage agreements on that land in the past 10 years. The sums generated have been invested in a variety of funds in the specialist charitable investment market on the advice of Chattertons Wealth Management Limited.

There is no fundraising.

Policy on Investment

The general investment policy is to balance generation of income to enable the Charity to fulfil its objectives whilst ensuring long term maintenance of the real capital value of the investments so that the real value of the income generated by the investments keeps pace with inflation allowing the charity to continue to operate, hopefully in perpetuity.

The Charity has considered but decided not to adopt any particular ethical investment policy.

In February 2023 the Trustees advised by Chattertons Wealth Management Limited took the decision in principle to move to a discretionary managed fund approach with Evelyn Partners and an Investments Subcommittee was set up to manage this process and see it into effect in the early part of the 2023/24 financial year, carried out and overseen by Chattertons Wealth Management Limited. This process was concluded by the autumn of 2023.

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BOSTON MUNICIPAL NON-EDUCATIONAL CHARITIES CHARITABLE
INCORPORATED ORGANISATION ('the CIO')
CHARITY NUMBER: 1171896**

I report to the charity trustees on my examination of the accounts of the CIO for the year ended 29 February 2024.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts carried out under section 145 of the Act. In carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept as required by section 130 of the Act; or
2. The accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
