Trustees' report For the year ended 31 March 2025

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 March 2025

The trustees are pleased to present their annual Trustees' report together with the financial statements of the Chapel & York UK Foundation Limited for the year ended 31 March 2025 which are also prepared to meet the requirements for a Directors' report and the accounts for Companies Act purposes.

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 of the accounts and comply with the Charities Act 2011, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) and FRS 102.

OBJECTIVES AND ACTIVITIES

Chapel & York UK Foundation Limited objects are to promote the advancement of education, the relief of poverty, the advancement of religion and such other purposes as are exclusively charitable under the laws of England and Wales.

Trustees have considered the public benefit requirement under the Charities Act 2011 and are satisfied that Chapel & York UK Foundation Limited meets the definition of a public benefit entity.

ACHIEVEMENTS

Chapel & York UK Foundation is set up to encourage the flow of charitable donations to worthwhile causes around the world.

Qualifying organisations may have a fund with the Chapel & York UK Foundation. Donors can make donations to the foundation and ask us to support one of our fundholders with their donation. The day-to-day operation of the Foundation is to receive donations, undertake due diligence of donors, undertake due diligence of our fundholders, and make grants to charitable organisations.

Chapel & York UK Foundation have raised £1,593,764 (2024: £712,187) in donations along with £117,085 (2024: £159,075) gift aid claimed and granted £1,391,988 (2024: £789,042) as at 31 March 2025.

The charity's achievements as set against objectives are to encourage the flow of charitable donations to worthwhile causes around the world. The charity's objectives are therefore to assist the fundholders to the extent they require the charity's support to fundraise effectively. That extent is demonstrated in the accounts by the amounts the charity has granted in this accounting period.

POLICY ON GRANT MAKING

Chapel & York UK Foundation operates a rigorous grant making process, which covers the point from which a donation is made to the foundation to the point the grant is made to the fundholder, and beyond that to ensure grants are being used in accordance with the purposes the fundholder stated to the charity when they were approved for membership. When donations are made to Chapel & York UK Foundation, the donor can clearly express which of the fundholders they wish their donation to be granted to. The funds are tracked in our accounting process. There is a 'know your donor' due diligence process should the size of the gift trigger this.

Monies donated to the charity are granted to the fundholders (based on the wishes of the donors) on a quarterly basis. Each quarter, the Chapel & York UK Foundation board meets to approve the round of grants to be made that quarter. The board's role in this is to satisfy themselves that the Foundation has followed the executive due diligence processes in respect of allocating grants. The board will approve grants unless they have good reason to withhold the grant. Grants are paid to fundholders the day following the board meeting. The charity can also make grants in between the quarterly board meetings if requested by the fundholder by means of a 'written resolution', which the board must approve remotely.

Chapel & York UK Foundation Limited

Trustees' report (continued) For the year ended 31 March 2025

Every year, fundholders must complete an 'annual declaration' in which they confirm that grants made to them have been used for the purpose intended and notify the charity of any changes to their future intended use (if there are any).

FINANCIAL REVIEW

Chapel & York UK Foundation Limited is reliant on donations and related gift aid. Income for the period was £1,711,983 (2024: £871,615).

Chapel & York UK Foundation Limited made £1,391,998 (2024: £789,042) in grants in the year under review.

RESERVES POLICY

The current policy of the trustees is to maintain only minimal reserves. This is because commitments will not be made beyond donations received and operating costs are expected to be kept at a low level which should be covered by donations. At the year end the charity had free reserves of £437,673 (2024: £130,373). Reserves are above the minimal level usually expected due to timing differences between donations received prior to the year end and grants approved and paid post year end.

GOING CONCERN

The trustees have prepared the Financial Statements on the basis of a going concern. Expenditure is restricted to the donations received in any one period. There are no uncertainties regarding the charity as a going concern.

RISK MANAGEMENT

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been, or will be, established to enable the necessary steps to be taken to lessen these risks.

The main risk to the charity is that donation income does not increase which would significantly reduce the level of charitable activity possible.

