OBJECTIVES AND ACTIVITIES

The CIO was established to promote, maintain, improve and advance the education of the public in the arts, culture, and heritage, and in particular (but without prejudice to the generality of the foregoing), the arts of orchestral, choral and other music.

Since the previous Annual Report (and since our founding) there has been no change to the CIO's principal charitable objectives and activities, which are:

1. the organisation and/or presentation of concerts of high educational and artistic merit, conferences, lectures and recordings;
2. the organisation and presentation of concerts and collaborations with schools and other places of education; and
3. the organisation and presentation of such other events and performances as the Board of Directors shall from time to time determine.

This includes the organisation and promotion of concerts and the facilitation and organisation of other engagements such as workshops, lectures, and recordings in the United Kingdom and abroad. Alongside the core performances, the CIO is committed to providing additional opportunities for professional development and education through complementary projects and mentoring. In furtherance of these objectives the CIO engages international singers and instrumentalists, artists, performers and répétiteurs; additionally, the CIO engages skilled professional and technical advisers such as language and vocal coaches, musicologists, historians, and keyboard technicians.

The Trustees have reviewed the Charity's objectives and activities and acknowledged that they have paid due regard to the public benefit guidance published by the Charity Commission as noted in Section 4 of the Charities Act 2011. The CIO fulfilled its objectives by presenting 51 concerts and other performances. The Choral Scholarship scheme was in place for this period, and eight full scholarships and two half scholarships were offered between September 2023 and August 2024. The Trustees express the objectives in a 'Mission Statement' and monitor its activities/initiatives against this.

Private Events

In contrast to the previous year, the 2023–24 season began from a strong financial position. However, the Board of Trustees made the strategic decision to scale up the charity's musical activity gradually, prioritising financial prudence and long-term sustainability. The six-concert *Partitas* series, launched in September 2023, formed the backbone of the organisation's own-promoted performances, providing regular monthly concerts in New College Chapel and platforming the charity's Choral Scholars and co-principal keyboardists.

Alongside this, four larger-scale concerts were initially proposed. However, the unexpected withdrawal of a major funder in December 2023, combined with the significant logistical commitment involved in delivering *Shall We Gather at the River* in New York in May 2024, led the Trustees to revise this plan. Three large-scale concert

projects ultimately went ahead: the charity's recommitment to Bach's cantatas with Silence in Heaven (October 2023); the annual Christmas Oratorio performances in Oxford and London (December 2023 and January 2024); and the St John Passion in both cities (March 2024).

The announcement in April 2024 that Artistic Director Tom Hammond-Davies would be relocating to Dallas in July 2024 to take up a full-time post as Director of Music introduced a further challenge. Owing to the timing of his appointment, Friends and supporters were informed just two weeks after the Trustees were notified. This limited the organisation's ability to plan strategically and may have contributed to the drop in membership figures.

Tom Hammond-Davies's departure, after founding the group, marked a significant moment of transition. In August 2024, the Trustees confirmed their intention to proceed with the 2024–25 season, with artistic planning and delivery overseen by the General Manager in collaboration with a group of guest directors. Some of these were being considered for a more permanent appointment; others were long-standing collaborators who understood the ensemble's musical ethos. This approach enabled continuity while offering the flexibility needed during a period of change.

The decision to maintain regular activity was especially important in light of the reinstated Choral Scholarship scheme. With four new scholars appointed in February 2025, and recruitment for a new (overlapping) cohort scheduled to begin in June 2025, the organisation prioritised stable musical leadership to ensure effective mentoring and performance opportunities. Drawing on existing relationships and a strong network of trusted musicians, the Oxford Bach Soloists were able to sustain their core work while positioning the charity for continued growth and long-term planning.

The Choral Scholarship scheme, now in its fifth year, continued to provide an important professional development opportunity for young aspiring singers. For 2023–24, the charity awarded 8 full scholarships and 2 half scholarships. Scholars are appointed for a single academic year and benefit from regular performance opportunities, solo work, and tailored mentorship including language coaching. However, with the uncertainty around leadership and the future of the organisation in early summer 2024, the Trustees made the decision to pause recruitment for the sixth cohort. Following an outpouring of support from audiences, players, and stakeholders, and a significant financial pledge to support the 2024–25 season, the Trustees resolved to continue the organisation's work. Four new scholarships were awarded in February 2025, allowing the charity to

Year ended 31st August 2024

re-establish core activity mid-season. Recruitment for a new (overlapping) cohort of scholars for the 2025–26 season will begin in June 2025, ensuring continuity and enabling longer-term planning for the first time since the pandemic.

The Oxford Bach Soloists' network of Friends and supporters continued to offer committed backing during this period. However, the number of active Friends memberships decreased to 118. This may reflect a combination of factors, including uncertainty around the organisation's long-term direction and a strategic decision to move forward cautiously in the wake of the pandemic.

