#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and activities**

The statements of purpose and task adopted by Immanuel London are:

Objects:

- the provision of public meetings for the worship of God and for prayer;
- the instruction and edification of Christians;
- the evangelisation of non-Christians; and
- the preparation, discipling and education (including religious education) of young people and children from a Christian biblical worldview.

Core Values:

- Intimacy with God - growing in our relationship with God is our highest priority
- Worship - we desire to be a community that values worship as a lifestyle
- Prophetic - we desire to be a prophetic community in both word and action
- Prayer - we value the importance of personal and corporate prayer
- Community - we have a heart to share our lives together in community
- Discipleship - we value cross generational discipleship
- Kingdom Vision - we are committed to an area wide perspective and strategy, and to serve, resource and learn from the wider church
- Salvation and Transformation - we desire to see salvations and societal transformation and to serve the local community through practical acts of service

##### Immanuel

The church meets as one congregation each Sunday overseen and accountable to the leadership team of Immanuel and at other times during the week for prayer, home group and other church related activities. Weekly children's work and youth work is a regular feature of those church activities. Church members share breakfast or lunch together monthly.

##### Immanuel School

The vision of Immanuel School is 'Disciples of Jesus Christ, for such a time as this', and the mission of the school is 'We resolve, with the support of the parents, to prepare, disciple and educate young people from a Biblical world view, to meet the opportunities and challenges of a changing world'.

Immanuel School provides full time education from a Christian perspective for 3-16 year olds. Pupils are of many nationalities and of families from many varieties of churchmanship.

We encourage and nurture Christian education and Christian schools throughout the world and work with the Independent Schools Inspectorate.

Since the start of the COVID 19 pandemic Immanuel School has followed all government regulations and guidance.

##### Social Action

Since the start of the COVID 19 pandemic, as a church we were involved in several initiatives that serve the poor and needy in our local community. This has continued this year. Food hampers were distributed to needy families. We have also put on a Christmas Feast for the more vulnerable families in our local community. At Christmas we sing Carols around our local estate alongside distributing Christmas food hampers. Immanuel School also sponsors a child living in Ethiopia through the charity, "Stand by Me".

##### Administrative

Issues continue to be addressed in relation to governance, health and safety and various other policy matters.

##### The contribution of volunteers

The role of volunteers in the work of the Trust is such that without their involvement most aspects of the work, including the Trust administration, would cease functioning.

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2025**

In addition, while minimum wage legislation has been complied with, the Trust has benefited from the willingness of most of its employees to agree to be employed at salaries very significantly lower than external wage rates.

#### **Public benefit**

The Trustees have had regard to the Guidance of the Charity Commission on public benefit which it fulfils through its principal objective stated above.

## **ACHIEVEMENTS AND PERFORMANCE**

### **Charitable activities**

The Trustees are satisfied that:

The income and property of the charity was properly applied to its stated objects, in accordance with the above mentioned statements of purpose and task; the expenditure of the charity was broadly in balance with its income, and the larger part of the surplus funds reflected in the accounts were used within a reasonable period since the end of this financial year; in the light of the above comment, there was no significant accumulation of funds; separate accounting records are maintained for the school within the charity; income which constituted a contribution by the parents of pupils of Immanuel School to the costs of their children's education was paid into an account designated for that purpose.

## **FINANCIAL REVIEW**

### **Financial position**

During the year the charity had income of £735,333 of which £139,986 was from Immanuel London, £5,187 was from Havering Grange Centre and £590,160 from Immanuel School. There was no restricted income in the year.

There was general expenditure of £604,810 of which £82,664 was from Immanuel London, £135,905 was from Havering Grange Centre and £386,241 from Immanuel School.. There were restricted depreciation costs of £11,295. The net income and expenditure in the year resulted in an overall surplus totalling £130,523.

The above surplus has left the Net Current Assets with a balance of £405,757. Depreciation against fixed assets was £13,943.

### **Reserves policy**

The Trustees have reviewed the reserve policy and consider it prudent to keep sufficient reserves, not invested in tangible assets but kept unrestricted, to enable the payment of normal running costs. This has been set at one month's employee costs, plus provisions to ensure compliance costs of the Independent Schools Inspectorate can be met and ongoing maintenance can be carried out. The charity currently has sufficient reserves to cover these eventualities.

