## B. Trustees Report

### 1. Overview of the Charity

Parents and Friends of Emmanuel School (the “PFE”) is constituted as a ‘Friends of the School’ association.

The constitution of Parents and Friends of Emmanuel School was adopted on 24 February 2017. The Charity was registered with the Charity Commission on 10 April 2017 under registration number 1172507.

### 2. Objectives

The objectives of the association are to advance the education of pupils in the school by:

- Developing effective relationships between staff, parents and others associated with the school,
- Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

### 3. Structure and Governance

The PFE is governed by Trustees. The Trustees are responsible for oversight and governance of the PFE and ensuring that the charity meets its obligations under the Charities Act 2011. The Trustees are elected on an annual basis at the Annual General Meeting. Trustees may hold the role for several consecutive terms.

The Trustees present the general strategy and areas of activity for the association at the first meeting of a new school and financial year, working closely with the Head Teacher of Emmanuel C of E Primary School, who provides guidance on how funds raised could best be spent to benefit pupils of the school. The Trustees consult the views of general members present at meetings to review and adapt the strategy as required.

The PFE has a committee comprised at a minimum by the Trustees, supplemented by elected and co-opted volunteers. The PFE Committee is responsible for the day-to-day management of the charity and its activities. Committee Members can be elected at the Annual General Meeting or co-opted by the trustees throughout the year. All committee members in situ are re-elected at the Annual General Meeting.

The Trustees meet with the committee and association members on a regular basis (ideally once per term) to provide an update on in year activities and performance, discuss the strategic direction of the Charity and consider its financial situation.

The Trustee and Committee members were appointed for the 2023-24 school and financial year at the 7th AGM, held on the 2<sup>nd</sup> November 2023.

Stacey Geary resigned as treasurer on 22<sup>nd</sup> March 2024. Jacqueline Dynowski was subsequently elected as treasurer at an EGM held on 19<sup>th</sup> April 2024.

The PFE is a member of Parentkind which provides advice and Public Liability Insurance for PTA-like associations and charities.

#### 4. Activities

The PFE ran multiple events and activities over the course of the year to provide opportunities for Emmanuel Families to come together, and to fundraise for the school.

The calendar was built around 3 core events (Christmas Fair, Summer Party and International Evening), chosen to represent both the core values of the school, and the diversity of the community that makes it.

These events saw increasing participation over the year, evidencing a strong and vibrant community and resulting in substantial levels of fundraising.

The PFE Trustees noted that although not obliged to attend, many of the teaching staff chose to give up their time to come to the events, as well as help prepare and support PFE activities in general. The Trustees are very grateful to the school staff for their engagement and generosity.

On top of the core events, the PFE ran several evening activities for parents (Quiz Night, SEN Evening), along with other fundraising activities (PFE Challenge, Book Sale, Marathons etc.)

Finally, the PFE organised several social occasions for the children (Movie Night, Ice Cream sales).

Over the course of the year, the PFE took advantage of the different events to replenish and recapitalise the PFE equipment, purchasing long term items such as sound equipment, popcorn and candy floss machines etc. This will facilitate the production of future events.

Overall, the events and activities of the year were well attended and well received, with the PFE Committee continuing to build knowledge and experience to make events easier to organise in the future.

#### 5. Regular Giving Program

During the year, the PFE Trustees worked with the School Management and the Board of Governors to manage the Regular Giving Program launched in 2023, in line with the Memorandum of Understanding ("MoU") that memorialises the management and governance of the program.

The PFE, as a registered charity, can claim Gift Aid on donations made via the program (subject to status of the donor), and all funds raised via the program are allocated to the school who has the

deciding power over use of the funds. The school reports to the PFE on the use of the funds to ensure they are used in line with the charitable aims of the PFE.

Further details are included in the annex to this report.

## 6. Fundraising results

The activities and events organised by the PFE in the 23/24 school year resulted in a total raised of £35,775.18, while costing £12,987.16 to produce, resulting in net funds raised of £22,968.86.

Additionally, the regular giving program and other one-off gifts and donations raised £16,803.13

The PFE also made its payments infrastructure available to the classes for teacher and leaving collections, which totalled a further £7,252.76 that was managed via the PFE bank account.

The total reportable funds raised in the context of the Charities Act 2011 is £60,011.91

## 7. Grants to the school

The PFE gave £18,835.35 in grants to Emmanuel CoFE School for the following items, as requested by the School Management. The PFE sought to accommodate as many requests as it could within the budget available based on a prioritisation established by the school.

A key item to single out is the set of 45 Chromebooks, which were instrumental in demonstrating the school's competency in IT as reviewed by the July interim OFSTED inspection.