The Trustees hope to appoint a new Artistic Director by July 2025, following careful consideration of candidates who have worked with the ensemble during this transitional year. Feedback from the General Manager, audiences, Friends and supporters, players, and singers is being actively taken into account. The Trustees are especially grateful to Katie Ambrose, General Manager, for her leadership and tireless work in sustaining the ensemble throughout this period. Without her efforts, the continuation of the charity's work would not have been possible.

The Digital Concerts platform remained an important part of the organisation's offering, enabling audiences to access own-promoted concerts remotely. Over the course of the year, 35 Digital Concert subscriptions were active.

The Oxford Bach Soloists' monthly newsletter continued to provide reflections, project news, and behind-the-scenes content to over 1,000 subscribers, and remains a key element of the organisation's outreach and engagement strategy.

FINANCIAL REVIEW

This was the seventh operating period of the charity. The proceeds from concerts were £224,202 in the 12-month period, compared with costs of £280,476. Some of the shortfall has been covered by general fundraising from Friends (£10,204), and from general donations (£8,162). The charity also received restricted donations (£4,700) to complete a particular artistic project. There is a deficit of £33,208 calculated on an accrual basis. The Charity secured funding from an individual donor which started in 2020–21, and which allowed significant growth and secured funds to pay musicians. This funding was terminated in December 2023, and whilst the charity found a

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2024

temporary solution to fund the 2024–25 season, there is a need to secure a more long-term solution to allow future planning and maintain artistic excellence.

Proceeds from concerts have increased compared to the previous period, due in large part to the expansion of collaborative projects this season — particularly the international venture *Shall We Gather at the River* in New York. However, general fundraising through gifts and donations has decreased following the loss of a major source of funding in December 2023. Membership income has also declined slightly, reflecting both the departure of the Founding Artistic Director and the necessary shift away from a regular cantata series in the absence of significant financial backing.

Fees paid to musicians increased over the period, as well as general administration costs. The musicians' fees increased due to expanding the number of engagements across the period, and also due to the large-scale project in New York. Though the spend on salaries was slightly lower during this period, the general administration costs increased. This is due to more administration staff being employed on a freelance basis by the charity, and some overtime being needed to complete the collaborative larger-scale projects.

At the end of the financial period, the Charity held assets of £49,009. These assets are adequate to provide the charity with working capital and the Trustees do not believe them to be excessive. Work continues to build a strong base of regular donors through the Friends programme and to sponsor the appointment of choral scholars. The charity does not break even on all the concerts which it performs, though it aims to be sustainable over a full 12-month period.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is constituted as a Charitable Incorporated Organisation and has memorandum and articles associated with this.

New Trustees are appointed according to the following procedure:

- a) Identifying an area of expertise either useful to the Charity or not present in the existing makeup of the Board.
- b) A process of gathering names.
- c) Names to be discussed at Trustees' meeting
- d) Selected individual(s) to be interviewed in person by two or more Trustees.
- e) Election of a nominated person in a formal meeting of Trustees.

Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2024

To support the administration of the Charity as it grows, the Charity has:

- a) Continued to engage the services of a professional bookkeeper.
- b) Continued to engage a General Manager working 3 days per week to drive the operational side of the Charity

RESERVES POLICY

Reserves are defined as unrestricted funds that are freely available to spend on any of the charitable purposes of the Charity. Funds such as restricted income funds, the balance of restricted grants, tangible fixed assets and any investment funds are excluded from the reserves. Reserves are held to meet any unexpected spending requirements and unforeseen day-to-day operational costs, any shortfall in income from donations or grants, any delays in receiving grant payments and to fulfil the obligations of the Charity.

The Beneficiaries of the Oxford Bach Soloists are the choral scholars, students, players, conductors and soloists who participate in our performances and the diverse audiences which come to listen and enjoy a unique musical experience. They come to the Charity to be able to take part in performances of a high quality that mirror the diversity of our community. Our historically informed musicianship allows for a lively interplay between committed performance and an immersive experience for the audience. They would all be adversely affected if the Charity was unable to operate and to provide them with these opportunities for performance, participation and support.

The Trustees therefore consider that a suitable policy for this Charity is to hold in reserves the equivalent of a minimum of three months of general operating costs including salary costs. This policy and the level of reserves will be reviewed once a year by the Trustees.

We currently hold £38,086 in unrestricted reserves which is the equivalent of around five months general operating costs for the Charity. We aim to maintain the reserves at the planned level of a minimum of three months of general operating costs by significantly increasing our fundraising activity and identifying suitable donors and organisations from whom general donations for this purpose can be requested. The Trustees and management team are conscious that they are likely to face financial headwinds from time to time, and are focussed on increasing income and closely

managing costs. Where possible, funders are urged to contribute to our unrestricted funds to cover our general operating costs, as well as to make restricted contributions towards specific projects. Management is committed to using a portion of general income to maintain the reserves.

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2023

OBJECTIVES AND ACTIVITIES

The CIO was established to promote, maintain, improve and advance the education of the public in the arts, culture, and heritage, and in particular (but without prejudice to the generality of the foregoing), the arts of orchestral, choral and other music.

