## **TRUSTEES' REPORT**

### **FOR THE YEAR ENDED 31 MARCH 2023**

#### **Introduction**

This report covers the period from the start of April 2022 until the end of March 2023.

It has been good to have a complete year where things have been coming back to the pre pandemic situation.

#### **Purpose**

The purpose of LSL is:

1. To support schools in developing young people's employability skills for work and life,
2. To make young people aware about the wide range of employment and training opportunities which are represented by Livery Companies and their members,
3. To help to raise the aspirations of young people, and
4. To positively encourage Livery Companies and their members to get actively involved in helping achieve links between them and schools.

(The word 'schools' includes schools, academies and colleges for students between the ages of 5 and 18. The phrase 'Livery Companies' includes companies seeking Livery Status and Guilds.)

Schools are now planning their careers activities alongside the Gatsby benchmarks which require young people to have contact with those in employment of different types. The work of LSL can be of help to schools.

#### **Membership**

During 2022-23 we had 66 members plus two donation. This is a slight rise from last year. We continue to look to attract more members as our main income source is subscriptions. These have not risen for a few years as expenditure during the pandemic was reduced but with rising costs, we cannot continue this for too many more years. My thanks again are due to Maureen Marden, who as our Livery Liaison Director has worked long hours keeping in touch with Livery Companies during this period.

#### **Livery Showcase**

The Livery Showcase is now part of the larger London Careers Festival (LCF) and in 2022 we were back in the Guildhall with stalls in the Old Library and the Livery Hall. We offered the event to middle secondary students on Tuesday 28 June and to top Primary students on Wednesday 29 June. Attendance was not as high as in 2019 which was the last year the Showcase was live. There are various reasons for this as many organisations have found that it is taking time to build up numbers of participants. Schools also found that they needed more school time to help students catch up after the time lost during the lockdowns and so external trips are being curtailed. We are very grateful to all the Companies that took part. The Primary students were particularly enthusiastic and we hope that more Companies will offer their stall to this age group in future years as well as to the mid Secondary group.

### **FOR THE YEAR ENDED 31 MARCH 2023**

#### **Livery Education conference**

The Livery Education conference was live again this year. We were at Merchant Taylors' Hall for the morning of 22 November 2022. The conference was entitled 'Looking at the future jobs for young people'. Nearly 90 people booked and for the first time we had more school representatives than Livery representatives. The first speaker was Andy Haldane, CEO of the Royal Society of Arts and formerly Chief Economist of the Bank of England. The 21st century is proving to be a century of stagnation compared to the 20th century which was one of growth in most areas. The result is that education and qualifications are likely to change and become more modular. The second speaker was Patrick Craven from City and Guilds who emphasised this message. Jonathan Matheson from the Gardeners' Company gave an account of how a Livery Company can work with schools. The discussion groups were mixed on each table with Livery and school people and these generated a lot of interesting ideas. Overall, the feedback was positive and clearly the event was enjoyed by attendees. Our thanks to Merchant Taylors for offering us the Hall for the event and also to their staff who looked after us very well.

#### **Livery in Education**

The 2022 Livery in Education and Skills booklet was published in June 2022. The content has been expanded to cover lifelong learning and the new title reflects this. We continued with the principle that the entry for each Company should be decided by the Company itself. We decided to make this a biennial publication and the next edition will be published early in 2024.

#### **Opportunity Fund formerly Digital Divide Campaign**

The Opportunity Fund, which replaced the Digital Divide campaign started in the pandemic, was launched in Spring 2022. Schools in areas of London with a high level of deprivation are invited to bid for funds which can be spent on a range of items to ensure all students can access a wide curriculum. Again, Digital connectivity is still an important item but so too is specialist sports equipment or musical instruments. We raised £14,000 for dispersal in 2022-23 and have another £2000 remaining from the Digital Divide campaign. 14 schools have benefitted for projects such as digital help to restocking of a school library. This project will continue.

#### **Volunteer platform for talks and work experience**

We continue to work with two established Charities 'Speakers for Schools' and 'Inspiring the Future' both of which were also offering career talks to young people. The two charities were pleased to welcome volunteers from all Livery Companies and Guilds to engage with and support students in schools and colleges across the UK. Many of the schools and colleges are in areas where the young people come from socially disadvantaged backgrounds. As well as careers awareness, the charities include opportunities of virtual work experience. The recruitment of volunteers is difficult and it needs someone to take up this role within each Company.

## **TRUSTEES' REPORT**

### **FOR THE YEAR ENDED 31 MARCH 2023**

#### **Communications**

We have sent regular reports to the Livery Committee and to our members through their Clerks. We have had a twice yearly newsletter for schools and we have been helped in this by Susan Walker of the Communicators' Company. Tasha Morrison of the Information Technologists' Company has been our Webmaster. The website is developing a number of links to useful career opportunities and we are delighted to add any that a member Company would like us to promote. We have developed a database of schools who are in regular contact with us.

#### **Special opportunities for schools**

The database of schools we have developed has helped us to be in closer contact with careers staff in schools. The schools tell us that they are keen to have opportunities for their students to meet people in the City so that they can become more used to interfacing with potential employers. Last year in May a small group of students from a school in Tower Hamlets were invited to have lunch with the Sheriffs and judges at the Old Bailey. In March 2023 two schools had this opportunity. The Educators invited students from three schools to attend a lecture and reception at the Mansion House in February 2023. LSL helped find interviewers for a school in Dagenham for an interview practice day in May 2022. We believe that special events like these are important for schools and we will continue to encourage the development of such opportunities.