### **Current Building Projects**

We have replaced all Halogen lighting with LED lighting during this year. Further CCTV has been added around the site. The development of the front area of the site is now complete, front paths have been re-routed around the site and landscaping of the Woodland area is in progress. A new small demountable classroom has been added at the rear of the building and will shortly be in regular use. Fundraising towards the developing of the playground has now begun.

## **FUTURE PLANS**

We anticipate carrying out further improvements in the coming financial year. These will include further maintenance to be carried out on the demountable buildings including the recladding of one of them. The Staff Car park is to be improved with the addition of a soakaway. There will be further fundraising towards developing the Playground area.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is controlled by its governing document, a constitution, and is a Charitable Incorporated Organisation.

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2025**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Recruitment and appointment of new trustees**

Trustees are recruited from within the church membership. They are active, reliable members, of reasonably long standing. They are people who clearly demonstrate their understanding and commitment to the vision and values of the church, are deemed to be of good Christian character, and give financially to the work of God in accordance with Biblical beliefs. Furthermore, they are people who demonstrate a competence commensurate with the fulfilment of the responsibilities of Trustees.

New Trustees are proposed by existing Trustees, in consultation with the Church Leadership, which has a veto over the appointment of any Trustee. New Trustees are invited to attend regular Trustees' meetings for an initial minimum period of 6 months, functioning in a probationary capacity, but with full decision-making power. After this probationary period, if approved by the existing Trustees and Church Leadership, they would normally be invited by the existing Trustees to take up the permanent role of a Trustee, with written confirmation of each appointment from the Chairman. After this, there would normally follow a discussion of the specific roles and functions of each new Trustee within the Board.

##### **Management structure**

Immanuel London is led by its leadership team who provide the spiritual leadership of the church, including responsibility for maintaining the understanding of the Christian faith in accordance with the church's statement of beliefs and providing pastoral care of the church. The Leadership team are responsible for the day-to-day management of the church's various activities under the oversight of the Trustees.

##### **Induction and training of new trustees**

The formal invitation to become a Trustee 'on probation' would include a copy of the Charity Commissions publication outlining "Responsibilities of Charity Trustees", the latest of which is "The Essential Trustee: What you need to know" (July 2015). Each invitee is invited to spend a day in the Church Office, speaking to our administrative staff and reviewing past minutes and financial documents. Also, these invitees will both observe, and participate in, a number of Trustees' meetings before being formally invited to become a permanent Trustee, usually over a 6-month period. In addition, there is the opportunity for informal mentoring by an existing Trustee and an encouragement to attend external training or conference meetings as required by the Trust.

##### **Key management personnel remuneration**

The remuneration of key management personnel is set by the trustees, taking into account the responsibility of the role, periodic benchmarking and current levels of inflation. Individuals take no part in discussions involving their own remuneration

##### **Related parties**

There were no related party transactions during the year.

##### **Risk management**

The Trustees are continuing to review the risks to which the charity is exposed and systems are being implemented to mitigate those risks where possible. Ongoing risk assessments are performed and acted upon in material risk areas.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
IMMANUEL LONDON**

**Independent examiner's report to the trustees of Immanuel London**

I report to the charity trustees on my examination of the accounts of Immanuel London (the Trust) for the year ended 31 August 2025.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS  
for the Year Ended 31 AUGUST 2025**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements and assessment of going concern**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in sterling (£).

**Critical accounting judgements and key sources of estimation uncertainty**

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at a rate of 20% per annum on the written down value of furniture and equipment and 5% per annum on improvements to property in order to write them off over their estimated useful lives. Items costing less than £800 are fully written off in the year of purchase. Leasehold property is written off on a straight line basis over the term of the lease.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

**Cash at bank and in hand**

**NOTES TO THE FINANCIAL STATEMENTS - continued  
for the Year Ended 31 AUGUST 2025**

**1. ACCOUNTING POLICIES - continued**

**Taxation**

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

**Creditors**

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially settled at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## IMMANUEL LONDON

### REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2024

#### OBJECTIVES AND ACTIVITIES

##### Objectives and activities

The statements of purpose and task adopted by Immanuel London are:

Objects:

- the provision of public meetings for the worship of God and for prayer;
- the instruction and edification of Christians;
- the evangelisation of non-Christians; and
- the preparation, discipling and education (including religious education) of young people and children from a Christian biblical worldview.

