Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>A further 2 cuddle cots have been presented to funeral directors during 2020, and another is currently being raised for. The charity also holds one for emergency use. It has been used twice during 2020.</p> <p>Our online presence is stable. Online donations have more or less equalled last year, but with the lockdown measures and restrictions in Wales our fundraising efforts have been very restricted and this isn't surprising. 260 Funeral outfits and 520 memory packs were made and sent out to families requesting them, and a further 250 funeral outfits and 270 memory packs sent out to hospitals and funeral directors.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity's finances have declined during this accounting period, but we remain optimistic and hope this will pick up soon.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Whilst the charity is still relatively new and just starting to grow, is not felt at this time that a reserve needs to be held.
Amount of reserves held	Para 1.22	None
Reasons for holding zero reserves	Para 1.22	All accounts are paid either at the time of purchase or within 1 month of the invoice being received. We do not envisage at this time needing to hold a reserve.
Details of fund materially in deficit	Para 1.24	There are no funds in deficit currently.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We have some concerns about the charity continuing especially in view of the pandemic and restrictions. Growth has been poor this year and without a physical presence it is increasingly difficult to get our message out. We hope 2021 will be more settled and we can continue to grow.
