Report of the Trustees for Year Ending 31st March 2022

The trustees present the Trustee Annual Report and Financial Statements for the Year end 31st March 2022.

Mission and purpose

We have one central mission, purpose and aim;

"Dads House aim is to make sure children remain the priority after divorce, separation or bereavement."

"We aim to help single Dad's with the practicalities of raising their children alone."

During the coronavirus pandemic the charity faced demands never experienced in its history and we could not stand by as an observer as our communities suffered. The charity decided to use our unique position to help the wider communities across London which led to a new enhanced mission:

"We aim to alleviate the impact of poverty in our local communities during the COVID-19 pandemic and related aftermath, we will utilise our resources to support our communities."

Delivering on mission and purpose

Up-to 31st March 2022 those services included; the foodbank at Dad's House always existed for single parent families which is operated from our West Brompton base but service clients who visit from Central, West and South London.

We continued our single parent buddying services which aims to partner with our clients, understanding their difficulties and assisting them directly or indirectly with the assistance of other agencies. Community outreach continued to post- COVID19 levels with the resumption of services including the breakfast club, 5 a side football, guitar lessons, cooking classes, Dads days out, book club and social evenings for families.

The family law clinic, under the directorship of Simon Bruce, continued to grow from strength to strength, servicing increased number of clients, with barristers, solicitors and students offering their time pro-bono.

Structure, Governance and Management

The charity is a registered charity (1172419) with the date of registration being 4th April 2017. Prior to being registered Dads House operated as an unregistered charity for 9 years set-up by William McGranaghan to help single dads with the practicalities of raising children alone. William, known as Billy, continues to be the Chief Executive Officer of the charity.

The trustees meet with the Chief Executive Officer and Management Teams as observers every six months to agree the broad strategy of the charity and to receive an operational update, review and approve new charitable activities and related spend, funding performance, financial performance, reserve management, risk management.

The trustees reviewed and approved all policies during the financial year.

The treasurer meets with the Chief Executive Officer at least on a monthly basis to review funding activity, expenditure and cash management.

Management Team

The Management Team is lead by the Chief Executive Officer (CEO) William McGranaghan, founder of the

charity. During the year with an increase in demand for services and income growth the CEO has built up a management team of full and part time paid positions that cover the operations of the business, funding and charitable activity management (including the foodbank, single parent buddying, community outreach and new activities). The Management Team are responsible for our volunteer welfare, of which 50 volunteers worked with the charity in the financial year.

Trustees

The trustees as at 31st March 2022 were;

- Grant Tilbury
- Kareem Osmani
- Stuart Browning (treasurer)

Risk Management

The trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage those risks.

The trustees consider the major financial risk is that of stability in income through donations and grants, the charity enjoyed a very successful year on income as the COVID-19 pandemic drove higher charitable giving from individuals, other charitable institutions and local government and the charity benefitted from this. However, there is no guarantee that this level of income will continue, and this creates an unstable environment for our clients and our staff. To manage this risk we have deployed various systems and procedures;

- The Management Team have an appointed individual who focuses on funding, maintaining relationships with current funders and seeking new funding opportunities.
- Cashflow and management accounts are reviewed and discussed with the CEO on a regular basis
- The reserving policy remains in place and is review annually to ensure the longevity of the charity is maintained
- We introduced an annual business plan process which results in a robust and prudent financial plan on which to manage the business against

The major operational risk is the base we use on West Brompton Road kindly donated by the Earls Court Development Company on a yearly lease, this base is key to everything we do, it houses our foodbank, it's a community centre, the home to our new family law clinic, it is where our clients can find us in their time of need and it's our office for our staff and trustees come together. To mitigate this risk we are in constant dialogue with the Earls Court Development Company to ensure we are abreast of developments in the local area so we can respond accordingly. We enjoy a very positive relationship with the Earls Court Development Company and look forward to continue and develop this relationship.