Core Values:

- Intimacy with God - growing in our relationship with God is our highest priority
- Worship - we desire to be a community that values worship as a lifestyle
- Prophetic - we desire to be a prophetic community in both word and action
- Prayer - we value the importance of personal and corporate prayer
- Community - we have a heart to share our lives together in community
- Discipleship - we value cross generational discipleship
- Kingdom Vision - we are committed to an area wide perspective and strategy, and to serve, resource and learn from the wider church
- Salvation and Transformation - we desire to see salvations and societal transformation and to serve the local community through practical acts of service

##### Immanuel

The church meets as one congregation each Sunday overseen and accountable to the leadership team of Immanuel and at other times during the week for prayer and other church related activities.

Since the start of the COVID 19 pandemic the church has continued to meet 'in person' when government guidance / restrictions have allowed, and with necessary 'Covid compliant' measures in place but has also included live streaming of meetings as an addition. These measures have now largely scaled back to their pre-pandemic status.

##### Immanuel School

The vision of Immanuel School is 'Disciples of Jesus Christ, for such a time as this', and the mission of the school is 'We resolve, with the support of the parents, to prepare, disciple and educate young people from a Biblical world view, to meet the opportunities and challenges of a changing world'.

Immanuel School provides full time education from a Christian perspective for 3-16 year olds. Pupils are of many nationalities and of families from many varieties of churchmanship.

We encourage and nurture Christian education and Christian schools throughout the world and work with the Independent Schools Inspectorate.

Since the start of the COVID 19 pandemic Immanuel School has followed all government regulations and guidance.

##### Social Action

Since the start of the COVID 19 pandemic, as a church we were involved in several initiatives that serve the poor and needy in our local community. This has continued this year. Church members have organised shopping and visits for some vulnerable members of the community. Food hampers were distributed to needy families. We have also put on a Christmas Feast for the more vulnerable families in our local community.

##### Administrative

Issues continue to be addressed in relation to governance, health and safety and various other policy matters.

##### The contribution of volunteers

The role of volunteers in the work of the Trust is such that without their involvement most aspects of the work, including the Trust administration, would cease functioning.

In addition, while minimum wage legislation has been complied with, the Trust has benefited from the willingness of most of its employees to agree to be employed at salaries very significantly lower than external wage rates.

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2024**

#### **OBJECTIVES AND ACTIVITIES**

##### **Public benefit**

The Trustees have had regard to the Guidance of the Charity Commission on public benefit which it fulfils through its principal objective stated above.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

The Trustees are satisfied that:

The income and property of the charity was properly applied to its stated objects, in accordance with the above mentioned statements of purpose and task; the expenditure of the charity was broadly in balance with its income, and the larger part of the surplus funds reflected in the accounts were used within a reasonable period since the end of this financial year; in the light of the above comment, there was no significant accumulation of funds; separate accounting records are maintained for the school within the charity; income which constituted a contribution by the parents of pupils of Immanuel School to the costs of their children's education was paid into an account designated for that purpose.

#### **FINANCIAL REVIEW**

##### **Financial position**

During the year the charity had income of £627,426 of which £86,878 was from Immanuel London, £10,108 was from Havering Grange Centre and £530,440 from Immanuel School. There was no restricted income in the year.

There was general expenditure of £654,566 of which £83,277 was from Immanuel London, £164,743 was from Havering Grange Centre and £394,793 from Immanuel School. There were restricted depreciation costs of £11,753. The net income and expenditure in the year resulted in an overall deficit totalling £27,141.

The above deficit has left the Net Current Assets with a balance of £261,348. Depreciation against fixed assets was £15,063.

##### **Reserves policy**

The Trustees have reviewed the reserve policy and consider it prudent to keep sufficient reserves, not invested in tangible assets but kept unrestricted, to enable the payment of normal running costs. This has been set at one month's employee costs, plus provisions to ensure compliance costs of the Independent Schools Inspectorate can be met and ongoing maintenance can be carried out. The charity currently has sufficient reserves to cover these eventualities.

##### **Current Building Projects**

We have further developed the front area of the site by widening and re-concreting the paths along the front of the building and continuing the improvements to the lawns. We have also placed 2 new storage units at the back of the main building. The exterior lighting along the back of the school building has been replaced. We have upgraded the emergency lighting around the site.

