Policy on grant making	Para 1.38	
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	<p>Our group of Volunteers who regularly knit and sew for us, has declined during this year, as well as others who knit on an as needed basis. Some of the decline has been due to the age of the volunteer feeling they can no longer help and some due to the effects of the covid pandemic and their health. We currently have 22 volunteers. This current year has been less busy than last, but our volunteers remain an invaluable asset to the charity.</p>

Other		The charity's hope for providing memorial spaces throughout the country for those who have no burial place to visit has been put on hold due to the steep fall in donated funds. The impact of covid 19 during 2020 and now the war in Ukraine has had an impact on all fundraising, and we have continued as much as we can online. Charity fundraising events have been extremely limited due to the decline in events throughout our area, we hope that these will pick up in 2022.

Online donations have been significantly lower than last year, but with the recovery from the covid pandemic still in effect and the war now in Ukraine, people appear to be donating less than before.</p> <p>210 Funeral outfits and 450 memory packs were made and sent out to families requesting them, and a further 180 funeral outfits and 200 memory packs sent out to hospitals and funeral directors.</p>

Amount of reserves held	Para 1.22	None
Reasons for holding zero reserves	Para 1.22	All accounts are paid either at the time of purchase or within 1 month of the invoice being received. We do not envisage at this time needing to hold a reserve.
Details of fund materially in deficit	Para 1.24	There are no funds in deficit currently.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We have some concerns about the charity continuing especially in view of our current financial situation.