Since the previous Annual Report (and since our founding) there has been no change to the CIO's principal charitable objectives and activities, which are:

1. the organisation and/or presentation of concerts of high educational and artistic merit, conferences, lectures and recordings;
2. the organisation and presentation of concerts and collaborations with schools and other places of education; and
3. by such other means as the Board of Directors shall from time to time determine.

This includes the organisation and promotion of concerts and the facilitation and organisation of other engagements such as workshops, lectures, and recordings in the United Kingdom and abroad. Alongside the core performances, the CIO is committed to providing additional opportunities for professional development and education through complementary projects and mentoring. In furtherance of these objectives the CIO engages international singers and instrumentalists, artists, performers and répétiteurs; additionally, the CIO engages skilled professional and technical advisers such as language and vocal coaches, musicologists, historians, and keyboard technicians.

The Trustees have reviewed the Charity's objectives and activities and acknowledged that they have paid due regard to the public benefit guidance published by the Charity Commission as noted in Section 4 of the Charities Act 2011. The CIO fulfilled its objectives by presenting 37 concerts and other performances. The Choral Scholarship scheme was in place for this period, and ten scholarships were offered between September 2022 and August 2023. The Trustees express the objectives in a 'Mission Statement' and monitor its activities/initiatives against this.

ACHIEVEMENTS AND PERFORMANCE

From 1st September 2022 to 31st August 2023, the Oxford Bach Soloists gave 22 concerts to a total of 5470 audience members (4110 in person, 1360 online). They also took part in 12 workshops and masterclasses.

The activities were as follows:

Own-promoted Live Performances

- 6 live concerts, as part of the one-off Motets series, 5 of which were in New College Chapel, 1 of which was in St Michael at the North Gate church. This series was designed: to provide a platform for the choral scholars to perform together; and to ensure that the charity had regular monthly concerts between October 2022 and March 2023.
- 1 live concert in New College Chapel, performing the yearly J.S. Bach's Christmas Oratorio. (December 2022).
- 1 live concert in New College Chapel, performing the yearly St John Passion. (April 2023)

Collaborative Live Performances

- 4 live performances at graduations for students at the Saïd Business School. (September 2022; March 2023; April 2023; July 2023)
- 3 live performances of Lutheran Vespers with The Choir of New College, Oxford, providing instrumental accompaniment for their termly cantata, performed in a historically informed Lutheran service. (October 2022; January 2023; April 2023)
- 1 live performance at Raynham Hall, as part of their concert series. (September 2022)

Workshops and Masterclasses

- 9 workshops with Dr Pegram Harrison, as part of his teaching for the Saïd Business School, demonstrating Collaboration and Leadership skills needed in successful music-making. (September 2022 - June 2023)
- 1 masterclass with tenor Nick Pritchard for the choral scholars in St Peter's College Chapel. This event was not open to the public. (February 2023)
- 1 masterclass with bass Alex Ashworth for the choral scholars in St Peter's College Chapel. This event was not open to the public. (June 2023)
- 1 masterclass with German coach Gerhard Gall for the choral scholars in Clore Music Studios. This event was not open to the public. (July 2023)

Private Events

- 1 live performance at the charity's annual Friends Day, consisting of a private recital from the choral scholars to the Friends and supporters.

In July 2022, the Board of Trustees decided to cancel 3 live concerts of cantatas by J.S. Bach in New College Chapel, due to a delay in major sponsorship funds arriving. This meant that, although the regular concert series restarted in April 2022, it was paused again in July 2022. These delayed funds arrived in September 2022, allowing the charity's musical activity to resume in October 2022. Therefore, the decision was taken to embark on another bespoke 6 concert series, this time focussing on Bach's choral motets. It was decided that this type of series would be the cornerstone of the organisation's artistic output until appropriate funds were raised to ensure that the regular concert series could be continued over a sustained period.

During this period, the Oxford Bach Soloists' network of Friends and sponsors continued to support the organisation. Many continued to renew their memberships despite the two cancelled concerts in the previous period. Within this reporting period, the organisation managed to acquire 23 new Friends and supporters, increasing the active base of ongoing memberships to 133.

Continuing to create and distribute content online in this period, and in particular collaborating with other groups online, has been an excellent way of ensuring that we

are connecting with our network of sponsors. In May 2022, the group trialled an online platform named 'Digital Concerts', allowing current Friends to access any own-promoted concerts in New College Chapel online. This was continued throughout the 2022-23 period, with all of the organisation's own promoted concerts being streamed onto the platform. The scheme attracted 33 subscribers during this period.

The Choral Scholarship scheme, which was launched in 2018, was continued for the academic year 2022-23, following its relaunch for the 2021-22 academic year, after its cancellation in 2020-21 due to the lack of activity during the pandemic. There were ten scholarships for 2022-23 and these scholarships provide a unique opportunity for young aspiring singers to develop their solo singing within the musical programme of the Oxford Bach Soloists. Choral Scholars are appointed for a single academic year (September to August) and make up the core of the chorus, helping to maintain its musical integrity. Choral Scholars develop their skills by taking on the challenges of step-out solos during concerts and receive one-to-one expert German language coaching as part of their training, as well as extensive one-to-one mentoring from the Artistic Director of Oxford Bach Soloists.

