- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

There have been no new policies during the course of this year and existing policies have been followed.

Trustees have considered their robust Financial processes and are happy that these are fit for purpose

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- 1) The relief of poverty, financial hardship and sickness and the preservation and protection of good health, wellbeing and personal development of children, in particularly but not exclusively, orphans, street children and underprivileged children and their families worldwide;
- 2) The prevention or relief of childhood poverty worldwide by providing grants, items and services to individuals in need and/or charities or other organisations working to prevent or relieve poverty;
- 3) To provide care in such ways as the charity trustees see fit to children worldwide who have been displaced, are deprived, poor or homeless;

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the last 2 years, the trustees felt it appropriate to put their charity work on hold due to personal family reasons and due to Covid 19. The Trustees had started working with an adviser to plan out what developments they felt would be appropriate and achievable however, due to Covid 19, these plans have been put on hold until after the pandemic.

The objects of the charity have always been paramount to the trustees and it has been very difficult and disappointing for the Chair especially to have had to put the charity on hold for these last few years.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Due to Covid 19 and personal issues, the activities of the charity have been put on hold.

Section E

Financial review

Brief statement of the charity's policy on reserves

Wishing Foundation needs reserves in order to ensure there are sufficient cash reserves in the current account to cover day to day running costs

Details of any funds materially in deficit

Funds are low but not in deficit – funds are only for marketing to maintain a presence

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Section F

Other optional information

Unfortunately, during the financial year 21/22, Covid 19 recovery and family issues have prevented any program for coming into fruition during this financial year. However, even though funds are very low, the Trustees have maintained a marketing presence.