##### **FUTURE PLANS**

We anticipate carrying out further improvements in the coming financial year. This includes finishing the development of the front area of the site. We also plan to replace all halogen lights with LED lights. There will be further maintenance carried out on the demountable buildings including the recladding of one of them. We will plan and re-route some paths around the site. We will begin to landscape the woodland area. Fundraising will begin with a view to developing the playground area.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a constitution, and is a Charitable Incorporated Organisation.

## **IMMANUEL LONDON**

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2024**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Recruitment and appointment of new trustees**

Trustees are recruited from within the church membership. They are active, reliable members, of reasonably long standing. They are people who clearly demonstrate their understanding and commitment to the vision and values of the church, are deemed to be of good Christian character, and give financially to the work of God in accordance with Biblical beliefs. Furthermore, they are people who demonstrate a competence commensurate with the fulfilment of the responsibilities of Trustees.

New Trustees are proposed by existing Trustees, in consultation with the Church Leadership, which has a veto over the appointment of any Trustee. New Trustees are invited to attend regular Trustees' meetings for an initial minimum period of 6 months, functioning in a probationary capacity, but with full decision-making power. After this probationary period, if approved by the existing Trustees and Church Leadership, they would normally be invited by the existing Trustees to take up the permanent role of a Trustee, with written confirmation of each appointment from the Chairman. After this, there would normally follow a discussion of the specific roles and functions of each new Trustee within the Board.

##### **Management structure**

Immanuel London is led by its leadership team who provide the spiritual leadership of the church, including responsibility for maintaining the understanding of the Christian faith in accordance with the church's statement of beliefs and providing pastoral care of the church. The Leadership team are responsible for the day-to-day management of the church's various activities under the oversight of the Trustees.

##### **Induction and training of new trustees**

The formal invitation to become a Trustee 'on probation' would include a copy of the Charity Commissions publication outlining "Responsibilities of Charity Trustees", the latest of which is "The Essential Trustee: What you need to know" (July 2015). Each invitee is invited to spend a day in the Church Office, speaking to our administrative staff and reviewing past minutes and financial documents. Also, these invitees will both observe, and participate in, a number of Trustees' meetings before being formally invited to become a permanent Trustee, usually over a 6-month period. In addition, there is the opportunity for informal mentoring by an existing Trustee and an encouragement to attend external training or conference meetings as required by the Trust.

##### **Key management personnel remuneration**

The remuneration of key management personnel is set by the trustees, taking into account the responsibility of the role, periodic benchmarking and current levels of inflation. Individuals take no part in discussions involving their own remuneration

##### **Related parties**

There were no related party transactions during the year.

##### **Risk management**

The Trustees are continuing to review the risks to which the charity is exposed and systems are being implemented to mitigate those risks where possible. Ongoing risk assessments are performed and acted upon in material risk areas.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
IMMANUEL LONDON**

**Independent examiner's report to the trustees of Immanuel London**

I report to the charity trustees on my examination of the accounts of Immanuel London (the Trust) for the year ended 31 August 2024.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 AUGUST 2024**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements and assessment of going concern**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in sterling (£).

**Critical accounting judgements and key sources of estimation uncertainty**

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at a rate of 20% per annum on the written down value of furniture and equipment and 5% per annum on improvements to property in order to write them off over their estimated useful lives. Items costing less than £800 are fully written off in the year of purchase. Leasehold property is written off on a straight line basis over the term of the lease.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

**Cash at bank and in hand**

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

## NOTES TO THE FINANCIAL STATEMENTS - continued for the Year Ended 31 AUGUST 2024

### 1. ACCOUNTING POLICIES - continued

#### Taxation

#### Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

#### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

#### Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

#### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially settled at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

### REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2023

#### OBJECTIVES AND ACTIVITIES

##### Objectives and activities

The statements of purpose and task adopted by Immanuel London are:

##### Objects:

- the provision of public meetings for the worship of God and for prayer;
- the instruction and edification of Christians;
- the evangelisation of non-Christians; and
- the preparation, discipling and education (including religious education) of young people and children from a Christian biblical worldview.

