**Report of the Trustees
for the Year Ended 31 March 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

In accordance with the charity's objectives set out in the Articles of Associations of the charity, the charity has the following aims:

- 1) The advancement and propagation of the Hindu faith amongst its followers and others based upon the original teachings and principles of Lord Shree Swaminarayan as propounded by the Nar-Narayan Dev Gadi, Gujarat, India.
- 2) The advancement of Education
- 3) The advancement of such other exclusively charitable purposes under the Law of England and Wales as the Trustees shall determine at their discretion.

Significant activities

Activities Review

The Trustees are pleased with the successful and smooth completion of the Charity's fourth full year and the level of voluntary donations received and progress it has made in supporting its Charitable activities, despite a year of challenges with the COVID-19 pandemic.

School Project -

Notwithstanding the fact that COVID-19 slowed drastically further meaningful progress, the trustees have decided at the time of signing these accounts, that the Harivan site will no longer be home to the school project. Rather alternative site searches will commence. Alternative strategic uses are being discussed by the Board of Directors together with consultations with Bhuj Mandir India,

Oldham New Temple Project -

As previously disclosed, works for the new grand temple started in July 2020 and considerable progress has been made since, despite the uncertainties of Covid-19, the resultant knock-on impact on supply chains, commodity price inflation etc. At the time of accounts signing, Phase 1 (Shell + Watertight) has been all but completed with the primary local contractor (Recom Solutions Ltd) handing over the project to the internal team for Phase 2, internal M&E and fitout. The project remains on track for a Summer 2022 completion and grand opening. The Board of Directors together with the directors of SSMB and Bhuj Mandir India continue to thank the large number of donors and businesses who have provided considerable financial, material and labour donations towards the project. The project continues to be managed well and to date no health and safety incidents have been reported.

Mahaprasad Project -

During the year, the Board of Directors purchased a commercial warehouse property in Stanmore for the purposes of establishing a base for Satvic Prasad production and to aid the Charity with a desired social enterprise objective of feeding the needy longer term. Operating plans for the project are being formulated and driven by our wholly owned subsidiary Mahaprasad Ltd, whilst planning permission was sought for the structural improvement and expansion of the unit. Plans for a new roof and the addition of a mezzanine floor were submitted to Harrow Council in December 2020. With Covid-19 still impacting all walks of life, the approval of planning was meaningfully delayed, but the directors are pleased to note that planning was granted in July 2021. Works are underway for the preparation of the construction phase before seeking to start actual operations in 2022.

Other

During the year, SSMB supported Shree Swaminarayan Mandir Bhuj India's ongoing "gau charo" (welfare of sacred cows) seva with financial donations. It also provided financial funding to a related sister Charity registered with New Zealand's Charity Commission - Shree Swaminarayan Temple Auckland, to help with their new Temple land purchase.

Volunteers

The charity is reliant upon the contribution made by a number of volunteers in carrying out its activities. The trustees would like to thank all the volunteers for their hard work and dedication to the successful running of all the activities.

Public benefit

The charity is a public benefit entity. The trustees have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, including public benefit guidance. The charity has achieved its primary public benefit objectives by making progress with the construction of the new Oldham temple project which will serve the wider community, the ongoing propagation of the Hindu faith with the existing Oldham temple and the support lent to other Charities with similar objectives e.g. New Zealand.

FINANCIAL REVIEW

Financial position

The financial statements are set out on pages 7 to 27. The Statement of Financial Activities show net surplus for the year of review of £3,257,960 (2020: £714,332). The total reserves at the year-end stand at £5,561,475 (2020: £2,303,515) which £3,131,169 (2020: £516,858) are held as restricted funds for Oldham Temple and Bhuj Temple.

Principal funding sources

The principal fund sources for the Charity continue to be through general donations from the global devotee base of the Swaminarayan faith, particularly those of the Shree Nar-Narayan Dev Diocese.

It is the policy of the charity that unrestricted funds are built to meet and fulfil the loan obligations undertaken to facilitate the purchase of the land and buildings for all of the Charity's uses, be it Temples, Educational facilities and the provision of Prasadam. Additionally, funds which are restricted for specific purposes e.g. development of Oldham temple are accounted for as such under restricted funds.

Going concern

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting. The Trustees believe that there are no going concern matters that would affect the Charity for the foreseeable future.

