Activities

Income for the year to 31 December 2024 was £509 as compared to £4,407 in the year to 31 December 2023. It has not been possible so far to recruit regular donors to generate sufficient income to justify the transaction charges to remit funds to the Sole Hope Charity in Uganda.

The trustees look forward with hope that this charity can make a significant contribution to the essential work to bring much needed relief from the terrible afflictions of the neglected tropical disease known as "Jiggers" to the men, women, and children with whom we work in Uganda.
