To provide and assist in the provision of facilities for recreation and other leisure time occupation of such persons who have need for such facilities by reason of youth, age, ill health, disability, financial hardship, poverty or social and economic disadvantage or the public at large in the interest of social welfare and with the object of improving their conditions of life.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning and organising games and events at West Leeds ARLFC the trustees have continued to focus on the education programme designed by our governing bodies to ensure our volunteers have the skills they need to help promote sport and encourage involvement from all members of the community from all back grounds.

We have continued to involve all our members and provided a positive, social, responsive environment that is secure, safe and welcoming. Encouraging friendship and supporting individuals. This has enabled us to continue to provide much needed support in the community and for the players to be able to enjoy and play the sport in a safe and controlled environment.

West Leeds ARLFC welcomes all people regardless of personal background, circumstances, faith, gender, age, sexuality and believe there is a role for everyone young and old with in our organisation.

Without the help and support of the non-playing member's weekend, games and activities within the organisation would not happen.

In 2021 our plans for the new club house were passed by Leeds City Council and 50% of the funding needed was also secured. We continued to offer sport and the use of our facilities to the community of Armley, Wortley and the surrounding areas

In 2022 our plans are to continue to gain support from the local community and secure the remaining funding needed for the project. The plan is to start the build in 2022 and to continue to recruit players and volunteers from the community.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

2021 with the loss of the charities premises it has been a difficult year for fund raising and social activities for our members. Towards the end of 2021 we secured an alternative venue within the community for the interim period, until the new premises is built.

Our volunteers remained supportive during the difficult period and pulled together in helping move equipment, maintain the changing rooms and keep the area of the pitch tidy from rubbish.