The recruitment cycle for a fifth cohort of Choral Scholars was activated in May 2023, and another cohort of ten Choral Scholars were engaged for the academic year starting in September 2023.

The Oxford Bach Soloists' newsletter captures the experiences of the musicians as they journey through the complete vocal works of Johann Sebastian Bach, and is sent out to over 1000 followers every month.

FINANCIAL REVIEW

This was the sixth operating period of the charity. The proceeds from concerts were £77,207 in the 12-month period, compared with costs of £201,603. Some of the shortfall has been covered by general fundraising from Friends (£9,879), and from general donations (£130,512). The charity also received a restricted donation (£20,000) to complete a particular artistic project. There is a surplus of £35,997 calculated on a cash basis. The Charity secured funding from an individual donor which started in 2020-21, and which allowed significant growth and secured funds to pay musicians. This funding

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2023

was terminated in December 2023, and the charity is now searching for funds to replace this potential shortfall for 2024-25.

Proceeds from concerts and general fundraising are lower than the previous period, as the activity had been reduced in order to ensure the organisation's longevity. General fundraising per month has increased since the previous period, as the organisation seeks for more funding to restart the regular monthly cantata concerts.

Fees paid to musicians decreased over the period, as well as the general administration costs. The musicians' fees decreased due to fewer engagements across the period, and also due to the smaller forces required for the Motets series. Though the spend on salaries was slightly higher during this period, the general administration costs decreased. This is due to fewer administration staff being employed on a freelance basis by the charity, and fewer funds being spent on both marketing and PR consultancy. £4,130 of the spend this year was the repayment of a short term loan from 2021-22.

At the end of the financial period, the Charity held assets of £82,217. These assets are adequate to provide the charity with working capital and the Trustees do not believe them to be excessive. Work continues to build a strong base of regular donors through the Friends programme and to sponsor the appointment of choral scholars. The charity does not break even on all the concerts which it performs, though it aims to be sustainable over a full 12-month period.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

OXFORD BACH SOLOISTS

England & Wales - Charity number 1172192

Accounts

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2022

OBJECTIVES AND ACTIVITIES

The CIO was established to promote, maintain, improve and advance the education of the public in the arts, culture, and heritage, and in particular (but without prejudice to the generality of the foregoing), the arts of orchestral, choral and other music.

Since the previous Annual Report (and since our founding) there has been no change to the CIO's principal charitable objectives and activities, which are:

1. the organisation and/or presentation of concerts of high educational and artistic merit, conferences, lectures and recordings;
2. the organisation and presentation of concerts and collaborations with schools and other places of education; and
3. by such other means as the Board of Directors shall from time to time determine.

This includes the organisation and promotion of concerts and the facilitation and organisation of other engagements such as workshops, lectures, and recordings in the United Kingdom and abroad. Alongside the core performances, the CIO is committed to providing additional opportunities for professional development and education through complementary projects and mentoring. In furtherance of these objectives the CIO engages international singers and instrumentalists, artists, performers and répétiteurs; additionally, the CIO engages skilled professional and technical advisers such as language and vocal coaches, musicologists, historians, and keyboard technicians.

The Trustees have reviewed the Charity's objectives and activities and acknowledged that they have paid due regard to the public benefit guidance published by the Charity Commission as noted in Section 4 of the Charities Act 2011. The CIO fulfilled its objectives by presenting 37 concerts and other performances. The Choral Scholarship scheme was in place for this period, and eight scholarships were offered between September 2021 and August 2022. The Trustees express the objectives in a 'Mission Statement' and monitor its activities/initiatives against this.

ACHIEVEMENTS AND PERFORMANCE

From 1st September 2021 to 31st August 2022, the Oxford Bach Soloists gave 23 concerts to a total of 2781 audience members. They also took part in 14 workshops and masterclasses, some of which were open to the public.

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2022

The activities were as follows:

Own-promoted Live Performances

- 6 live concerts in New College Chapel, as part of the one-off Brandenburg series. This series was designed for: getting back to live music-making post the pandemic; ensuring there was live music-making in the calendar before the Easter Festival in 2021; providing performance opportunities for newly recruited choral scholars. (October 2021 - March 2022)
- 1 live concert at Edington Priory (dress rehearsal for first Brandenburg concert; October 2021).
- 4 live concerts in New College Chapel, as part of the Easter Festival 2022. These performances celebrated the group reaching the 25% mark in their goal to perform all of J.S. Bach's cantatas in chronological order. (April 2022)
- 2 live concerts of cantatas by J.S. Bach in New College Chapel, as part of the regular concert series. (May 2022; June 2022)