## C. Chair's Report

Dear Parents and Friends of Emmanuel,

It's been a very busy year for the Parents and Friends of Emmanuel, as the committee has sought to put together lots of activities and events to bring a sense of community to the school and fundraise for all the things the school needs for our children.

As co-chairs, we've really enjoyed building on the experience we gained in our first year of running the PFE and delivering a packed agenda of fun and fundraising and it's a real pleasure to see the community coming together to support our school. We are especially proud of enabling the purchase of 45 Chromebooks for IT lessons, and contributing towards the delivery of the new playgrounds, which we know the children are enjoying to the fullest.

Over the course of the year, we have aimed to provide a good balance of big events and smaller activities that meet both our community and fundraising charitable aims, and we believe that the results presented in this report bear witness to that. All our parents and friends have contributed generously to our fundraising activities, but more importantly, we are seeing more and more families joining in and coming to events. We really want to make sure that we continue to encourage this trend by providing events that cater for the broadest possible audience.

Every year sees renewal and are sad to see some well-loved faces step down. First, a huge thank you to my co-chair Lynsey who is stepping down as chair but will remain on the committee: we simply couldn't have done this without you! Thank you also to Stacey Geary who stepped down as Treasurer in April and we are very grateful to Jax Dynowski who stepped in to the role for the rest of the year. Finally, a huge thank you to Lisa Freeland, who is stepping down as communications officer after many years and whose amazing artwork we will miss!!

With renewal comes exciting new faces, and we delighted to nominate Kate Roscoe as Secretary, Tomasz Boniek as Treasurer and Jax Dynowski as communications officer: pending AGM approval, we wish them all the best in the role!

As ever, we would like to thank all our committee members, volunteers, parents, carers and friends for a superb year and look forward to an even better year to come.

The PFE Co-chairs

Lynsey & Joseph

### 4. Accounting Policies

#### a) Basis of Accounting

The accounts (financial statements) have been prepared in accordance with the Charities Act 2011.

The financial statements have been prepared on a receipts and payments basis. Receipts are brought into the accounts when cash is received. Likewise, payments are accounted for at the time payment is made, inclusive of VAT. The basis of preparation is permitted for charities with an income of less than £250,000 and which are not companies under the Companies Act 2006.

#### b) Tax status

The Charity is a registered charity within the definitions of section 506(1) Income and Corporation Taxes Act 1988 and uses the exemptions given by Section 505 of that Act.

#### c) Fund accounting

Funds held by the charity are:

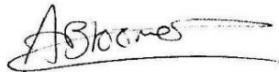

- Unrestricted general funds – these are funds which can be used in accordance with the charitable objectives at the discretion of the Trustees.

- Designated funds – these are funds set aside by the Trustees out of unrestricted general funds for specific purposes or projects. All funds raised via the Regular Giving Program are treated as Restricted Funds.

## Annex 1: Bursar's Statement

I have reviewed the Trustees Report and Financial Statements and supporting documentation for the Parents and Friends of Emmanuel in the year ending 31<sup>st</sup> August 2024 and believe it to be a true and fair representation of their activity.

## Annex 2: Regular Giving Program

The Regular Giving program has been set up using the PFE's account with the Charities Aid Foundation ("CAF"). This is a government backed charity that provides financial services to UK based charities. It is also Camden's recommended platform for charities in our local area.

### Platform

CAF allows the PFE as a registered charity to access its services to set up regular giving, by providing the website and managing direct debits on our behalf. It also manages Gift Aid claims, reducing the amount of administration the PFE must handle. It is worth remembered that the PFE is entirely run by Emmanuel parents volunteering their time, so less admin is good! CAF takes a flat 2% fee on all donations, which is in line with other platforms. Crucially, there is no per-transaction charge so smaller donations are not penalised.

### Memorandum of Understanding

While the PFE as the registered charity is the vehicle for managing the regular donations, the school is responsible for determining how the funds raised are spent. To ensure this happens, the PFE and the School have agreed a Memorandum of Understanding ("MoU") that details the commitments for each party and provides an escalation forum via the School Governors should anything need resolution. This MoU is available on request.

### Access and privacy

We understand that some may be concerned about privacy and access to information. The PFE trustees have met and agreed that only trustees will access CAF records for the purposes of reporting and Charities Commission submissions. In this context, the PFE trustees are the members of the PFE Committee that are registered with the Charities Commission. The school will be informed of the totals raised, but not the breakdown.

Finally, the PFE would like to add its thanks to those of the school and its governors. Your generosity is fundamental to enabling our school to fulfil its mission.