The Foundation has completed a risk assessment that is updated annually. The charity also has a risk management policy.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Chapel & York UK Foundation Limited is a UK registered charity and is constituted as a company limited by shares and therefore governed by a Memorandum and Articles of Association dated 17 January 2017 and updated on 19 October 2022.

The Foundation is organised so its Directors and Trustees meet at various intervals and exercise responsibility for its governance. In the intervening periods the secretary deals with the routine business.

All Trustees give their time freely and no Trustee remuneration or expenses was paid in the year. In addition, no out of pocket expenses were reimbursed to the Trustees and no Trustee had any beneficial interest in any contract with the Foundation during the year.

The Foundation operates a defined 22-stage process for selecting new Trustees.

Chapel & York UK Foundation requires a minimum of three Trustees. A decision to appoint a new Trustee is minuted at a Foundation Board meeting, or otherwise recorded. The Board assesses the skills provided by existing board members, and then discusses what is required from the new trustee, considering gaps in skills and abilities currently exist on the Board. Any specialisms required are added to the standard Board Member Job Description.

Chapel & York UK Foundation Limited

Trustees' report (continued) For the year ended 31 March 2025

Initially the Board will look at the professional circles of the existing board members for any contacts that might be interested and appropriate. If there are no referrals brought forward by the board members/Executive Director (ED), then the ED, and the board members if appropriate, will research suitable board members from within their networks, and will feedback proposals on who to approach accordingly.

The board member who has proposed the potential new Trustee approaches them for an informal initial discussion, to gauge whether they are interested in pursuing the opportunity, and what skills/knowledge/experience they have that would make them suitable. The proposing member ensures the candidate is fully aware of the charity, its purpose and its unusual standing, and be able to contribute the necessary time required. The candidate is then provided with a copy of the Board Member Job Description.

For due diligence purposes, the candidate completes the New Board Member Form, provides a bio/CV and a signed confidentiality agreement. Chapel & York UK Foundation then conducts due diligence checks using Refinitiv. All relevant regulatory forms are then complete, including Fit and Proper person declaration, conflict of interest declaration and entry on to the register of interests.

A decision to appoint a new trustee is by majority vote of the existing board. No other organisation or person has the right to appoint a Trustee.

The Foundation has an established process for onboarding new trustees, with a welcome pack that includes: Foundation brochure, Conflict of Interest Policy and declaration, Know Your Donor Policy, Risk Management Policy, Grant Making Policy, Board Member Agreement, previous Board meeting minutes, last set of completed accounts, Safeguarding Policy and Refunds Policy.

Chapel & York UK Foundation has several sister foundations, in USA, Canada, Switzerland, Netherlands, Hong Kong and Singapore. Each is an independent charitable organisation. Secretariat and administrative support (e.g. admin, HR, finance etc) to the UK Foundation is provided by Chapel & York International Ltd.

Day to day executive decisions are taken by the ED on information and processes carried out by Chapel & York's secretariat function. For example, the Global Foundation Administrator will conduct the due diligence checks on new members and the 'know your donor' check on donations. These will then be approved and checked by the ED. The Foundation has a comprehensive set of process (set out in flow charts the show the stage of the process and the action required, by whom, and how to proceed based on the action taken/outcome of previous decision) that cover accepting/refusing donations, grant making and approval of new fundholders. The Board ensure these process has been correctly followed, which they do at quarterly meetings.

**Notes to the financial statements
For the year ended 31 March 2025**

1. General information

Chapel & York UK Foundation Limited is a charitable company limited by share capital incorporated in England and Wales and is a registered charity. The registered office is Unit 12, Ladycross Business Park, Hollow Lane, Dormansland, Surrey, RH7 6PB.

The Trust is a company which is solely owned by Chapel and York US Foundation Inc. In the event of winding up if any property remains after the Trust has been wound up or dissolved and all debts and liabilities have been satisfied it shall not be paid to or distributed among shareholders of the Trust. It shall instead be given or transferred to a charity with similar objects to those of the Trust which are charitable under the law of England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Chapel & York UK Foundation Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**Notes to the financial statements
For the year ended 31 March 2025**

2. Accounting policies (continued)

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.8 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.
