TRUSTEES REPORT

YEAR ENDED 31 DECEMBER 2021

This is the fifth Trustee Report for the Yarmouth Greyhound Homefinders.

This report coincides with the period of time in which the World changed as a result of Coronavirus. We have been extremely fortunate to receive the continued support of all our donators both large and small, and therefore the financial impact of Coronavirus has been limited

Our continued belief in our Veterinary Assistance Scheme has meant that again significant vets bills have needed to be met in order to ensure help for all greyhounds requiring our assistance. Our sponsor company, Yarmouth Stadium continues to provide the financial support we require to enable us to continue this scheme.

Since the year end, we have received a substantial legacy, which has enabled us to return the fund to a solvent state. We have developed a plan to solve the problems that caused our original financial issue

The trustees are confident that the plan will be successful and the future of all our prospective greyhounds will be happy.