##### Core Values:

- Intimacy with God - growing in our relationship with God is our highest priority
- Worship - we desire to be a community that values worship as a lifestyle
- Prophetic - we desire to be a prophetic community in both word and action
- Prayer - we value the importance of personal and corporate prayer
- Community - we have a heart to share our lives together in community
- Discipleship - we value cross generational discipleship
- Kingdom Vision - we are committed to an area wide perspective and strategy, and to serve, resource and learn from the wider church
- Salvation and Transformation - we desire to see salvations and societal transformation and to serve the local community through practical acts of service

##### Immanuel

The church meets as one congregation each Sunday overseen and accountable to the leadership team of Immanuel and at other times during the week for prayer and other church related activities.

Since the start of the COVID 19 pandemic the church has continued to meet 'in person' when government guidance / restrictions have allowed, and with necessary 'Covid compliant' measures in place but has also included live streaming of meetings as an addition. These measures have now largely scaled back to their pre-pandemic status.

##### Immanuel School

The vision of Immanuel School is 'Disciples of Jesus Christ, for such a time as this', and the mission of the school is 'We resolve, with the support of the parents, to prepare, disciple and educate young people from a Biblical world view, to meet the opportunities and challenges of a changing world'.

Immanuel School provides full time education from a Christian perspective for 3-16 year olds. Pupils are of many nationalities and of families from many varieties of churchmanship.

We encourage and nurture Christian education and Christian schools throughout the world and work with the Independent Schools Inspectorate.

Since the start of the COVID 19 pandemic Immanuel School has followed all government regulations and guidance.

##### Social Action

Since the start of the COVID 19 pandemic, as a church we were involved in several initiatives that serve the poor and needy in our local community. This has continued this year. Church members have organised shopping and visits for some vulnerable members of the community. Food hampers were distributed to needy families. We have also put on a Christmas Feast for the more vulnerable families in our local community.

##### Administrative

Issues continue to be addressed in relation to governance, health and safety and various other policy matters.

##### The contribution of volunteers

The role of volunteers in the work of the Trust is such that without their involvement most aspects of the work, including the Trust administration, would cease functioning.

In addition, while minimum wage legislation has been complied with, the Trust has benefited from the willingness of most of its employees to agree to be employed at salaries very significantly lower than external wage rates.

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2023**

#### **OBJECTIVES AND ACTIVITIES**

##### **Public benefit**

The Trustees have had regard to the Guidance of the Charity Commission on public benefit which it fulfils through its principal objective stated above.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

The Trustees are satisfied that:

The income and property of the charity was properly applied to its stated objects, in accordance with the above mentioned statements of purpose and task; the expenditure of the charity was broadly in balance with its income, and the larger part of the surplus funds reflected in the accounts were used within a reasonable period since the end of this financial year; in the light of the above comment, there was no significant accumulation of funds; separate accounting records are maintained for the school within the charity; income which constituted a contribution by the parents of pupils of Immanuel School to the costs of their children's education was paid into an account designated for that purpose.

#### **FINANCIAL REVIEW**

##### **Financial position**

During the year the charity had income of £629,936 of which £97,964 was from Immanuel London and Havering Grange Centre, £531,972 from Immanuel School. There was no restricted income in the year.

There was general expenditure of £564,822 of which £192,217 was for Immanuel London and Havering Grange Centre, £360,370 for Immanuel School. There were restricted depreciation costs of £12,234. The net income and expenditure in the year resulted in an overall surplus totalling £65,114.

The above surplus has left the Net Current Assets with a balance of £273,426. Depreciation against fixed assets was £16,372.

##### **Reserves policy**

The Trustees have reviewed the reserve policy and consider it prudent to keep sufficient reserves, not invested in tangible assets but kept unrestricted, to enable the payment of normal running costs. This has been set at one month's employee costs, plus provisions to ensure compliance costs of the Independent Schools Inspectorate can be met and ongoing maintenance can be carried out. The charity currently has sufficient reserves to cover these eventualities.

##### **Current Building Projects**

We have moved the boundary fence to the correct location along the end of the field, thinned out and tidied the woodland area and begun to develop the front area of the site which has included regrading the front lawns.

#### **FUTURE PLANS**

We anticipate carrying out further improvements in the coming financial year. This includes further development of the front area of the site by widening and re-concreting the paths along the front of the building and continuing the improvements to the lawns. We will also replace the exterior lighting along the back of the school building and will begin fundraising with a view to developing the playground area.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a constitution, and is a Charitable Incorporated Organisation.

