### Structure, governance and management

The charity is operated by the trustees who meet regularly to set the direction of the charity.

### Objectives and activities

The objectives of the charity are as follows:

- To address the issue of holiday hunger for families living below the poverty line
- To provide hampers five times a year through schools to targeted families
- To ensure children continue to be nourished through the holidays and not to return to school hungry
- To keep children healthy over the holidays

### Achievements and performance

The initiative began by distributing holiday hampers filled with essential items and festive treats to families struggling to make ends meet. Recognising the broader challenges faced by these families, Spreading the Happiness has since expanded its efforts. One of its key programmes now includes organising holiday camps specifically designed for children from disadvantaged backgrounds. At these camps, children receive three healthy and nutritious meals each day, ensuring that no child goes hungry during their stay.

In addition to food provision, the camps offer a variety of experiences and activities that many children might otherwise miss out on due to financial constraints at home. These experiences are designed to foster personal growth, create joyful memories, and nurture the children's confidence and social skills. Activities might include sports, arts and crafts, outdoor adventures, and educational workshops, all delivered in a safe and supportive environment.

The charity relies on the generosity of the wider community to fund its programmes. Money is raised through a range of sponsored events, such as sponsored dips. Schools, businesses, other charities and members of the public also contribute, either through direct donations or by organising their own fundraising activities in support of Spreading the Happiness.

By working together with local partners and volunteers, Spreading the Happiness continues its commitment to alleviating poverty and providing meaningful opportunities for families and children who need them most. The charity's vision is to create a happier, more inclusive society where every child has the chance to thrive, regardless of their circumstances.

### Financial review

The trustees have reviewed the Balance Sheet, as at 31st March 2025 which showed total assets of £2,042 and total liabilities of £900, leaving a fund balance of £1,142 all of which is unrestricted in nature.

This financial year the Charity had incoming resources of £10,993 and outgoing resources of £11,661 meaning that the charity had a deficit of £693 this year compared with a deficit of £5,753 last year.

Of the incoming resources £5,000 was gratefully received from The Teesside Charity, with a further £1,400 from North East Ladies.

### **Plans for future periods**

1. We will closely monitor the financial situation in the coming year, with a goal of determining whether the charity can regain its financial strength and continue to operate effectively.
2. A comprehensive review of our current support strategies will be undertaken to ensure that the assistance provided effectively benefits children and their families, particularly those most in need.
3. To create more equitable support for schools across varying socioeconomic backgrounds, we plan to engage more schools in affluent areas. This will encourage a broader, more consistent adoption of schools with higher levels of deprivation.
4. We will continue to actively seek diverse funding opportunities to ensure the charity's sustainability and to increase our capacity to support more schools and families in need.

The trustees' annual report was approved on 19 January 2026 and signed on behalf of the board of trustees by:

## Independent Examiner's Report to the Trustees of Spreading the Happiness

Year ended 31 March 2025

---

I report to the trustees on my examination of the financial statements of Spreading the Happiness ('the charity') for the year ended 31 March 2025.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 March 2025

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 6 Spring Bank Wood, Wynyard, Billingham, Durham, TS22 5QW.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

No cash flow statement has been presented for the company

Disclosures in respect of financial instruments have not been presented, as none were used.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### 3. Accounting policies *(continued)*

#### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