Collaborative Live Performances

- 3 performances at graduations for students at the Saïd Business School. (September 2021; July 2022; August 2022)
- 3 performances of Lutheran Vespers with The Choir of New College, Oxford, providing instrumental accompaniment for their termly cantata, performed in a historically informed Lutheran service. (October 2021; February 2022; May 2022)
- 1 live performance in Christ Church Cathedral as part of the Follow the Stars - Macmillan Carol Concert. (December 2021)
- 1 live performance of B minor Mass in St John the Evangelist Church. The group provided the band and the soloists (who were the choral scholars), and collaborated with singers from choirs in the local area. (July 2022)

Workshops and Masterclasses

- 10 workshops with Dr Pegram Harrison, as part of his teaching for the Saïd Business School and London School of Economics, demonstrating Collaboration

Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2022

and Leadership skills needed in successful music-making. (September 2021 - June 2022)

- 1 masterclass with baritone Roddy Williams for the choral scholars in St Peter's College Chapel. This event was not open to the public. (January 2022)
- 1 Continuo Workshop in New College Chapel, in collaboration with The Betts Fund. This event was for students at the University of Oxford to learn from the group's principal continuo players, and was open to the public. (March 2022)
- 1 masterclass with patron Michael Chance for the choral scholars in St Michael at the North Gate Church. This event was open to the public. (May 2022)
- 1 masterclass with bass Peter Harvey for the choral scholars in St Peter's College Chapel. This event was open to the public. (May 2022)

Private Events

- 1 live performance (rescheduled post the pandemic) in New College Chapel, as a private event to celebrate a landmark birthday. (April 2022)
- 1 live performance as a pre-dinner concert (30mins) for the Oxford Impact Investing Programme. (June 2022)

The Board of Trustees decided to cancel 3 live concerts of cantatas by J.S. Bach in New College Chapel (July & August 2022), due to a delay in major sponsorship funds arriving. If these concerts had gone ahead, it would have left the charity without the funds to pay the musicians and staff, as each of these three concerts were projected to make a loss. This meant that, although the regular concert series restarted in April 2022, it was paused again in July 2022. These delayed funds arrived in September 2022, allowing the charity's musical activity to resume in October 2022. The decision was made that although the charity's regular music-making would continue through 2022-23, the regular concert series would not resume until the charity had raised enough funds to ensure their continuation over a sustained period.

During this period, the Oxford Bach Soloists' network of Friends and sponsors continued to support the organisation. Many continued to renew their memberships despite the lack of concert activity in the previous period. Within this reporting period, the organisation managed to acquire 32 new Friends and supporters, increasing the active base of ongoing memberships to 110.

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2022

Continuing to create and distribute content online in this period, and in particular collaborating with other groups online, has been an excellent way of ensuring that we are connecting with our network of sponsors. In May 2022, the group trialled an online platform named 'Digital Concerts', allowing current Friends to access any own-promoted concerts in New College Chapel online. This allows Friends and sponsors who do not live in the local Oxford area to have access to the group's Oxford based music-making.

The Choral Scholarship scheme, which was launched in 2018, was resumed for the academic year 2021-22, after its suspension for the 2020-21 academic year, due to the lack of activity during the pandemic. There were eight scholarships for 2021-22 and these scholarships provide a unique opportunity for young aspiring singers to develop their solo singing within the musical programme of the Oxford Bach Soloists. Choral Scholars are appointed for a single academic year (September to August) and make up the core of the chorus, helping to maintain its musical integrity. Choral Scholars develop their skills by taking on the challenges of step-out solos during concerts and receive one-to-one expert German language coaching as part of their training, as well as extensive one-to-one mentoring from the Artistic Director of Oxford Bach Soloists.

The recruitment cycle for a fourth cohort of Choral Scholars was activated in April 2022, and an increased cohort of ten Choral Scholars were engaged for the academic year starting in September 2022.

The Oxford Bach Soloists' newsletter captures the experiences of the musicians as they journey through the complete vocal works of Johann Sebastian Bach, and is sent out to over 1000 followers every month.

FINANCIAL REVIEW

This was the fifth operating period of the charity. The proceeds from concerts were £99,023 in the 12-month period, compared with costs of £253,766. Some of the shortfall has been covered by general fundraising from Friends (£19,637), and from general donations (£133,513). There is a deficit of £4,659 calculated on a cash basis, which will be covered by income (both donations and concert proceeds) in the next financial period. The Charity secured funding from an individual donor for 2020-21, which

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2022

allowed significant growth and secured funds to pay musicians. This funding continues and has now been secured for 2022-23.

Proceeds from concerts and general fundraising are higher than the previous period, as relaxing of restrictions since the pandemic allowed for a greater number of concerts. Choral scholarship donations, and general fundraising per month have all decreased since the previous period, as the organisation does not need as much support from individual donors to sustain activity.

Fees paid to musicians increased significantly over the period, whilst the general administration costs decreased. The musicians' fees increased due to the greater number of engagements across the period. Though the spend on salaries was higher during this period, the general administration costs decreased. This is due to fewer administration staff being employed on a freelance basis by the charity, and fewer funds being spent on both marketing and PR consultancy.

