

Humanity Gives Income & Expenditure Report for the Period

17 Nov 2023 to 17 Nov 2024

Review

2023/2024 This has been a time to rebuild, reassess and reflect following Covid.

There had been a significant downfall in donations following covid and this was addressed by the trustees who managed to secure a great level of support for our projects.

We have now embarked on a targeted approach of attending charitable dinners and events in order to highlight the work we do and this is now being evidenced in the levels of support we are managing to foster.

Humanity Gives though a small charity has built a lot of trust within local communities it serves.
