Please could you dissolve this charity - 1171981.

1. in accordance with the CIO's constitution;
2. any debts and other liabilities have been settled or otherwise provided for in full;
3. a statement setting out the way in which the CIO's remaining assets have been, or will be, applied on dissolution in accordance with its constitutional directions (this must also include the value of the remaining assets).

There were no assets to speak of. The remaining £155.91 was transferred to my own bank account, as I had paid in £350 on the 24th January 2018 to cover the rent payment for the building we leased.

There are no assets and no debts.