At the end of the financial period, the Charity held assets of £46,222. These assets are adequate to provide the charity with working capital and the Trustees do not believe them to be excessive. Work continues to build a strong base of regular donors through the Friends programme and to sponsor the appointment of choral scholars. The charity does not break even on all the concerts which it performs, though it aims to be sustainable over a full 12-month period.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes ☒	No ☐	N/a ☐
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes ☒	No ☐	N/a ☐
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes ☒	No ☐	N/a ☐
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes ☐	No ☐	N/a ☒
Government grants	The charity has received government grants in the reporting period	Yes ☐	No ☒	N/a ☐
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	Yes ☒	No ☐	N/a ☐
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes ☐	No ☐	N/a ☒
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes ☐	No ☐	N/a ☒
Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.	Yes ☐	No ☐	N/a ☒
Support costs	The charity has incurred expenditure on support costs.	Yes ☐	No ☐	N/a ☒
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes ☒	No ☐	N/a ☐
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes ☒	No ☐	N/a ☐
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes ☒	No ☐	N/a ☐

Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	Yes	No	N/a
		☐	☐	☒
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes	No	N/a
		☐	☐	☒

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2021

OBJECTIVES AND ACTIVITIES

The CIO was established to promote, maintain, improve and advance the education of the public in the arts, culture, and heritage, and in particular (but without prejudice to the generality of the foregoing), the arts of orchestral, choral and other music.

Since the previous Annual Report (and since our founding) there has been no change to the CIO's principal charitable objectives and activities, which are:

1. the organisation and/or presentation of concerts of high educational and artistic merit, conferences, lectures and recordings;
2. the organisation and presentation of concerts and collaborations with schools and other places of education; and
3. by such other means as the Board of Directors shall from time to time determine.

This includes the organisation and promotion of concerts and the facilitation and organisation of other engagements such as workshops, lectures, and recordings in the United Kingdom and abroad. Alongside the core performances, the CIO is committed to providing additional opportunities for professional development and education through complementary projects and mentoring. In furtherance of these objectives the CIO engages international singers and instrumentalists, artists, performers and répétiteurs; additionally, the CIO engages skilled professional and technical advisers such as language and vocal coaches, musicologists, historians, and keyboard technicians.

The Trustees have reviewed the Charity's objectives and activities and acknowledged that they have paid due regard to the public benefit guidance published by the Charity Commission as noted in Section 4 of the Charities Act 2011. The CIO fulfilled its objectives by presenting 12 concerts and other performances, despite the pandemic. Whilst the Choral Scholarship scheme was suspended for this period, the Trustees acknowledge the organisation's intention to continue this scheme when possible. The Trustees express the objectives in a 'Mission Statement' and monitor its activities/initiatives against this.

ACHIEVEMENTS AND PERFORMANCE

From 1st September 2020 to 31st August 2021, the Oxford Bach Soloists gave 1 live performance to a total of 65 audience members, and 11 online performances reaching 9,592 views. The activities were as follows:

Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2021

Live Performances

- 1 live concert as part of the Tilford Bach Festival, performing a concert of Christmas Baroque music (December 2020).

Online performances

- In response to the further UK coronavirus lockdown imposed on 4 January 2021, the Oxford Bach Soloists moved to put their Easter Festival, which was due to restart the chronology, online. This consisted of 4 days of videos that were filmed in Christ Church Cathedral, Oxford, and released from Good Friday through to Easter Monday. This project included a collaboration with director Tom Guthrie to produce a semi-staged version of BWV 245 *St John Passion*. (April 2021, 1,445 views)
- 5 online performances continued our “Back to Bach” monthly series, initiated during the lockdown to provide opportunities to offer paid work to musicians, whilst maintaining the Oxford Bach Soloists’ online presence and profile, for continued engagement. (1,939 views)
- 1 online performance as part of the Oxford Lieder Festival, performing BWV 82a, and extracts from BWV 198 alongside tenor Ian Bostridge, who performed Britten’s Canticale 1 and Five Spiritual Songs. (October 2020, 357 views)
- 1 online collaboration with film production company Positive Note to produce an online series called Breaking the Silence, which was supported by CCLA. This was a performance of BWV 232 B minor mass, filmed in advance with social distancing, and released over four episodes on YouTube. (April 2021, 5,851 views)

In response to the UK coronavirus lockdown imposed on 23 March 2020, the Board of Trustees decided to cancel all planned live concerts through to March 2021, with the hope of restarting the organisation’s regular concert series on Good Friday 2021 (2 April). Unfortunately, due to the subsequent lockdowns that were imposed on 5 November 2020 and 6 January 2021, restarting the regular concert series was delayed by a further year until April 2022.

During this continued period of challenge, the Oxford Bach Soloists’ network of Friends and sponsors continued to support the organisation. Many continued to renew their memberships despite the lack of concert activity. Within this period, the organisation

Oxford Bach Soloists
Charitable Incorporated Organisation Trustees' Annual Report
Year ended 31st August 2021

managed to acquire 17 new Friends and supporters, increasing the active base of ongoing memberships to 74.

