Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity spent significant resources during the period in establishing itself as a properly constituted organisation, with appropriate governance and management systems. These efforts have continued since the period end and form the basis of the charity's developing strategy, which focusses on three key themes: sustain, consolidate and upscale.</p> <p>To date the charity has formed key relationship with a number of leaving care teams across London.</p> <p>We have also sort to establish other referral pipelines by attending networking events.</p>