## **IMMANUEL LONDON**

### **REPORT OF THE TRUSTEES for the Year Ended 31 AUGUST 2023**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Recruitment and appointment of new trustees**

Trustees are recruited from within the church membership. They are active, reliable members, of reasonably long standing. They are people who clearly demonstrate their understanding and commitment to the vision and values of the church, are deemed to be of good Christian character, and give financially to the work of God in accordance with Biblical beliefs. Furthermore, they are people who demonstrate a competence commensurate with the fulfilment of the responsibilities of Trustees.

New Trustees are proposed by existing Trustees, in consultation with the Church Leadership, which has a veto over the appointment of any Trustee. New Trustees are invited to attend regular Trustees' meetings for an initial minimum period of 6 months, functioning in a probationary capacity, but with full decision-making power. After this probationary period, if approved by the existing Trustees and Church Leadership, they would normally be invited by the existing Trustees to take up the permanent role of a Trustee, with written confirmation of each appointment from the Chairman. After this, there would normally follow a discussion of the specific roles and functions of each new Trustee within the Board.

##### **Management structure**

Immanuel London is led by its leadership team who provide the spiritual leadership of the church, including responsibility for maintaining the understanding of the Christian faith in accordance with the church's statement of beliefs and providing pastoral care of the church. The Leadership team are responsible for the day-to-day management of the church's various activities under the oversight of the Trustees.

##### **Induction and training of new trustees**

The formal invitation to become a Trustee 'on probation' would include a copy of the Charity Commissions publication outlining "Responsibilities of Charity Trustees", the latest of which is "The Essential Trustee: What you need to know" (July 2015). Each invitee is invited to spend a day in the Church Office, speaking to our administrative staff and reviewing past minutes and financial documents. Also, these invitees will both observe, and participate in, a number of Trustees' meetings before being formally invited to become a permanent Trustee, usually over a 6-month period. In addition, there is the opportunity for informal mentoring by an existing Trustee and an encouragement to attend external training or conference meetings as required by the Trust.

##### **Key management personnel remuneration**

The remuneration of key management personnel is set by the trustees, taking into account the responsibility of the role, periodic benchmarking and current levels of inflation. Individuals take no part in discussions involving their own remuneration

##### **Related parties**

There were no related party transactions during the year.

##### **Risk management**

The Trustees are continuing to review the risks to which the charity is exposed and systems are being implemented to mitigate those risks where possible. Ongoing risk assessments are performed and acted upon in material risk areas.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
IMMANUEL LONDON**

**Independent examiner's report to the trustees of Immanuel London**

I report to the charity trustees on my examination of the accounts of Immanuel London (the Trust) for the year ended 31 August 2023.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS  
for the Year Ended 31 AUGUST 2023**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements and assessment of going concern**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in sterling (£).

**Critical accounting judgements and key sources of estimation uncertainty**

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at a rate of 20% per annum on the written down value of furniture and equipment and 5% per annum on improvements to property in order to write them off over their estimated useful lives. Items costing less than £800 are fully written off in the year of purchase. Leasehold property is written off on a straight line basis over the term of the lease.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

**Cash at bank and in hand**

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

**NOTES TO THE FINANCIAL STATEMENTS - continued**  
**for the Year Ended 31 AUGUST 2023**

**1. ACCOUNTING POLICIES - continued**

**Taxation**

**Creditors**

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially settled at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

- Worship - we desire to be a community that values worship as a lifestyle
- Prophetic - we desire to be a prophetic community in both word and action
- Prayer - we value the importance of personal and corporate prayer
- Community - we have a heart to share our lives together in community
- Discipleship - we value cross generational discipleship
- Kingdom Vision - we are committed to an area wide perspective and strategy, and to serve, resource and learn from the wider church
- Salvation and Transformation - we desire to see salvations and societal transformation and to serve the local community through practical acts of service

##### **Immanuel**

The church meets as one congregation each Sunday overseen and accountable to the leadership team of Immanuel and at other times during the week for prayer and other church related activities.

Since the start of the COVID 19 pandemic the church has continued to meet 'in person' when government guidance / restrictions have allowed, and with necessary 'Covid compliant' measures in place but has also included live streaming of meetings as an addition.

##### **Immanuel School**

The vision of Immanuel School is 'Disciples of Jesus Christ, for such a time as this', and the mission of the school is 'We resolve, with the support of the parents, to prepare, disciple and educate young people from a Biblical world view, to meet the opportunities and challenges of a changing world'.

