## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The COVID-19 pandemic and isolation measures were ongoing throughout the whole of this financial period and has continued to impact the way Myriad Foundation provided support to the community.</p> <p>Particularly, due to Government restrictions a number of our services were still unable to operate and as such, projects including "My Social Buddy" where volunteers attend care homes and hospices were placed on hold until it was appropriate to restart in line with health and Government guidelines.</p> <p>Despite Government restrictions across a number of projects, Myriad Foundation adapted to the changing needs of society by launching new services and adapting the delivery of existing services.</p> <p>During the year Myriad Foundation continued its food bank operation, "Feed a Friend", however, it operated differently by delivering food parcels directly to those in need. This provides greater dignity and ease to vulnerable service users.</p> <p>Myriad Foundation has continued to operate and run a soup kitchen, "Soup N Smiles", in Manchester City Centre continuously throughout the year on a bi-weekly basis. The soup kitchen is the Myriad Foundations biggest project, in terms of volunteer numbers, relying on the vital contribution of over 30 volunteers. Over 4000 vital meals were provided to vulnerable people in Manchester including not only soup, beverages and hot meals but also clothing and accessories. Volunteers spend time building relationships with the guests in order to provide relief from social isolation particularly in what was a significantly challenging year for vulnerable communities.</p> <p>In the prior period, Myriad Foundation agreed the terms of a community asset transfer with Manchester City Council to acquire a community building in Longsight from which to deliver a vast array of new projects and expand additional services that are currently being provided. The trustees worked with external advisers to develop a redevelopment plan and due to the listed status of the building entered into ongoing consultations with Manchester City Council's planning team to agree a scope of work.</p>

## MYRIAD FOUNDATION CIO

### Independent examiner's report to the trustees

---

I report on the accounts of Myriad Foundation CIO, for the year ended 31st March 2022, which are set out on the CC16a (pages CCXX R1 and R2).

#### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 ("the 2011 act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and subsequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out below.

#### Independent examiner's statements

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act,have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
