CHARITY NUMBER 1172132

## TRUSTEES REPORT

YEAR ENDED 31 DECEMBER 2024

This is the eighth Trustee Report for the Yarmouth Greyhound Homefinder.

During this year, we have received further legacies to enable the Charity to continue to remain in a comfortable financial position at this time.

Our continued belief in our Veterinary Assistance Scheme has meant that again significant vets bills have needed to be met in order to ensure help for all greyhounds requiring our assistance. We have continued to work with our sponsor company towards the plan to reduce these costs as far as possible, and believe that we have done so and this should help with the future financial security of the Charity.

We have now commenced on a significant project to improve our kennels for the benefit of all our greyhounds and create an improved environment for our staff and volunteers to work in.

In keeping with the trend of most Animal Rehoming Centres, it has, again been a very difficult year in terms of the numbers of greyhounds that we have homed. The demand for rehomed dogs of all breeds continues to be much lower than pre and immediately post lockdown levels with the prevailing economic climate also causing issues. There has been a slight improvement in the homing rate since the year end and we are hopeful that this can now be maintained.

The trustees are confident that the future of the Charity will be favourable.