Immanuel School provides full time education from a Christian perspective for 3-16 year olds. Pupils are of many nationalities and of families from many varieties of churchmanship.

We encourage and nurture Christian education and Christian schools throughout the world and work with the Independent Schools Inspectorate.

Since the start of the COVID 19 pandemic Immanuel School has followed all government regulations and guidance.

##### **Social Action**

Since the start of the COVID 19 pandemic, as a church we were involved in several initiatives that serve the poor and needy in our local community. Church members have organised shopping and visits for some vulnerable members of the community. Food hampers were also distributed to needy families.

##### **Administrative**

Issues continue to be addressed in relation to governance, health and safety and various other policy matters.

##### **The contribution of volunteers**

The role of volunteers in the work of the Trust is such that without their involvement most aspects of the work, including the Trust administration, would cease functioning. In addition, while minimum wage legislation has been complied with, the Trust has benefited from the willingness of most of its employees to agree to be employed at salaries very significantly lower than external wage rates.

### **REPORT OF THE TRUSTEES** **for the Year Ended 31 August 2021**

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

The Trustees are satisfied that:

The Trustees are satisfied that:

The income and property of the charity was properly applied to its stated objects, in accordance with the above mentioned statements of purpose and task; the expenditure of the charity was broadly in balance with its income, and the larger part of the surplus funds reflected in the accounts were used within a reasonable period since the end of this financial year; in the light of the above comment, there was no significant accumulation of funds; separate accounting records are maintained for the school within the charity; income which constituted a contribution by the parents of pupils of Immanuel School to the costs of their children's education was paid into an account designated for that purpose.

#### **FINANCIAL REVIEW**

##### **Financial position**

During the year the charity had income of £493,127 of which £71,317 was from Immanuel London and Havering Grange Centre and £421,810 from Immanuel School. There was no restricted income in the year.

There was general expenditure of £511,236 of which £159,249 was for Immanuel London and Havering Grange Centre, £339,832 for Immanuel School and £12 for other activities. There were restricted depreciation costs of £12,143. The net income and expenditure in the year resulted in an overall deficit totalling 19,109.

The above surplus has left the Net Current Assets with a balance of £195,203. Depreciation against fixed assets was £17,517.

##### **Reserves policy**

The Trustees have reviewed the reserve policy and consider it prudent to keep sufficient reserves, not invested in tangible assets but kept unrestricted, to enable the payment of normal running costs. This has been set at one month's employee costs, plus provisions to ensure compliance costs of the Independent Schools Inspectorate can be met and ongoing maintenance can be carried out. The charity currently has sufficient reserves to cover these eventualities.

##### **Current Building Projects**

During this financial year we have added CCTV, enlarged the reception area, extended paths, renewed and varnished 2 classroom floors, refurbished the bungalow bathroom as well as completing general site maintenance, repairs and other minor developments to the site.

#### **FUTURE PLANS**

We anticipate carrying out further improvements in the coming financial year. This includes a project to develop the carpark to provide an overflow area.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a constitution, and is a Charitable Incorporated Organisation (CIO).

##### **Related parties**

There were no related party transactions during the year.

##### **Risk management**

The Trustees are continuing to review the risks to which the charity is exposed and systems are being implemented to mitigate those risks where possible. Ongoing risk assessments are performed and acted upon in material risk areas.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
IMMANUEL LONDON**

**Independent examiner's report to the trustees of Immanuel London**

I report to the charity trustees on my examination of the accounts of Immanuel London (the Trust) for the year ended 31 August 2021.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Institute of Chartered Accountants in England & Wales which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 August 2021**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements and assessment of going concern**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in sterling (£).

**Critical accounting judgements and key sources of estimation uncertainty**

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at a rate of 20% per annum on the written down value of furniture and equipment and 5% per annum on improvements to property in order to write them off over their estimated useful lives. Items costing less than £800 are fully written off in the year of purchase. Leasehold property is written off on a straight line basis over the term of the lease.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

**Cash at bank and in hand**

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

**Creditors**

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

**IMMANUEL LONDON**

**NOTES TO THE FINANCIAL STATEMENTS - continued**  
**for the Year Ended 31 August 2021**

**1. ACCOUNTING POLICIES - continued**

**Fund accounting**

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially settled at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