#### **Careers app**

We continue to promote HELP, the careers app, to support young people in Years 8 and 9 as they make their choices for GCSE in Year 9. The app is based on proven, existing technology and can be downloaded free of charge at [www.sacu-student.com/help](http://www.sacu-student.com/help).

#### **Governance**

LSL became a Charitable Incorporated Institution (CIO) formally on 24 May 2022, following the Special General Meeting on 28 March 2022 where members gave us permission to proceed.

We welcomed one new director at the 2022 AGM in September: Steven Dean Honourable Company of Air Pilots. Two further new Directors have joined us during the year Annie Eggar from the Educators' Company and David Holt from the Firefighters' Company. Julia Sibley, Vice Chairman of the Livery Committee has been co-opted as an ex officio member of the Board.

We need more people to volunteer to work with us in this interesting and rewarding charity. We would like to encourage a wider range of involvement from members and to help spread the load as we continue to offer more support and services to our membership and local schools. Please contact Lis Goodwin on [lis.goodwin@liveryschoolslink.org.uk](mailto:lis.goodwin@liveryschoolslink.org.uk)

**LIVERY SCHOOLS LINK CIO**  
**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**  
**FOR THE YEAR ENDED 31 MARCH 2023**

I report on the accounts of the Charity for the year ended 31 March 2023 which are set out on pages 9 to 15.

**Responsibilities and basis of report**

I report to the Trustees on my examination of the accounts of the above charity for the year ended 31/03/2023.

As the Charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **NOTES FOR THE FINANCIAL STATEMENTS**

### **FOR THE YEAR ENDED 31 MARCH 2023**

#### **1. Accounting policies**

##### **1.1 Basis of preparation of financial statements**

The financial statements of the Trust, which is a public entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standards Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the republic of Ireland (FRS 102), (Charities SORP (FRS 102)), the Charities Act 2011 and the Companies Act 2006.

Livery Schools Link CIO meets the definition of a public benefit entity as defined by FRS 102.

##### **1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation of the financial statements and have concluded that the Trust has adequate resources to continue in operational existence for the foreseeable future and that there are no material uncertainties about the Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements. Reviewed March 2023.

##### **1.3 Income**

All incoming resources are recognised when the Trust has entitlement to the funds, the receipt is probable and the amount of income can be measured reliably.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

##### **1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be reliably measured. Expenditure is classified by activity.

All resources expended are inclusive of irrecoverable VAT.

**LIVERY SCHOOLS LINK CIO**  
**NOTES FOR THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

**1. Accounting policies (continued)**

**1.5 Taxation**

The charity is exempt from corporation tax on its charitable activities.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any discounts offered. Prepayments are valued at the amount prepaid, net of any trade discounts due.

**1.7 Cash at bank**

Cash at bank does not include short term liquid investments.

**1.8 Liabilities**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Trust anticipates it will pay to settle the debt or the amount it has received as advance payments for the goods and services it must provide.

**1.9 Financial instruments**

The Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Trust and their measurement basis are as follows:

*Financial assets* - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

*Financial liabilities* - trade creditors, accruals and other creditors are basic financial instruments and are measured at amortised cost. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is no obligation to deliver services rather than cash or other financial instrument.

**LIVERY SCHOOLS LINK CIO**  
**NOTES FOR THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

**1. Accounting policies (continued)**

**1.10 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor.

Gains and losses are allocated to the appropriate fund.

**1.11 Reserves policy**

The Trustees' reserve policy is to maintain a sufficient level of reserves to ensure that the Charity's continuing activities can be maintained by:

- Assisting in strategic and prudent planning by considering how new projects or activities will be funded.
- Informing the budget process by considering whether reserves need to be used during the financial year or built up for future projects.
- Informing the budget and risk management process by identifying any uncertainty in future income streams.

When considering an appropriate level of reserves, the Trustees consider:

- The risk of unforeseen emergency or other unexpected need for funds.
- Covering unforeseen day-to-day operational costs
- A fall in a source of income, such as donations.
- Planned commitments, or designations, that cannot be met by future income alone, for example plans for a major capital project.
- The need to fund potential deficits in a cash budget, for example money may need to be spent before a funding grant is received.

# **LIVERY SCHOOLS LINK CIO**

## **NOTES FOR THE FINANCIAL STATEMENTS**

### **FOR THE YEAR ENDED 31 MARCH 2023**

#### **2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Critical accounting estimates and assumptions:

The Trust makes estimates and assumptions regarding the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

However, there are no estimates and assumptions within the financial statements for the year ending 31 March 2023 which would have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### **3. Trustees remunerations and benefits**

There were no Trustees' remunerations or other benefits for the year ended 31 March 2023 nor for the year ended 31 March 2022.

There were no Trustees' expenses paid for the year ended 31 March 2023 nor for the year ended 31 March 2022.

**7. Related party transactions**

There were no related party transactions for the year ended 31 March 2023.

During the year ended 31 March 2022 Techcentre Limited, a company in which David Barker, a Trustee (now resigned), was a director and had significant control, provided services amounting to £1,200 to the Charity in relation to professional IT services for the Careers Showcase. At the balance sheet date, the Charity owed £Nil (2022: £Nil) to Mr Barker.