Continuing to create and distribute content online in this period, and in particular collaborating with other groups online, has been an excellent way of ensuring that we are connecting with our network of sponsors. It has also been an opportunity to continue to engage with a network worldwide. Our online content over this period reached the United States, Taiwan, and Poland, as well as audiences in the United Kingdom.

During this period, the organisation engaged a marketing consultancy firm to help with its online presence. Whilst this was deemed to be successful, it was ultimately decided that the benefits of engaging this firm did not outweigh the cost of the services. These services were not continued past August 2021. The organisation also engaged an agency to propose an updating branding scheme. This branding scheme was ultimately rejected by the major donor to this specific project, and so the organisation made the decision not to carry this forward.

The Choral Scholarship scheme, which was launched in 2018, was suspended for the academic year 2020-21 as it was felt that the organisation would not be able to fulfil the aims of the scholarship whilst the country was subject to the pandemic. Normally, these scholarships provide a unique opportunity for young aspiring singers to develop their solo singing within the musical programme of the Oxford Bach Soloists. Choral Scholars are usually appointed for a single academic year (September to August) and make up the core of the chorus, helping to maintain its musical integrity. Choral Scholars develop their skills by taking on the challenges of step-out solos during concerts and receive one-to-one expert German language coaching as part of their training, as well as extensive one-to-one mentoring from the Artistic Director of Oxford Bach Soloists.

The recruitment cycle for a third cohort of Choral Scholars was reactivated in June 2021, and a reduced cohort of eight Choral Scholars were engaged for the academic year starting in September 2021.

The Oxford Bach Soloists' newsletter captures the experiences of the musicians as they journey through the complete vocal works of Johann Sebastian Bach, and is sent out to over 1000 followers every month.

FINANCIAL REVIEW

This was the fourth operating period of the charity. The proceeds from concerts were £23,466 in the 12-month period, compared with costs of £244,310. Some of the shortfall has been covered by general fundraising from Friends (£24,654), and from general donations (£141,900). There is a deficit of £23,694 calculated on a cash basis, which will be covered by income (both donations and concert proceeds) in the next financial period. The Charity secured funding from an individual donor for 2020-21, which allowed significant growth and secured funds to pay musicians. This funding continues and has now been secured for 2021-22.

Proceeds from concerts and general fundraising are lower than the previous period, as fewer concerts were performed in a shorter period. However, choral scholarship donations, proceeds per concert, and general fundraising per month have all increased since the previous period, which reflects the growing audience and reach of the organisation.

General administration costs increased significantly across the period while the fees paid to musicians reduced slightly. The general administration costs increased due to the decision by the Trustees in late 2020 to engage a part-time General Manager to drive the operational side of the Charity, which we consider has been of significant benefit to the smooth running of the charity. The fees to the musicians were reduced due to the limited number of engagements across the period.

At the end of the financial period, the Charity held assets of £50,881. These assets are adequate to provide the charity with working capital and the Trustees do not believe them to be excessive. Work continues to build a strong base of regular donors through the Friends programme and to sponsor the appointment of choral scholars. The charity does not break even on all the concerts which it performs, though it aims to be sustainable over a full 12-month period.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table> <table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒	Yes	No	N/a	☒	☒	☒

Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least They are valued at cost. The depreciation rates and methods used are disclosed in note 9.2.
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5 They are valued at cost.
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4. They are valued at cost.
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current asset investments

The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.

They are valued at fair value except where they qualify as basic financial instruments.

Oxford Bach Soloists

Charitable Incorporated Organisation Trustees' Annual Report Year ended 31st August 2020

OBJECTIVES AND ACTIVITIES

The CIO was established to promote, maintain, improve and advance the education of the public in the arts, culture, and heritage, and in particular (but without prejudice to the generality of the foregoing), the arts of orchestral, choral and other music.

Since the previous Annual Report (and since our founding) there has been no change to the CIO's principal charitable objectives and activities, which are:

1. the organisation and/or presentation of concerts of high educational and artistic merit, conferences, lectures and recordings;
2. the organisation and presentation of concerts and collaborations with schools and other places of education; and
3. by such other means as the Board of Directors shall from time to time determine.

This includes the organisation and promotion of concerts and the facilitation and organisation of other engagements such as workshops, lectures, and recordings in the United Kingdom and abroad. Alongside the core performances, the CIO is committed to providing additional opportunities for professional development and education through complementary projects and mentoring. In furtherance of these objectives the CIO engages international singers and instrumentalists, artists, performers and répétiteurs; additionally, the CIO engages skilled professional and technical advisers such as language and vocal coaches, musicologists, historians, and keyboard technicians.

The Trustees have reviewed the Charity's objectives and activities and acknowledged that they have paid due regard to the public benefit guidance published by the Charity Commission as noted in Section 4 of the Charities Act 2011. The CIO fulfilled its objectives by presenting 17 concerts and other performances, and continuing its educational scheme offering twelve Choral Scholarships each academic year. The Trustees express the objectives in a 'Mission Statement' and monitor its activities/initiatives against this.

