

***New Church on the Corner trustees' annual report and accounts for the year ending  
September 2022***

**Aims and Purposes**

New Church on the Corner (NCOTC) has the responsibility of working together with the Church of the Nazarene and stand-in lay persons Frank and Beverley Kinnon to promote the church and its mission. The NCOTC is also specifically responsible for the maintenance of the church building and grounds.

**Objectives and activities**

The NCOTC is committed to enabling as many people as possible to worship at our church and to become part of the church community. Frank and Bev Kinnon maintain an overview of worship throughout the church and make suggestions on how the church can involve the many groups living within the community. The services and worship put faith into practice through prayer, praise, scripture, and music and are supported by many volunteers who are passionate about God and NCOTC's development within the community.

When planning activities for the year, NCOTC have considered growth of the church community within, and the growth of our neighbours and, in particular, advancement of God's Kingdom. We try and enable ordinary people to live their lives through faith and as part of the church community by:

- Worship and prayer, learning the gospel, developing their knowledge and trust in Jesus
- Provide pastoral care for those who are part of the church community
- Missionary and outreach work

Our objectives are set out to reflect our community spirit of helping and caring for others and we continue to reach out to others to join us in social activities which are designed to bring the community closer together.

The objectives of the church are to work within our local community and provide a place of worship and to develop a place where people of all ages and denominations can benefit from a secure and healthy programme. We aim to provide a place where individuals can come for help, whether it be emotional, financial, relational, spiritual, or whatever situation they may find themselves in.

**Achievements and performance**

The NCOTC hold a weekly service on a Sunday at 10:30am and are keen to have a variety of speakers over the course of the year so that members and the community find the services beneficial and spiritually fulfilling. The NCOTC have offered more opportunities to praise God and meet in fellowship through the week for example through a fellowship group and ladies group.

NCOTC continues to hold family fun days and invite people from the local community to attend.

We continue to support our local community projects, where possible.
