The trustees present their report and the unaudited financial statements of the charity for the year ended 31st March 2022.

Achievements and performance

Objectives and Aims

The objects of the charity for the public benefit are to advance the Christian faith.

Significant activities

- Extensive prayers and refreshing activities all aimed at achieving the vision of the Global Church of Grace Ministries
- An annual convention with attendance of more than 400 members of the church and those outside the church
- Youth conference in Telford geared on the topics of career development, voluntary work, university choices etc
- Annual women's conference held in London for both women in the ministry and the local community on the subject of parenting, career and finances
- Musical concert organised across the branches for members and people of the community
- Establishment of a national mass choir
- Increased contribution towards other charitable activities in the community (eg food bank, donations to charities etc)
- Increased outreach work which led to continued increase in regular attendance at our various branches both during mid week and Sunday services and for other special programmes

Financial review

Financial position

The results for the year, and the financial position at the end of the year, are shown in the attached financial statements.

Reserves policy

The charity's reserve policy aims to secure three to six months of running costs within the general free reserves to ensure ongoing sustainability. The current level of free reserves meet this objective at this point

Future plans

All the significant activities mentioned earlier are due to be carried out each and every year

The process of purchasing a church building is ongoing with increased focus on a wide range of fundraising activities

To those who need assistance the church bus will continue to convey members of the congregation and non-members to/from various destinations to the Church across the various branches

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes a charitable incorporated organisation under the Charities Act 2011

Charity constitution

The charity is controlled but its charity constitution dated 7 April 2017

Independent Examiner's Report to the Trustees of Global Church of Grace Ministries Charitable Trust

Year ended 31st March 2022

I report to the trustees on my examination of the financial statements of Global Church of Grace Ministries Charitable Trust ('the charity') for the year ended 31st March 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31st March 2022

1. General information

The charity is an incorporated charity registered in England and Wales. The address of the charity's registered office is Unit D3, Hortonwood 10, Telford. TF1 7ES

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The trustees have taken advantage of the exemption in FRS 102 from including a cash flow statement in the financial statements on the grounds that the trust is a small entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

3. Accounting policies *(continued)*

Incoming resources

All Income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Musical equipment	- 20% straight line
Fixtures and fittings	25% straight line
Motor vehicles	25% straight line

Impairment of fixed assets

A review for indicators of Impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.