FUTURE PLANS

The Charity's immediate focus is to complete the development of the new Oldham Temple which is scheduled for the Summer 2022 opening. Refurbishment works for the Mahaprasad site commenced at the end of 2021, in anticipation for a late Spring 2022 start-up phase. Both projects require the steadfast continued dedication from the community, for which the trustees remain thankful and grateful for. Furthermore, following the huge success of the Daasatva youth shibir 2019, the trustees are exploring the possibility of organising the next event, also in 2022, which would represent an opportunity for the nationwide youth network to get together.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Shree Swaminarayan Mandir Bhuj (SSMB) is a Company limited by Guarantee and registered as a Charity with the Charity Commission. The Charity's affairs are governed by its Articles of Association, that were adopted on 13th April 2016 and revised on 1st July 2021. The management of the Charity is undertaken by the Board of Trustees, which is responsible for its overall management and control. The Board will meet regularly to discuss and formulate policy which it implements. Further, the Board can establish various committees to manage particular projects, should they wish. The Charity shall have a minimum of 5 Trustees who shall hold office as directed by the Articles of Association.

Wider network

The subscriber of the Charity is Shree Swaminarayan Mandir, Inc, a Delaware non-profit, non-stock Corporation.

The charity is the sole member of the following charities registered in the United Kingdom:

- i) Shree Swaminarayan Mandir Oldham (Company Limited by Guarantee)
- ii) Shree Swaminarayan Vidyalay (Charitable application pending-Company Limited by Guarantee)

The charity is the sole shareholder of the following Limited Companies registered in the United Kingdom:

- i) Mahaprasad Ltd (Company Limited by Shares)

Risk management

The trustees identify the major risks to which the Charity is exposed to each financial year when preparing and updating a strategic plan, in particular, those areas related to the operations and finances of the Charity. The Trustees then review any major risks which have been identified and establish systems to mitigate those risks. The Trustees continue to put in place appropriate internal controls and monitoring procedures to minimise financial risks.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Shree Swaminarayan Mandir Bhuj for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Parker Cavendish, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the Independent Auditors to the Trustees of Shree Swaminarayan Mandir Bhuj

Opinion

We have audited the financial statements of Shree Swaminarayan Mandir Bhuj (the 'charitable company') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Report of the Independent Auditors to the Trustees of
Shree Swaminarayan Mandir Bhuj**

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with the directors and other management;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, Charities Act 2011, taxation legislation and data protection;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.
- we assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:
 - making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
 - considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with relevant regulators.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

**Report of the Independent Auditors to the Trustees of
Shree Swaminarayan Mandir Bhuj**

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the Financial Statements
for the Year Ended 31 March 2021**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Preparation of consolidated financial statements

The financial statements contain information about Shree Swaminarayan Mandir Bhuj as an individual company and do not contain consolidated financial information as the parent of a group. The charity is exempt under Section 399(2A) of the Companies Act 2006 from the requirements to prepare consolidated financial statements.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they must be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes. Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Notes to the Financial Statements - continued
for the Year Ended 31 March 2021

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold & long leasehold properties - land is not depreciated & Building 2% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss

Taxation

The charity is exempt from corporation tax on its charitable activities.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments, cash at bank, debtors and creditors. Basic financial instruments are initially measured at transaction value and subsequently measured at their settlement value.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Debtors

Other debtors are recognised at the settlement amount due and prepayments are recognised when costs have been expended which are in advance of the period to which they relate.

Creditors

Creditors are normally recognised at their settlement amount. Accruals are recognised when costs relating to the period have not yet been invoiced to, or paid by the charity.

Creditors Due after 1 year

The charity has outstanding loans from devotees and temples affiliated to Shree Swaminarayan Temple Bhuj India. These are repayable between 2 to 5 years with a provision that any lender may request a repayment with a 60 day notice. The trustees are of the opinion that even though this provision exists, they consider that these loans should be classified as due after 1 year as they do not consider repayment will be required before the expiry of the term. These loans are classified as public benefit concessionary loans and as such the public benefit concessionary loan exemptions have been applied. The loans are included at cost and are not adjusted or discounted.

Going concern

The Covid-19 pandemic and related lockdowns have created economic uncertainty for all organisations including the charity. In assessing the charity's ability to continue as a going concern the trustees have considered the circumstances of the charity, taking into account the impact of the pandemic and the terms of the loans from devotees and Temples affiliated to Shree Swaminarayan Temple Bhuj, India. The trustees have noted that while there have been some loan repayments since the year end, they have have been replaced by new loans and with a steady stream of donations and positive cashflow, there are no going concern issues that would affect the charity for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis.