ACHIEVEMENTS AND PERFORMANCE

Oxford Bach Soloists

Charitable Incorporated Organisation Trustees' Annual Report Year ended 31st August 2020

From 1st September 2019 to 31st August 2020, the Oxford Bach Soloists gave 10 live performances to a total of 2,854 audience members, and 4 online performances reaching 53,565 views. The activities were as follows:

Live Performances

- 7 live concerts followed the chronology of Johann Sebastian Bach's compositional output, combining existing and new historically informed performance practice techniques.
- 1 further live performance continued a collaboration with New College Choir: a new liturgical resource in the form of a truncated Lutheran Vespers with Bach Cantata, performed once each term.
- 1 further live performance saw Oxford Bach Soloists appear in the Bath Recitals series for the third year running, performing a Christmas Baroque programme.
- The remaining live performance was a Christmas fundraiser in Christ Church Cathedral Oxford, raising over £40,000 for Macmillan Cancer Support.

Online performances

- In response to the UK coronavirus lockdown imposed on 23 March 2020, the Oxford Bach Soloists moved quickly to produce some unique lockdown content in the form of *St John Passion from Isolation*. A collaboration with production company Positive Note, this exceptional performance was released on YouTube in 9 episodes from 10 April to 31 May 2020, involving hundreds of musicians all over the world.
- 2 online performances began our "Back to Bach" monthly series, initiated during the lockdown to provide opportunities to offer paid work to musicians, whilst maintaining the Oxford Bach Soloists' online presence and profile, for continued engagement.
- 1 further online performance saw instrumentalists from the Oxford Bach Soloists collaborate with the choristers of New College Choir in their first episode of lockdown content, "apart/together".

In November 2019, the Oxford Bach Soloists appointed their first patron, Michael Chance CBE, one of the foremost exponents of the male alto voice in all areas of the classical repertoire, and a champion of Johann

Sebastian Bach's music, recording over thirty discs dedicated to the composer.

In response to the UK coronavirus lockdown imposed on 23 March 2020, the Board of Trustees decided to cancel all planned live concerts through to March 2021, with the hope of restarting the organisation's regular concert series on Good Friday 2021 (2 April).

During this challenging period, the Oxford Bach Soloists' network of Friends and sponsors continued to support the organisation. Many renewed their memberships despite the lack of concert activity. A large number converted ticket purchases for cancelled concerts into donations, and some made additional donations on top of their usual membership.

Creating and releasing content online in this period has been an excellent way of engaging with this generous network, finding new and fruitful collaborations, and reaching out to new audiences worldwide.

The Choral Scholarship scheme, which was launched in 2018, welcomed its second cohort of twelve choral scholars. These scholarships have provided a unique opportunity for young aspiring singers to develop their solo singing within the musical programme of the Oxford Bach Soloists. Choral Scholars are appointed for a single academic year (September to August) and make up the core of the chorus, helping to maintain its musical integrity. Choral Scholars develop their skills by taking on the challenges of step-out solos during concerts and receive one-to-one expert German language coaching as part of their training, as well as extensive one-to-one mentoring from the Artistic Director of Oxford Bach Soloists.

Building on the successes of the inaugural cohort, the second cohort were on track to meet and exceed all of the objectives above, but came to a halt when the lockdown was imposed in response to the coronavirus pandemic. Despite the absence of any performance opportunities, the Oxford Bach Soloists continued to support its Choral Scholars throughout the year with one-to-one online coaching and a one-to-one online masterclass with the British baritone Roderick Williams. The recruitment cycle for a third cohort of choral scholars was suspended for a year.

The Oxford Bach Soloists' newsletter captures the experiences of the musicians as they journey through the complete vocal works of Johann Sebastian Bach, and is sent out to over 1000 followers every month

Charitable Incorporated Organisation Trustees' Annual Report Year ended 31st August 2020

FINANCIAL REVIEW

This was the third operating period of the charity. The proceeds from concerts were £50,883 in the 12-month period, compared with costs of £107,597. The shortfall has been covered by general fundraising from Friends (£33,369), and from general donations (£69,391). There is a surplus of £46,047 calculated on a cash basis, some of which will be spent on costs in the next financial period. The Charity has secured funding from an individual donor for 2020-21 which will allow significant growth and secured funds to pay musicians.

Proceeds from concerts and general fundraising are lower than the previous period, as fewer concerts were performed in a shorter period. However, choral scholarship donations, proceeds per concert, and general fundraising per month have all increased since the previous period, which reflects the growing audience and reach of the organisation.

General administration costs reduced slightly across the period while the fees paid to musicians increased significantly.

At the end of the financial period, the Charity held assets of £83,000. These assets are adequate to provide the charity with working capital and the Trustees do not believe them to be excessive. Work continues to build a strong base of regular donors through the Friends programme and to sponsor the appointment of choral scholars. The charity does not break even on all the concerts which it performs, though it aims to be sustainable over a full 12-month period.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 08 / 2020**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