Related parties

No trustee holds any further trusteeships with other charities and our CEO works exclusively for Dad's House. We work closely with other charities in delivery services to our clients and their families.

Financial review

The year-end financial statements have been produced and presented in line with Charities SORP (FRS102) and we have gained an Independent Assessment as required by the Charities Commission.

At the end of the financial year we implemented new policies on reserving to reinforce the robust management of the charities finances.

We have reported a Net Income of £80,706 which is a reduction on the prior year of £140,198. This reduction in net income is driven by a £51k reduction in funding and an £8k increase in expenses. The reduction in funding was forecast and is a reduction in grants issued by corporates, local government and other trusts. An increase in expenses of £8k is a reflection of full year staff costs now being incurred and increased charity activity,

DAD'S HOUSE
CHARITY NUMBER: 1172419

however we have made a conscious effort to control expenses as income reduced year on year.

Our cash balance was at £234,160, which is an increase on last years balance of £164,411. We continue to manage cash in line with policy which is to maintain comfortable reserve levels to ensure the longevity of the charity.

Statement of Financial Activities

Our Total Income was £183,442, this is made up of £56k in individual donations (including gift aid) through Just Giving, Paypal, Facebook and direct bank donations and Grants from other charities, Trusts and Corporates totalling £127k. This remains strong income, although down on last year.

In line with the Charity SORP (FRS102) we estimated the value of donated property lease and donated food at £174,000, this reported in income but then all reversed through expenses.

Balance Sheet

Our total funds for the year are £230,692 which is an increase on the prior year of £149,985.

No creditors exist at year end with no funding prepayments and all creditors paid on a timely basis.

Finally, cash is £234,160 at year end. Our reserving policy allocates funds on a quarterly basis to identifiable reserves based on Charity Commission guidance, these reserves are reviewed on a quarterly basis. As at 31st March 2022 the reserves represent:

- We maintain a £122k reserve for contingency costs, in the event of income reducing we maintain funds to cover 12 months of expenses and we will maintain close down costs related to the operational and compliance costs in the eventuality of the charity having to close
- Restricted funds have been reserved at £20k
- We have reserved funds for our future activities and new projects to ensure improved delivery to our clients and new service expansion, this includes a project to expand the family law clinic, increased buddying services and funding for a strategic plan to address homelessness. This reserve is £100k.

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table border="1"> <tr> <td>Yes*</td> <td>No*</td> <td>N/A*</td> </tr> <tr> <td><input checked="" type="checkbox"/></td> <td><input type="checkbox"/></td> <td><input type="checkbox"/></td> </tr> </table>	Yes*	No*	N/A*	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. 2.3 EXPENDITURE AND LIABILITIES								
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	<table border="1"> <tr> <td>Yes*</td> <td>No*</td> <td>N/A*</td> </tr> <tr> <td><input checked="" type="checkbox"/></td> <td><input type="checkbox"/></td> <td><input type="checkbox"/></td> </tr> </table>	Yes*	No*	N/A*	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central fundings and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	<table border="1"> <tr> <td>Yes*</td> <td>No*</td> <td>N/A*</td> </tr> <tr> <td><input checked="" type="checkbox"/></td> <td><input type="checkbox"/></td> <td><input type="checkbox"/></td> </tr> </table>	Yes*	No*	N/A*	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>						
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	<table border="1"> <tr> <td>Yes*</td> <td>No*</td> <td>N/A*</td> </tr> <tr> <td><input checked="" type="checkbox"/></td> <td><input type="checkbox"/></td> <td><input type="checkbox"/></td> </tr> </table>	Yes*	No*	N/A*	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	<table border="1"> <tr> <td>Yes*</td> <td>No*</td> <td>N/A*</td> </tr> <tr> <td><input checked="" type="checkbox"/></td> <td><input type="checkbox"/></td> <td><input type="checkbox"/></td> </tr> </table>	Yes*	No*	N/A*	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
