**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2021**

---

The trustees of The British and Irish Paediatric Ophthalmology and Strabismus Association (BIPOSA) present their annual report for the period ended 31st December 2020. The trustees have adopted the provisions of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**Structure, Governance and Management Governing document**

The charity is controlled by its governing constitution and is a charitable incorporated organisation (ICO). It was entered on the Register of Charities on 18th April 2017 and its registered charity number is 1172621.

BIPOSA is committed to equality and diversity.

**Risk Management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees hold a modest reserve to ensure that it can meet its stated objectives.

The Trustees have reviewed the risks to which the Charity is exposed and have ensured appropriate controls are in place to provide reasonable assurance against fraud and error.

**Objectives and Aims**

The objectives of BIPOSA are for the public benefit to: advance education in the subject of eye conditions and diseases in children and in people with ocular motility problems (strabismus); and the preservation and protection of public health specifically relating to eye conditions and diseases in children and in people with ocular motility problems (strabismus)

Regarding its benefit requirement for the public. BIPOSA is the UK and Ireland's leading education and learning body for paediatric ophthalmology and strabismus.

The Trustees acknowledged the continued uncertainty of holding conferences and seminars due to coronavirus, however, felt this would not adversely affect the Charity in the short term.

In the light of the ongoing pandemic the Trustees and Executive have arranged a series of online lectures (webinars). The charity has made these online lectures freely available to members and other health practitioners to advance education and provide a platform for the continued development of best practice.

The Executive organized its first ever virtual scientific meeting, held over two days. The trustees are mindful that one of its objectives is to promote education. In addition to invited speakers the charity gave young researchers, orthoptists and trainee doctors the opportunity to present their research work to a national audience. To encourage research and advance education the charity made several awards to enable trainee doctors, medical students, trainee orthoptists and junior researchers to attend the meeting to present their research.

Work has also continued with the development of the website for the benefit of both members and for the public.

**Finances & Reserves**

The attached financial statements show the current state of the finances, which the Trustees consider to be sound. The sources of income are sponsorship by trade companies, membership fees and meeting registration fees. The charity does not fundraise from the public. The Charity's bankers are the HSBC Bank.

The Trustees regularly review the level of reserves held against expected expenditure. The current level of reserves allows the charity to operate in line with meeting its objectives.

TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2021

**Trustees and Officers**

The trustees are delighted to announce the appointment to the post of honorary treasurer of Miss Tina Kipioti, consultant paediatric ophthalmologist who practices in Birmingham. Miss Kipioti was duly elected at the charity's AGM on 06th October 2021.

The Trustees have reviewed and approved this report.

**INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**Independent examiner's report to the Trustees of The British and Irish Paediatric Ophthalmology and Strabismus Association ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2021.

**Responsibilities and basis of report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies

**Accounting Convention**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Income**

Income represents members' subscriptions, meeting income and other income receivable during the year.

**Going concern**

The Board of Trustees has assessed the historic financial performance of the Charity and future plans. Given the charity has limited committed obligations for the period to at least twelve months after the date of the approval of these accounts, and significant cash holdings that it could utilise at short notice that is more likely than not to exceed any obligation, the Trustees are satisfied from this review that the charity remains a going concern. The financial statements have been prepared on that basis accordingly.

2. Donations and appeal receipts

There were no major contributions made during the year.
