Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the CIO is to advance the education of the public in the history and heritage of Martello Tower No. 24 and other historic buildings in Dymchurch, Kent. and the surrounding area in particular but not exclusively by arranging exhibitions, lectures, classes and similar educational activities.

Working in formal partnership with English Heritage, the Friends of Martello24 manage the openings to the public of Martello Tower No.24 in Dymchurch.

The Trustees are aware of the guidance issued by the Charity Commission on public benefit and have taken it into account when making a decision to which the guidance is relevant.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

- contribution made by volunteers.

Summary of the main achievements of the charity during the year

1. The Tower was open to the public on Saturday afternoons for the whole of the 2024 season – Easter to the end of October.
2. This was achieved through the efforts of the Trustee in thwarting all attempts by sea gulls to nest on the tower's roof. It involved the use of netting and constant vigilance.
3. Our Trustees continued regular maintenance checks in the Tower during the closed season, reporting the results to English Heritage.
4. Many concerns about the physical condition of the Tower have been reported to English Heritage. As last year, we still await their proposals for making good these defects.
5. We have been trying to recruit new volunteers to act as stewards with the ultimate aim of restoring Sunday opening.

Section E

At present, we do not have any Allocated Reserves. Our Unallocated Reserves are used for running costs, the main items being insurance and various items equipment for use in the Tower.
